

Critical Conflict of Interest Questions for Ron DeSantis

KINDLY PROVE YOU ARE NOT A KEPT MAN—GROOMED BY THE
BRITISH PILGRIMS SOCIETY

By Anonymous Patriots

Jun. 16, 2022—Governor DeSantis' resume is just too short and too perfect.

His only unassisted accomplishment appears to have been baseball, which is probably how he landed a spot at Yale with a notoriously snobbish entry requirement outside family-blood, donors or sports.

He was magically catapulted from career Navy attorney to Governor.

After Yale, DeSantis' resume oozes with the hallmarks of interlocked secrecy and grooming.

Sep 14, 1978	Born to Ronald Daniel DeSantis and Karen DeSantis (née Rogers) in Jacksonville FL
	Attended a Roman Catholic elementary school and a public high school
1997-2001	Yale B.A.; baseball team, captain (2001); Delta Kappa Epsilon (ΔKE) (1997-2001); St. Elmo Hall (2001) aka Delta Phi (ΔΦ) secret society with Skull and Bones
2002-2005	Harvard Law JD; no distinguishing activities or writings
2004-present	U.S. Navy Judge Advocate General (JAG); Naval Special Warfare (2007), Seal Team legal advisor; Naval Region Southeast Legal Services (2008); Naval Reserve JAG; Lieutenant Commander (currently); pushed a legal pen in Iraq War; five perfunctory campaign medals (just for being there)
2007-2009	Federal Prosecutor, US Attorney, Middle District of FL; handled 33 cases total , all but 2 cases were criminal—none of these cases required more than a few hours each of work for DeSantis, mostly public defender opponents; no business cases
2012	114 th Congress, co-founder, Freedom Caucus
2018-present	46 th Governor of Florida

Despite DeSantis lack of work experience (other than as a blood sucking attorney), he has a 47-page Wikipedia biography (1+ pages per year of life).

At Yale, other than being a decent baseball outfielder, DeSantis was inducted into two of Yale's most notoriously secret societies, namely Delta Kappa Epsilon (ΔKE) and St. Elmo Hall (2001) aka Delta Phi (ΔΦ).

St. Elmo Hall is one of the "ancient eight consortium" of secret societies that includes Skull and Bones.

Tellingly, Wikipedia attempted to delete any record of DeSantis' membership in St. Elmo Hall *just in the last few days!*

On [Jun. 14, 2022](#) (Tuesday) DeSantis was listed as a member of St. Elmo Hall (secret society) at Yale, but the next day, [Jun. 15, 2022](#) (Wednesday) his name disappeared.

Harvard, Yale and Columbia have been notoriously known since the Revolutionary period for being British loyalists/monarchists. The Boston Brahmins since the early 1800's teamed with the Rothschild, Baring, London Assurance, Royal Exchange banks and insurers to finance opium and human trafficking with London as well as Boston banks. Columbia's original name was King's College (1754), named after King George II. Oxford and Cambridge University professorships and collaborations are thick as thieves.

Figure 1: Delta Phi (ΔΦ) fraternity logo. The Maltese Cross.

St. Elmo Hall at Yale was founded in 1889 in order to more closely align Delta Phi (ΔΦ) with the Knights of Malta. [St. Elmo](#) is the patron saint of the British colony and commonwealth of Malta (1813). St. Elmo is the patron saint of sailors.

The year 1889 was a seminal year for the British Empire.

Figure 2: (Feb. 09, 2013) Vatican celebrates Knights of Malta's 900 years. Photo: AP. Reproduced for educational purposes only. Fair Use relied upon.

1. Queen Victoria issued a royal charter to form the **Knights of Malta**, English priory in 1889 that enabled the Bank of England to begin dominating the Vatican Bank in financing global commerce and war. [Queen Victoria's](#) organizers (search: "Malta") of the charter were:
 - a. **Cecil Rhodes**, soon-to-be Privy Councilor ([1895](#)), progenitor of the Pilgrims Society
 - b. Three Rothschilds, namely:
 - i. **Lord Walter Rothschild**, Pilgrims Society co-founder
 - ii. **Baron Henry de Worms, Lord Pirbright**, a maternal Rothschild), appointed [Jan. 02, 1889](#) to Privy Council; Pilgrims Society co-founder, and

- iii. **Lord Rosebery**, a Rothschild by inheritance from [Hannah Rothschild](#), soon-to-be [prime minister](#), and [Pilgrims Society co-founder](#)
2. **DeBeers Consolidated Mines Limited** was incorporated in South Africa by Cecil Rhodes and Lord Rothschild.
3. **Cecil Rhodes** and **W.T. Stead** collaborate starting [Apr-Jul, 1889](#) re. secret Jesuit-styled society, “Society of the Elect” and “Round Table” with **Lord Rothschild.**, precursors to the Pilgrims Society (1902).
4. **British South Africa Company** was formed on [Dec. 19, 1889](#) by royal charter with Cecil Rhodes as its governor—the first new world order corporation

