**"If I ascend up into heaven, thou art there: if I make my bed in hell, behold, thou art there."** -  
PSALMS 139:8

**FLORIDA, MIAMI** - Underground genetics-breeding facility with several mature and young girls being held captive by grey aliens. Used to breed a "hybrid" slave labor race that is intended to infiltrate surface society and do the bidding of the New World Order, which is to be ultimately controlled by an alien agenda. source: [Mr. X](#)

**FRANCE, MIERS** - An underground river discovered [IN FRANCE](#) which was followed by explorers for several miles before it plunged deeper into the depths of the earth.

**FRANCE, PARIS** - A young female physician tells of a terrifying experience of being abducted from the bottom of an elevator shaft and taken into caverns where she was, along with other human females, raped and tortured by cannibalistic beast-men. A few months later the beast-men were suddenly attacked and killed by pale skinned humans who wore grey metallic uniforms. They spoke French with a strange accent, and took the women survivors to a "medical vehicle" that was parked in a nearby tunnel. She was later taken back to Paris, being led up through a maze of tunnels that intersected the Parisian sewers. She learned that the pale skinned men were connected to a space alliance which is here to observe the coming war between the surface armies and the beast-men of the caverns who have acquired ancient technology, which they use against those on the surface in an effort to satisfy their twisted passions. source: [THIS HOLLOW EARTH](#), by Warren Smith - "The Messerschmidt Manuscript"; the [Parisian Catacombs](#)

**FRANCE, PARIS** - A remarkable underground cinema was recently discovered beneath Paris.

**FRANCE, PRIVAS** - A man, while exploring a "well", discovered a deep cavern with eyeless fish within it.

**GEORGIA (USA)** - Engineer Rex Ball came upon a network of tunnels in Georgia in 1940, which led to an underground installation manned by Oriental-looking men in coveralls and a few American military officers. When caught in the tunnels, an officer issued the curt command: "Make him look like a nut!" The next thing he recalled was waking up in a field uncertain whether the experience was real or a dream. source: [THE MOTHMAN PROPHECIES](#), by John A. Keel

**GEORGIA, ATLANTA** - A major underground Bavarian Illuminati facility constructed in collaboration with a similar base below the Denver International Airport. Like the D.I.A. facility, the Atlanta facility is occupied by the cult of the serpent [human & alien collaborators] and is "intended" to be used jointly with the Denver Airport facility as dual U.S. headquarters for New World Order regional control, and for continued "Montauk" or "Phoenix" Project operations. source: [Mr. X](#)

**GEORGIA, DOUGLAS** - In the 1950's, Earl Meeks was drilling a well on his property 6 miles from Douglas when he broke through to empty space. The shaft began to suck in a constant flow of air and sounds resembling "an underground railway" were so loud that they had to cover the "well" with planks at night so that they could sleep. A few decades later a subscriber to THE HOLLOW EARTH INSIDER, "Lucky", visited the Meeks homestead 6 miles WEST of Douglas, and learned that people from all over the state had come to investigate the well the entire 2 weeks that it sucked in air, before the Meeks finally had it capped off. "Lucky" told of his intention to seek permission from the Meeks to uncap the well. source: [FATE Magazine](#), Jan. 1957; [THE HOLLOW EARTH INSIDER](#), Vol.1, No.4 [Spring, 1993]

**GERMANY, TRIER** - Monks at the Brunia Monastery -- in the Trier region of ancient Prussia [now Germany] -- founded by Charlemagne's father Pepin the Short, reportedly captured a dark-skinned dwarf in the basement of the monastery in A.D. 1138, after they discovered several wine casks that had been emptied onto the cellar floor. They confined the little man, who refused to speak or eat, until he escaped back down through the cellar and into a sloping tunnel that was accessed via a displaced stone. source: [THE UNDERPEOPLE](#), by Eric Norman; Also see: [Trier - Germany \(Prussia\)](#)

---

**GUATEMALA, ALTA VERAPAZ** - In or near the town of Languin in the departamento of Alta Verapaz, and 30 miles NE of Coban, a group of young men walked through a cave/tunnel entrance and 8 days later emerge into a large cavern illuminated by a volcanic cone far above [possibly SW corner of Izabal departamento - Sierra De Los Minas range?], where they see a fish laden subterranean river, beyond which the passage continued NW, some suspect to the Silpino Cave area near the town of Cayuga!? source: Penny Harper; [ALTA VERAPAZ](#)

