"And every creature which is in heaven, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, Blessing, and honour, and glory, and power, be unto him that sitteth upon the throne, and unto the Lamb for ever and ever." - REVELATION 5:13

KASHMERE-KABAKORAM - An ex-Army Captain, A.C., tells how during WWII he was shot down near Cheduba island and, once rescued, requested leave at Kashmir. He and another man left Srinagar and went to Rudok and then through the Khesa pass to the northern foothills of Kabakorum. They found a cavern that they were looking for... "My companion and I fought our way out of a cave with submachine guns. I have two 9" scars on my left arm that came from wounds given me in the cave when I was 50 feet from a moving object of any kind and in perfect silence. The muscles were ripped out. How? I don't know. My friend had a hole the size of a dime in his right bicep. It was seared inside. How we don't know." source: Letter from A.C. in AMAZING STORIES magazine, June, 1946; [Links Page for Srinagar, Kashmir](#)

KENTUCKY, PIKEVILLE - Strange disappearance in Kentucky in the Truck Coal Mine 3 miles east of town. Two boys seen entering the mine disappear even though their lamp is found abandoned at the entrance. A full scale search of the mine fails to turn up any evidence of the missing boys. source: FATE magazine, Nov. 1950; [Pikeville, Kentucky](#)

KENTUCKY, PINEVILLE - On Dec. 26, 1945, a mine explosion in the Belva Mine trapped several men. When they were rescued some of the men insisted that they saw a "door" in one of the walls open, and a man dressed as a "lumberjack" emerge from a well-lighted room. After assuring the men that they would be rescued, the strange visitor returned to the room and closed the door. Other similar accounts have been reported during similar mine disasters, such as the one at a Shipton, Pennsylvania mine, where similar "lumberjack" or "telephone linemen" type of men have been seen, suggesting that they exist in another time-dimension, possibly explaining why they "knew" the outcome of the

disasters. In some cases the strange "workmen", as if taking the role of guardian angels, had offered trapped men unusual "lighting" to keep them out of the dark, and in other cases as with the Shipton disaster, "astral visions" accompanied the visits of these fourth dimensional [?] visitors. source: Pineville Kentucky newspapers, circa Dec. 26, 1981 - Jan. 1982; [Pineville, Kentucky](#)

KENTUCKY, RIVERTON - Patsey Wingate, a victim of UFO encounters, missing time, MIB limo's, harassment, black helicopters, police-like cars in a temporal mist, death threats, the works... spoke of a mountain near Riverton where a certain UFO was seen on numerous occasions. While on the mountain she would hear humming sounds coming from underground, then at home later that night she experienced frightening vivid "dreams" of "children underground on the mountain [who] were begging for help. They were in glass cages. Some of the children looked human, but some looked like aliens." source: UFO UNIVERSE, Vol.3, No.2, [Summer 1993]; [Riverton, Kentucky](#)

KENTUCKY, SALEM - SE of Salem is [Hodges cave](#) [near Doan Spring?] or in that general area from what I recall, which some believe is the cavern that is mentioned in John Uri Lloyd's book ETIDORHPA, which was illustrated by a veteran Mason. Witnesses have stated that they have seen Masons wandering about the area. One report tells of a nearby stone staircase leading deep into the gloomy darkness of the earth, which witnesses failed to fully investigate as they were hit with an overpowering sense of terror. source: THE [SHAVER MYSTERY magazine](#); [SHAVERTRON magazine](#); [ETIDORHPA](#) by John Uri Lloyd; [Salem - Doan Spring region, Kentucky](#) --- MORE LINKS: - [-1-](#) - [-2-](#) - [-3-](#) - [-4-](#) - [-5-](#) - [-6-](#) - [-7-](#) -

MALTA, VALETTA - Tradition holds that before the British govt. sealed up several tunnels, one could walk from one end of Malta to the other underground. One of the labyrinths, discovered by excavators, is the Hypogeum of Hal Saflieni, in which excavators discovered the bones of over 33,000 people who had been sacrificed by an ancient pagan neolithic cult. National Geographic, Aug. 1940 issue, told of several school children who had disappeared without a trace in the Hypogeum. British embassy worker Miss Lois Jessup convinced a guide to allow her to explore a 3-ft. square "burial chamber" next to the floor of the lowest room in the last [3rd] sub-level of the catacombs. He reluctantly agreed and she crawled through the passage until emerging on a cavern ledge overlooking a deep chasm. In total shock she saw a procession of TALL humanoids with white hair covering their bodies walking along another ledge about 50 feet down on the opposite wall of the chasm. Sensing her they collectively lifted their palms in her direction at which a strong "wind" began to blow through the cavern and something big, "slippery and wet" moved past her before she left in terror to the lower room, where the guide gave her a "knowing" look. Later she returned after the 30 school children and their teacher[s] had disappeared in the same passage that she had explored, only to find a new guide who denied any knowledge of the former guides' employment there. She heard reports however that

after the last child had passed through the "burial chamber" and out onto the ledge, a "cave-in" collapsed the burial chamber and the rope connecting them to the lower chamber was later found to be "cut clean". Grieving Mothers of several of the children swore that for a week or more following the disappearance they could hear their children crying and screaming "as if from underground". Other sources state that an underground connection exists or did exist between Malta and reaches hundreds of miles and intersects the catacombs below the hill Vaticanus in Rome. source: [THE REALITY OF THE CAVERN WORLD](#), by Riley Crabb; Commander X; NATIONAL GEOGRAPHIC magazine, Aug. 1940; [More on the Hypogeum](#)