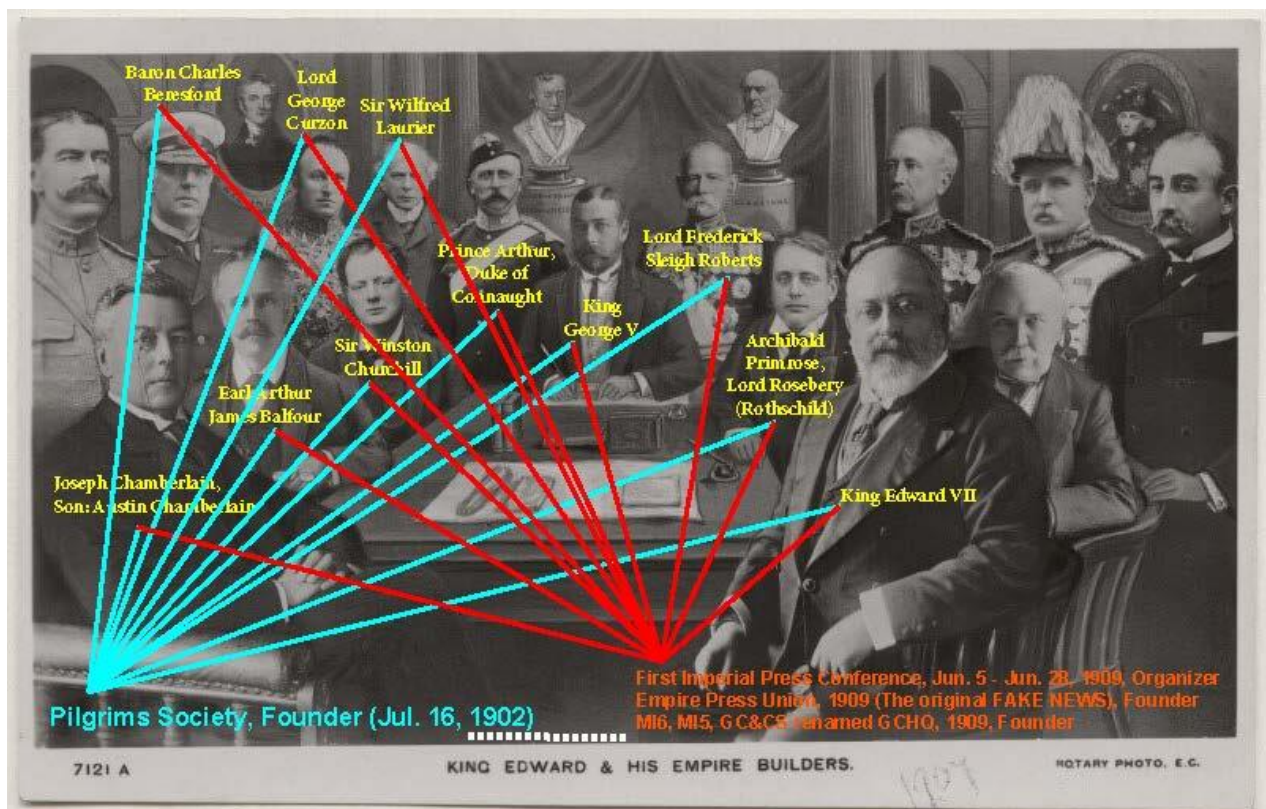

Figure 3: [King Edward & His Empire Builders. \(ca. 1907\)](#). First Imperial Press Conference, Jun. 5 - Jun. 28, 1909, Organizer Empire Press Union, 1909 (The original FAKE NEWS), Founder MI6, MI5, GC&CS renamed GCHQ, 1909, Founder. See original at the [National Portrait Gallery \(UK\)](#).

Much more can be said about this 1889 time period that was so formative to the new world order Anglo-America conspiracy.

The British government and bankers had begun heavily funding and promoting the [YMCA](#) and [Salvation Army](#) as debt slaves. They then deployed this cheap labor in their industries and mines throughout the Empire to replace the black and brown slaves they lost in abolition.

The intimate involvement of American robber barons like J.P. Morgan, Cornelius Vanderbilt, Andrew Carnegie, Elihu Root, John D. Rockefeller and “Boston Brahmins” opium and human trafficking in this British scheme for global hegemony under the banner of “Anglo-American” brotherhood is unmistakable.

Therefore, Ron DeSantis’ association with these British Pilgrims Society globalists is very concerning.

St. Elmo Hall is tightly connected with British Pilgrims Society notables including John Jacob Astor (a Pilgrims Society co-founder), John Pierpont Morgan Jr., James Roosevelt, Marvin Bush, Francis Irénée du Pont (gun powder for war, associated with Pilgrims Society co-founder Sir Alfred Mond—ICI, Zeneca, AkzoNobel), Arthur H. Bosworth—Royal Bank of Canada, William Edward Boeing.

Figure 4: St. Elmo's 2nd Tomb, at 109 Grove Street as it looks today. It was purchased by Yale and is used as annex housing for Timothy Dwight College.

In addition to Delta Phi ($\Delta\Phi$), DeSantis was a member of the Delta Kappa Epsilon (ΔKE) fraternity.