---

**GUATEMALA, CAYUGA** - Cayuga-#1 or Silpini cave is reached by leaving Guatemala City going NE on Highway CA9 en route to Port Barrios on the Caribbean coast, passing on the way the town of Morales and continuing to Cayuga village before the Tenedores turn off is reached. A few yards NE on highway CA9 from Cayuga village, on the west side of the road, is the entrance to Silpino Cave, which was discovered by highway construction crews while carving out a hillside, although locals later built a stone doorway set with an iron gate which at last word usually remains unlocked. A narrow passage continues north from the main room which then turns west. One report stated that a man from nearby Morales followed the passage, which later widens, SW for 15 days, after which he turned around. After 30 days in the cave his body was swollen, he was sick and had to stay in a hospital for 2 years! Locals say that the tunnel was excavated by the Mayas [or at least parts of it extended by the Mayas!?!], and that "stone idols" can be seen in some section. source: Penny Harper; [CAYUGA](#)

**GUATEMALA, CAYUGA** - Cayuga-#2 cave is located one kilometer NE of Silpino [Cayuga-#1] cave, and is another cave/tunnel that is entered on a skirt of a hill far in from the highway, although the valley it is in CAN be seen from the highway. Several men entered the tunnel and walked for 6 hours. It is said to be part of the Silpino cave system [NE branch?] and has MANY branching tunnels, "stone statues of owls", a "river with fish and a light cold wind [that] blows... there was a place where their watches stopped dead and all of their flashlights went out... once a "Gringo" went into that tunnel and never came out again" [at least not out of THAT entrance]. source: Penny Harper; [CAYUGA](#)

**GUATEMALA, QUICHE** - Near the town of Chajul, in the state or departamento of Quiche, locals tell of a nearby cave, in the second level of which is a seemingly bottomless shaft. In the lower room is a huge goblet carved [by Mayas?] out of solid stone. No comment as to whether the shaft is natural or artificial was offered. source: Penny Harper; [QUICHE](#)

**IDAHO, BURLEY** - Druggist George Haycock claimed that he had explored a shaft that could be entered via a boulder strewn depression or sink 6 miles west of Burley, and one mile off the main road [presumably in the opposite direction from the river?]. Native American legends told of a demonic race that would emerge from a cave and capture their women and children. Mr. Haycock reported psychic attacks and impressions of evil activities taking place underground. The shaft led to a long square-cut yet ancient horizontal crawlspace tunnel with branch tunnels and a cave-in which he attempted to dig through, although experiencing unusual "resistance" in doing so. He later wrote friends that someone was trying to blast the shaft closed with dynamite and also reported a death threat he had received in the mail telling him to cease and desist his explorations. Shortly after this, he was found strangled to death in his home. source: [AMAZING STORIES](#) magazine, Oct. 1947 & Jan. 1948; Also, a more [Recent Update](#) on the Burley, [Idaho](#) tunnels

**INDIA, KASMIRA** - Traditional entrance to the underworld of Patalas, which is divided into 7 realms: Rasatala, Mahatala, Alala, Sutala, Vitala, Talatala, & Patala. Some legends say that it is the abode of reptilian humanoids, although human "appearing" beings have also traditionally been encountered within Patalas. King Bhunandana allegedly entered this domain of "forbidden pleasures" via a portal in the peak of Pradyumna [or Hill of Sarika]. The underground journey to Patalas took 5 days and nights. Upon arriving, the king and his knights encountered an underground plain with trees from which hung human corpses, and also large vats of liquid in which human flesh and blood was mixed. A "woman" appeared and offered the king a cup of the "vile" liquid, stating that unless he drank it he would not prosper. He took the cup and threw its substance in disgust at the feet of the so-called "goddess", who in anger told him to take his men and leave that realm, and King Bhunandana obliged. In dry seasons some have entered the cavern once the sump/maelstrom has disappeared, and have reportedly seen large buildings with illuminated windows and other things "too dreadful to describe". source: FOLKLORE - A QUARTERLY REVIEW, issue #28, pp.92-93; Map of Clew Bay - Westport, Mayo Co., Ireland
