**OHIO, WRIGHT-PATTERSON AFB** - see: NEW JERSEY, NEWARK

**OKLAHOMA, ADA** - Joint alien-military underground facility. source: UFO Magazine, Vol.7, No.6, 1992

**OKLAHOMA, BINGER** - A large mound north of Binger has traditionally been "haunted" and also the site of a legendary entrance to a vast system of labyrinths leading to the "Land of Kenyon" within a vast cavern illuminated by a bluish electromagnetic aurora/phosphorescence, in which live a peaceable race. However deep below this cavern are other darker realms where malevolent "serpent people" dwell. source: Charles Marcoux

**OKLAHOMA, MCALESTER** - Just before the Korean war three men explored a cavern NE of McAlester, underneath a "haunted mound", near which strange manifestations, animal mutilations and missing livestock had been reported. The owner at the time had put crosses on the knoll in order to keep "evil spirits" away. The three men, once inside, made their way down into a large cavern and found a seemingly "bottomless shaft" around which spiraled a stone staircase with steps large enough to accommodate a 12 foot giant. They descended for about a mile, not reaching the bottom, and decided to go back up. After the first two had emerged they heard a scream from the third, and some shots from his .45 revolver. They helped him out and in terror he told of hairy animal-men who had suddenly snuck up from behind him, grabbing him and trying to pounce him down to the ground. As evidence he showed his friends the YELLOWISH BLOOD that his gun had extracted from the creatures. source: Charles Marcoux; Victor John C. Johnson

**OKLAHOMA, OKLAHOMA CITY** - Reports which surfaced in the first hours after the Oklahoma City Federal building bombing but were suppressed by the national media, of Firefighters who told of huge tunnels that had been blasted open where they were shocked to see huge underground rooms filled with military arsenals, including missiles and missile launchers, tanks, etc. Also reports of an 18-level base beneath this Federal Building [and others?], with the top 5 levels being used for underground parking. source: THE PHOENIX LIBERATOR

**OREGON, FORT ROCK BASIN** - Water wells north of Fort Rock Basin have been known to blow air for days during periods of high barometric pressure - times when they should rather be taking in air. source: "Central Oregon's Underground World Filled With Wind That Roars, Whistles...", Article by Larry Chitwood in THE OREGONIAN, Oct. 31, 1985

**OREGON, PORTLAND** - "The Astounding Woodstock Mystery Hole just 2 miles west of I-205 located in Portland Oregon. Inside the Mystery Hole you'll find a Giant Double Arch, Geometric "codes" inscribed on walls, and other oddities. A Black Obsidian Mirror, and a Florite Crystal Tower, re-constructed based on information gleaned from the curious glyphs insculptured on the Giant Double Arch found deep inside The Mystery Hole." source: INSIDE THE MYSTERY HOLE website

**PANAMA, BETWEEN PANAMA AND THE GALAPAGOS ISLANDS** - A drilling project on the sea floor breaks through to massive cavities under the ocean bedrock. The opening grew in size and is now sucking a massive and constant flow of ocean water into the crust beneath the ocean floor. source: FAR OUT Magazine, April, 1982 issue

**PENNSYLVANIA, ALLEGHENY MOUNTAINS** - About 50 miles south of Pittsburgh in the first range of the Allegheny mountains, George A. Lehew reportedly found a cavern which he penetrated for over a mile, the passages becoming increasingly wider. He descended at about a 45 degree angle until reaching a room in which he found a 6-ft.-wide thermol bore, a perfectly circular shaft with smooth glazed walls that had apparently been melted through the rock/earth in some ancient time. Old timers in the area alleged that six "survivors" in 1915 took gear and equipment and spent a month exploring the cave, going 18 miles from the entrance and down almost 5 miles below sea level, where they distinctly heard the "rumble of machinery" off in the distance. source: Letter from George A. Lehew in AMAZING STORIES Magazine, Dec. 1946

