Israel's Extracurricular Activities

By CUFPa

Israel's Extracurricular Activities are no less satanic than **its regular ones**.

1. Hurting And Killing Foreigners Helping Palestinians. When it comes to doing evil Israel doesn't discriminate between Palestinians and those who fly from afar to help the oppressed.

19 year-old Swedish human rights worker attacked by an Israeli "settler" (aka land thief) in Al-Khalil leaving her with a broken jaw

However, the foreigner who stands out the most is American Christian activist Rachel Corrie, who was deliberately killed by Israel for daring to stand up for Palestinian rights.

"Greater love has no one than this: to lay down one's life for one's friends." John 15:13

From the **Rachel Corrie Foundation**: "Rachel Corrie was a 23-year-old American peace activist from Olympia, Washington, who was crushed to death by an Israeli bulldozer on 16 March 2003, while undertaking nonviolent direct action to protect the home of a Palestinian family from demolition.

“Rachel’s journals and emails from her time in Palestine are available in a variety of forms. They have been published in books, turned into plays and dramatic readings, and used around the internet. They are not always reproduced in their entirety and we have collected them here, uncut, for easier reading. **Read Rachel’s emails from Palestine.**”

**Rachel Corrie made
her Lord proud**

Her family still awaits justice, while the US government is busy kowtowing to Israeli war criminals.

2. Illegally Selling Organs Of Dead Palestinians And Others. Israel is the world leader in organ trafficking.

“A number of Palestinian families have registered formal complaints over the years upon observing the returned bodies of their family members conspicuously missing body parts,” **reports** Joachim Agopian in his article *Israel is the organ harvesting and human trafficking*

global ringleader.

“A pro-Israeli magazine **the Forward** confirmed that Israel had been routinely stealing Palestinians’ organs for Israeli citizens’ spare parts. Finally even the pro-Israeli **New York Times** has called out the Tel Aviv regime for its “disproportionate role” in organ trafficking since 2000.

“UC Berkeley professor, anthropologist, activist-author and head of the watchdog group **Organ Watch** **Nancy Scheper-Hughes** has described Israel’s leading role in the international crime syndicate that is ‘organized through a local business corporation in conjunction with a leading transplant surgeon, operating out of a major medical center not far from Tel Aviv.’”

3. Sex Slave Trade Centered In Israel. Nothing is too low for Israel, not even turning women into sex slaves.

“The total annual profits garnered from white slavery in Israel have reached the US \$1 Billion Dollar mark. 10,000 Eastern European and Russian girls are lured to Israel each year and enslaved as prostitutes,” **writes** Justice4Poland.

“The price of a woman in the prostitute market is between \$8,000 and \$10,000... A prostitute works from 14 to 18 hours every day, but receives only 20 shekels of the 120 shekels (a pop) paid to the ‘owner of the lady.’”

4. Pedophilia. The recently outed **pedophilia ring** managed by Jeffrey Epstein has been **a Mossad operation** going back decades.

Israel uses videos and photos of politicians and people of influence caught in its snare in order to drum up support for the apartheid country while obliging the targeted individuals to cast a blind eye on its **crimes against humanity.**

5. Deceiving The World With The Holocaust. According to Holocaust Victims, the Zionists orchestrated their plight during World War 2.

From **Holocaust Victims Accuse** : “In the Zionist Congress which took place in London in 1937, Dr. Weizmann established the line of policy with his words: ‘The hopes of Europe’s six million Jews are centered on emigration. I was asked, ‘Can you bring six million Jews to Palestine?’ I replied, ‘No’. From the depths of **the tragedy** I want to save two million young people... The old ones will pass. They will bear their fate or they will not. They are dust, economic and moral dust in a cruel world... **Only the**

Young Jews only to Palestine

From **Holocaust Victims Accuse** : “In the Zionist Congress which took place in London in 1937, Dr. Weizmann established the line of policy with his words: ‘The hopes of Europe’s six million Jews are centered on emigration. I was asked, ‘Can you bring six million Jews to Palestine?’ I replied, ‘No’. From the depths of **the tragedy** I want to save two million young people... The old ones will pass. They will bear their fate or they will not. They are dust, economic and moral dust in a cruel world... **Only the branch of the young shall survive...** They have to accept it.’ ”

Biblicism Institute **goes further**: “According to **Red Cross records**,

apparently only 271,000+ Jews died during that war, as opposed to the 6 millions we’ve been told were systematically slaughtered in gas chambers and incinerated in ovens (hence the term HOLOCAUST or BURNT SACRIFICE), and as compared to the 80 million non-Jews who actually perished.