MASSACHUSETTS, BOSTON - Ervin M. Scott claimed to have intercepted an electronically augmented telepathic transmission from a woman, a cavern-dweller under the Salt Lake flats of Utah, whose people were under siege by the "evil ones". She urgently warned about a woman who was abducted into tunnels/caverns beneath an abby in the north section of Boston 3 weeks earlier [the [1st church of Roxbury](#) is located in the north section of the city and is by far the oldest "abby" in Boston]. Another "voice" breaks in on the "transmission" and tells Ervin not to believe the former woman's voice, stating, "Don't you know this is a lie? a trick?", and then warningly, "keep quiet about this!". source: [SEARCH magazine, July 1964](#)

MEXICO (MISCELLANEOUS) - --[1](#)--

MEXICO, "INTERIOR" - Frank J. Mezta of Calexico, California tells of his visit to the "enchanted caves" in Mexico's interior. The first attempt to enter the cave was halted by his premonition of disaster, the second attempt succeeded, however they gave up when they labyrinth became too complex to navigate with the supplies they had. On the way out they found another tunnel that seemed to appear from nowhere, however after hours of downward winding travel with no end in sight they gave up and returned to the surface. Mezta later heard of an American man who had hired about 2 dozen locals to investigate the cave, 10 or 15 years before. They saw deep inside the cavern "a man with a bulls head" standing next to a "naked midget". Several of the men tried to fire their guns but they all jammed, and the lights went out. Several men were killed or disappeared in the ensuing confusion and only a few made it back to the surface alive. source: [THE HIDDEN WORLD, issue 8-A](#) --- Also, more on the underground beneath [the rain forests in Mexico's interior](#)

MEXICO, MEXICO CITY - An anonymous writer, claiming the power to induce a deep trance in most hypnotic subjects, instructed one woman while in a trance to remote-project from her body and visit a mountain outside of Mexico City. When asked if there was a cave in the mountain she said: "I'm inside. Oh! It's walls glow... there's a shaft going down... its walls are smooth like the inside of a piston shaft of a car... I'm there [at the bottom of the shaft]. There is evil down here!" When bringing her back into her body [difficult] she said, "I've been somewhere I shouldn't", shaking and crying, and she also stated that a battle was taking place in her mind, which she eventually won. [Others who have reportedly remote-viewed underground facilities like Dulce, Pine Gap, Cheyenne Mountain and others state that many of the bases - especially the alien interaction ones - simultaneously exist in the 3rd, 4th and 5th dimensions and are equipped with "magnetic traps" designed to capture "astral spies" who might try to probe their secrets]. source: AMAZING STORIES magazine, July 1947; ["Google Earth" view of Mexico City](#); Information on the [tunnels and caverns](#) 30 Miles NE of the city, near the ancient pyramids. NEVADA, HENDERSON - Near the town of Henderson, the son of a woman by the name of Cherry Hinkle discovered (along with a friend of his who accompanied him) a cavern... which they explored. Deep inside the tunnel they began to hear guttural speaking from some creature, which frightened them so much that they left the cave and ran home, but not before discovering a strange "rod" with unusual writing on it, on the ground in the cave. That night a strange 'creature' which Cherry described as a "Lizard Man" with "ridges" on the top of its head and on its cheeks, peered through a window and tried to enter the house, before departing. Cherrie had the feeling that it wanted the rod back that the boys had taken, so in the morning they went back to the cave and laid the rod up against a rock near its' mouth, and since that time they have never again been bothered by the creature.

NEVADA, LAS VEGAS - Several underground 'joint' Military bases exist within 100 miles of Las Vegas. Also, some strange tunnels below the city of Las Vegas itself.

NEVADA, MERCURY - An electrician at the Mercury base camp on the Nevada Test Site claimed to have seen "aliens" in "stainless steel caverns" about 3000 feet below the surface of the Mercury Site. The "Mercury Workers" contracted through Reynolds Electric [a division of E.G.&G.], and several of them told terrifying stories of harassment and death threats from base personnel in an effort to keep them from talking. Also Las Vegan Stayce Borland and her brother were killed by "burglars" during a time when they were trying to help some of the Mercury Workers who had been apprehended and were being held captive underground. Many insisted that Borland's murder was part of a conspiracy, similar to the 5 people killed in a "helicopter crash" some years ago who, according to former Wackenhut employee Michael Riconosciuto, were trying to escape with documentation of genetic research atrocities, alien interaction, and antigravity craft technology in the underground facilities there. This conspiracy of concealment is reportedly being run by the aliens themselves to maintain control of those military-industrial-intelligence agencies which have been infiltrated and assimilated through advanced mind control technology. source: "The Billy Goodman Happening" - KVEG Radia 840 AM, Las Vegas, Nevada, Nov. 19, 1989, etc.