**PENNSYLVANIA, BLUE RIDGE SUMMIT** - The location of the so-called "underground Pentagon" maintained by nearby Ft. Ritchie, and used as a major electronic nerve center for the U.S. military. A massive installation that is also known as "Raven Rock" or "Site R" that was blasted out of greenstone granite 650 feet below. A 260,000 sq. ft. facility sprawling beneath 716 acres composed of five different "buildings" in specially excavated separate caverns, literally forming an underground "pentagon". Also contains fluorescent lights, convenience store, barbershop, medical and dining facilities, an underground reservoir containing millions of gallons of water, a chapel, 35 miles of telephone lines, and six 1,000-watt generators. It is a supercomputing and electronic command post linked with several military communications networks around the globe, and is reportedly connected via tunnel to Camp David several miles to the north near the town of Thurmont. source: UFO Magazine, Vol.7, No.6; Richard Sauder

**PENNSYLVANIA, DIXONVILLE** - Mine inspector Glenn E. Berger reported in 1944 to his superiors that the Dixonville mine disaster which "killed" 15 men was not the result of a cave-in, but rather an attack by underground creatures capable of manipulating the earth [partial cave-ins], whose domain the miners had apparently penetrated. Most of the dead miners were not injured by falling rocks but showed signs of large claw marks, others were missing, and one survivor spoke of seeing a vicious humanoid creature that was 'not of this world' within an ancient passage that the miners had broke into. The creature somehow created a "cave-in", blocking himself and another inspector [who closed his eyes when he felt the creatures 'hot breath' on his neck] from the main passage until another rescue party began to dig through the collapse, scaring the "creature" away. source: Article by Stoney Brakefield in NEWS EXTRA, July 14, 1974

**PENNSYLVANIA, NEW KENSINGTON** - A creature, about 4 ft. tall, walking on two feet and "half humanoid - half dinosaur" was seen by grownups and children. One boy attempted to grab the creature from behind, which let out a squealing or screeching sound and escaped. Also, children attempted to pour gasoline on the creature and light it, unsuccessfully, before it escaped into a "sewer tunnel" nearby. source: "Green Thing Sparks Rumors", article by Michael Burke, in THE VALLEY NEWS DISPATCH, New Kensington-Terentum & Vandergraft, PA., March 5, 1981 issue

**PENNSYLVANIA, PITTSBURGH** - Two boys enter a cave in a Pittsburgh suburb that was uncovered by road excavation work, only to find a partially buried thermol-bore [a perfectly round fused polished shaft apparently melted through the rock], partially concealed by dirt, and which they uncover and explore. Their dog runs down the sloping shaft, which is about 4 ft. in diameter, ahead of them until a deep, vibrating sound is heard, following which the dog came running back out of the shaft, clawing its way over them and in total terror, running back home. The cave was then subsequently covered by further road excavation. Also rumors of old robber gangs in frontier times who would rob banks and escape to hide away in ancient caverns underground, via an "automatic door" they had discovered in the cliffs. source: THE SHAVER MYSTERY Magazine

**PERU, [NOT SPECIFIED]** - The Kon-Tiki expedition, while in Peru searching for bamboo, discovered a cavern in which an ancient cuneiform inscription was found engraved on the wall. The inscription was later translated and told in poetic form the tragic story of a knight who enters the cave to rescue his maiden, who was seduced and abducted by a satyrus like creature, whose tracks he followed to the cavern. The knight, before descending to take revenge on the demonic beings below and in the event that he does not return, inscribes a warning on the cavern wall to those who might discover the cave in the future. source: Cossette Willoughby of Fairacres, New Mexico

**PUERTO RICO** - Carlos Manuel Mencado tells of being abducted by grey aliens and flown into a base under the Sierra Benmeja via a hole which "appeared" in a depression in the side of El Cayul mountain, which followed a long tunnel emerging into a massive underground cavern. source: ALIEN UPDATE, by Timothy Good