“Most of the Jews on the Red Cross list succumbed to malnutrition, exhaustion, and sicknesses while others were definitely killed. A few of their corpses might have been incinerated to prevent the spread of diseases, while the majority were buried in mass graves.

“The fabrication of 6,000,000 dead was just so the Zionists could have a disaster of such enormity that those who oppose **the creation of the state of Israel** on stolen Palestinian land, which materialized right after World War 2 in 1948, would shut their mouths when that bit of ‘history’ is shoved down their throats.”

6. Manipulating The US Government. **Philip Giraldis**, former CIA Officer, explains:

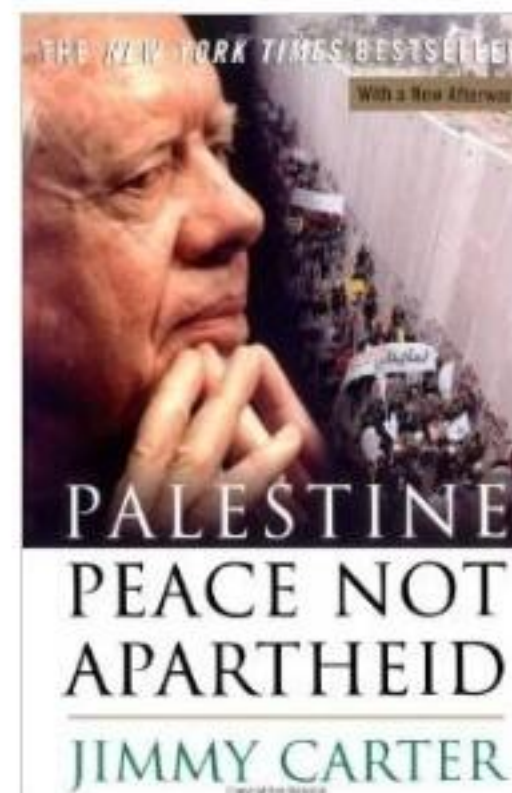

“The Israeli government is a rogue regime by most international standards, engaging as it does in torture, arbitrary imprisonment, and continued occupation of territories seized by its military. Worse still, it has successfully manipulated my country, the United States, and has done terrible damage both to our political system and to the American people, a crime that I just cannot forgive, condone, or explain away.”

Pat Buchanan went at it this way, “Congress is Israeli-occupied territory.”

A nice euphemism for saying that Modern-day Israel has taken over the American government, or that America has become a subservient country, an occupied nation, an Empire on a leash – a leash by which the Judases in the US Congress are tightly restrained, as they sell out their country to Israel.

“(America) is just an oligarchy with unlimited political bribery being the essence of getting the nominations for President or being elected President; and the same thing applies to governors, and U.S. Senators and Congress members,” **revealed** former President Jimmy Carter.

That is why all American politicians, and especially Congressmen (except for a handful few), kowtow to **AIPAC** (secretly known as the Ashkenazi-Israeli Political Action Committee), its **bribe** money, its control of **the corrupt Federal Reserve**, and its **treasonous attitude** in favor of Israel **above American interests**. Whatever Israel wants – including massive amount of **financial aid**, **sexual slavery and pedophilia**, **organ trafficking and wanton murder**, **terrorism and wars** – Israel gets.

7. Controlling And Maneuvering The Western Media. If one truly believes the **Jewish-dominated** media, their fake news, and their constant barrage of **“Holocaust”** movies, one genuinely thinks that there’s only one group of people that everyone on earth hates: Jews. That’s how effective the brainwashing has been.

However, when one wakes up from the media’s induced stupor, one realizes that Jews are themselves **the victimizers of the world** who camouflage themselves as **victims**, while fighting tooth and nail **to impede peace** in the Middle East.

That’s how they a) keep control of **the Federal Reserve**, and b) preserve **the satanic state of Israel** – the twin linchpins by which they subdue America, the world’s greatest superpower: they wag all US financial institutions using the Fed’s

domination of the US money supply; while Israel’s intelligence agency, the Mossad, **spies** on American politicians, blackmailing them with their dirty laundry at the same time that **AIPAC** continuously **bribes** them, thereby securing Jewish dominion over the US Dollar, the world’s current reserve currency.

Conclusion. However one looks at Israel, it is a **scourge**, a **cancer** that needs to be dealt with.