British Pilgrims Society and Skull and Bones members are rife within [DKE](#) (ΔKE) alums, including Granddaddy (Preston) Bush, Daddy (George H.W.) Bush, Baby (George W.) Bush, Gerald Ford, Dan Quayle, Sargent Schriever, Howard Heinz (John Kerry, Mellon Bank, Carnegie Institute), Robert Lehman, J.P. Morgan Jr., Frederick W. Smith (FedEx), as well as leading military-industrial complex corporations including Citi, Colgate-Palmolive, Honeywell, IBM, Kraft, NASDAQ

Interlocking Relationships and Secret Influences

Ron DeSantis needs to disclose any and all conflicts of interests that he has with the notoriously interlocking relationships highlighted herein.

Short of coming clean, we can only conclude that Ron DeSantis was *groomed* by the British Pilgrims Society, and that his *ongoing naval secrecy agreement is a muzzle* to prevent him from revealing the total control of the U.S. Navy by the British Admiralty and MI-6 for the Pilgrims Society.

Conclusion

If you are tempted to doubt that there is a serious problem for the American Republic with Ron DeSantis' undisclosed interlocking associations, consider these indisputable facts:

[On Nov. 11, 2002](#), the current governor of Virginia, [Glenn Allen Youngkin](#) (p. 20) became a founding director of British QinetiQ and facilitated initial investing by the Carlyle Group in this Queen's corporation headquartered just west of London, near the Pirbright Institute.

[On Oct. 24, 2006](#), former C.I.A. Director [George Tenet](#) was appointed QinetiQ director. He pledged to pursue the best interests of the United Kingdom and obey the Queen in its operations.

Figure 5: Skull and Bones, also known as The Order, Order 322 or The Brotherhood of Death, is an undergraduate senior secret student society at Yale University in New Haven, Connecticut. The oldest senior class society at the university, Skull and Bones has become known for its criminal members.

DeSantis' Navy boss Admiral Giamastiani is a traitor

The traitor Admiral Giamastiani was Ron DeSantis' boss in the U.S. Navy.

If one knowingly takes orders from a traitor, does that make that person a traitor also?

Perhaps this is all innocent and these conflicts of interest are all inadvertent?

Governor DeSantis has [sworn multiple oaths](#) to protect the U.S. Constitution. He also swore an oath at receiving his law license to uphold the [Rules of Professional Conduct](#). These oaths include avoiding impropriety and even the appearance of impropriety.

Does Gov. DeSantis think secret societies and his undisclosed interlocking relationships are compatible with transparent government?

Either Governor DeSantis is clueless about conflicts of interest as an attorney, in which case he has no business being in public service, or he fails to disclose these interlocking secret society relationships, for which he should be in jail for hiding them.

The only way out of this ethical dilemma is for Governor DeSantis to disclose. Now. Conflicts of interest are not illegal, but failing to disclose them is.

Governor DeSantis needs to fully disclose, immediately, his association with these secret, interlocking British Pilgrims Society relationships.

A special shout out to Wikipedia's history censors. By your sloppy work, you shined a spotlight on St. Elmo Hall (Knights of Malta), Delta Phi ($\Delta\Phi$), and Delta Kappa Epsilon (ΔKE) and their *interlocking relationships* with the British Pilgrims Society and Crown.

It should also be noted that Chief Justice John G. Roberts, Jr. is a Knight of Malta.

Questions for Ron DeSantis

In the 115th Congress, you were a majority member of the House Judiciary Subcommittee on Courts, Intellectual Property and the Internet.

Did you ever disclose to the public, protest, and introduce legislation to stop the **U.S. Patent & Trademark Office** paying over [\\$778 million](#) (since only 2015 to present) to British **SERCO** to handle all AMERICAN inventor applications since at least 2006?

British **SERCO** is managed by grandsons of Winston Churchill and controlled by the Monarch's "Golden Share" of 100% policy control?

You entered the U.S. Navy in 2004 to today and currently hold the rank of Lieutenant Commander in the Judge Advocate General's Corp of the U.S. Naval Reserve.

Are you currently subject to any **secrecy agreements** that prevent you from disclosing illegal acts occurring within the U.S. Navy and the government departments it serves?

Did you ever disclose to the public the [\\$4.5 billion](#) contracts awarded by the U.S. Navy to **SERCO**, Inc., a wholly-owned subsidiary of British SERCO and controlled by the British Monarch?

Did you ever disclose to the public the [\\$136 million](#) in contracts awarded by the U.S. Navy to **QinetiQ**, a wholly-owned subsidiary of British QinteiQ and controlled by the British Monarch.

Did you ever disclose to the public the [\\$34.2 million](#) in contracts awarded by the U.S. Navy to **British Aerospace** (BAE) to handle naval sea systems for inventory control.

Did you ever disclose to the public the [\\$100 million](#) contract awarded to **QinetiQ** to handle the U.S. Army's global inventory control?

Did you speak up when your former boss, Admiral Giamastiani, began advising QinetiQ in London, and arranging contracts with the U.S. Department of Defense, but subject to British secrecy, thus undermining U.S. sovereignty?

Governor DeSantis, why are you silent when a foreign power (Britain) is so thoroughly undermining the sovereignty of the American Republic?