**PUERTO RICO** - Near the SW tip of Puerto Rico, under the waters of the Mona Passage, Mona island, and south of the Cobo Rojo lighthouse in the ocean pass separating Puerto Rico from the Dominican Republic, there reportedly exists an active UFO base. U.S. Navy forces, investigating a massive UFO wave, sent out two F-14 Tomcat fighter jets to circle a massive UFO that had been sighted in May, 1988. One of the fighters from the BCF "starfighter" squadron aboard the USS Roosevelt was vaporised by a beam from the UFO, and photos of the incident were taken by Amaury Rivera. Some months later missile-laden fighters attempted to intercept a delta shapes UFO but the UFO vaporised or captured one of the jets in front of thousands of witnesses. source: INTERNATIONAL UFO LIBRARY Magazine

**RUSSIA, OLEKMINSK** - The central Siberian uplands north of Olekminsk have been the source of numerous UFO reports, including a massive "wave" or scare that erupted in early 1970, involving disappearances of animals and humans, including one entire village. A Soviet supersonic bomber disappeared without a trace in the area on April 24, 1970, provoking a 150 plane rescue search [many of these reported gigantic space craft hovering so high that they were out of range]. Soviet reconnaissance planes appeared in the skies, relentlessly photographing every inch of the terrain.

Chinese citizens were terrorized by UFOonauts disguised as Russian cosmonauts and Russian citizens reported landings of Chinese or Oriental appearing UFO pilots. This confusion might have led [intentionally on the part of the "aliens"?] to World War III between China and Russia since the phenomena did result in some border clashes between the two superpowers. "On April 29th [1970] inhabitants of these areas were awe struck as a gigantic Soviet aerial armada consisting of bombers and fighter planes passed overhead en route to a rendezvous near the desert region. This area was bombarded for hours and literally blasted from the face of the earth... reliable sources report that a secret flying saucer base was systematically liquidated... consisting of hundreds of miles of underground tunnels and dozens of 'pyramid-like structures' throughout the area." source: photocopy of magazine article, source not given

**RUSSIA, RAMENKI** - A huge underground bunker designed for the country's leaders and their families, 6 miles outside of Moscow and linked to the Kremlin and other buildings via underground rails. An actual underground city 500 acres in size built at several levels from 230 to 395 feet down and capable of holding 120,000 people. source: ALIEN MAGIC, by William F. Hamilton II

**RUSSIA, URAL MOUNTAINS** - A mammoth underground military complex within Yamantau mountain in the Beloretsk area of the southern Urals. Also used for mining, repository for Russian treasures, food storage area, and a nuclear bunker for military officials. source: NEW YORK TIMES, April 16, 1996

**SCANDINAVIA** - "A 13th century historian, Saxo-Gammaticus, wrote down the folklore and myths of Scandinavia. He recorded the ancient Viking belief in 'Hadding Land', a subterranean world where giants, superhumans, tribes of black dwarfs, and 'snake people' lived. These strange beings, and even stranger animals, were said to occasionally surface in the outer world and create chaos." source: THE UNDERPEOPLE, by Eric Norman

**SOUTH CAROLINA, COLUMBIA** - The alleged discovery of an underground tunnel by a family picnicking in the suburban town of Irmo, 4 miles NW of Columbia, Irmo having been suspected in the past of harboring U.N. fugitives. John Don Cooper and his son Wayne Dwayne discovered the opening while out foraging for branches for their makeshift lean-to. The passage led to a man-made cave. According to police spokesman Ralph Hightower the tunnel was located in a wooded area next to the parking lot of the Irmo K-Mart, which was not heavily visited due to competition from a nearby Wal-Mart and Sams Club. Cooper immediately called (-1-1 and the Irmo SWAT Team responded by storming K-Mart and the tunnel. Caught by surprise, the U.N. infiltrators lost the battle, which lasted about 4 hours, however it was found that the tunnel branched out to many different and still unknown locations. The tunnel at the town limits of Irmo was sealed by the SWAT Team. Hightower said: "...I don't think they'll be back 'cause we kicked their butts real good." source: local newspaper article from Columbia, S.C., Nov. 23, 1997

**SOUTH CAROLINA, GAFFNEY** - In the mid-1960's, a woman in Gaffney complained to the local police that someone was digging tunnels under her house, as she was plagued by eerie hums and strange mechanical sounds emanating from under her house. source: THE 8TH TOWER, by John A. Keel
