

“In the beginning of a change, the **PATRIOT** is a scarce man, and brave, and hated and scorned. When his cause succeeds, the timid join him, for then it costs nothing to be a **PATRIOT**.”

- Mark Twain

Military Aircraft Operations and Optics

The Military and Constitution Regulated Inauguration

Not one thing in the 98 pages below is an opinion. I am a United States Army Veteran, Retired, DV. I was a 14S, Air and Missile Defense, holding TS/SCI. I have a Bachelor's degree in Business from The University of Alabama and a Master's degree in Business Administration from Colorado State University, in which I finished with National Academic and Military Honors with a 3.8 GPA.

None of those mean anything except some people always want to know “how do you know this if...” and what follows behind the if is always something like “you weren't a Colonel, so, how could you know this.”

Also, no one needs to know where one served and what we did. War was not meant to be glorified or used as a resume builder. There's also no way for anyone to verify what kind of soldier one was.

Many soldiers join for salary, medical, housing, college, and retirement benefits not only for themselves but spouses and children. The average ASVAB score is a 31 in the Army... if you took a test right now on Military Law, Regulations, History and Constitution, about 75% of the military would be sent home. Many soldiers did not want to be on duty, much less war. But come home and act like freakin' heroes.

We know what we did. Those who did the most, talk the least about their service, missions, and medals. The soldier who talks and posts on social media about “my deployment” is a whoremonger and that’s not what service is about. That too has been misconstrued for the past 30 years or more.

The soldier who’s always talking about “when I was in Iraq” and “when I was deployed”... “I, I, I, I”... they are missing the point of SERVICE. Service is for the people. The people who are supposed to be doing their part as “we the people” to their Congress. Military is a separate entity once again with our own laws, rules, duties, and regulations. It’s those kind of soldiers who’ve misconstrued service to civilians and when Veterans who know UCMJ, Regs, Codes, Symbols try to talk to the civilians they’ve butchered service to, no wonder we receive the looks, reactions, and comments we do.

I had a Great Uncle, Purple Heart at Normandy... Some of his immediate family had no idea until they opened his cedar chest and found his DD-214 and the Medal. He never talked about those beaches. And he was a Marine. Marines today... are like people who do CrossFit or Vegans... you hear about it every 10 minutes.

All the wars from 1871 to present day are all Corporate Wars... Deep State, The Establishment, and money driven. And when the truth is all revealed, it will be a true great awakening. Corporate Wars are destructive to leadership, morals, standards, honor, and integrity.

It's amazing, it seems the better technology gets, the more lazy people seem to become. I enlisted with a degree. The reason that's important... It means something to Veterans and soldiers. I scored in the upper echelon of the Military, all Branches, on the ASVAB, and chose to enlist instead of going to Officer Candidate School or Warrant Officer School from the start. I enlisted to earn the respect and build experience for when my WOC packet was accepted (as it was), when I became a WO, I would have the respect of the enlisted soldiers I was asking to go into dangerous missions. They would know I'd been there before.

I had 9 Letters of Recommendation all from Colonels and Congressmen. The requirement at that time was only 3. Two months before selection, things took a turn. Those things earned the title Disabled Veteran and Wounded Warrior.

The point with all of the "I" in the above is to outline the fact I had the scores to become a General, but many Americans make comments as if someone who didn't serve in the "amount of time" they think in their minds could know what we know (when they know NOTHING about Military), or being a bucknut specialist couldn't know what a higher rank or officer knows, or not being a "Politician" or Attorney, is the very reason we are where we are. Those are lazy people who won't and don't read themselves, so when they're presented with this much information... they resort to condescending comments and attitudes.

Which is why we are where we are and it's also why the Military had to step in. It's because of career Politicians, Lawyers, and Judges (not ALL of them, but MANY) with their own agendas have butchered, used and abused their platforms, used and abused their duties and roles to society, misconstrued via reverse psychological rhetoric to twist the words, definitions, and premise of the key documents of our Nation, to fit their narratives and agendas, all while the public put TOO MUCH of their trust in these people to do their jobs, as people grew more and more ignorant, lazy, and blind to our very premise, origin, and foundation.

I never dreamt in all my life, that we would reach a point in this blessed Nation, where Veterans, who take Military History, the Uniform Code of Military Justice aka Military Law, Military Regulations, Military Optics, Military Operations, Military Symbolism, the Declaration of Independence, the Constitution, and combine those in the form of a 40,000 feet outline, of what everyone has witnessed visually and be called 'crazy', ridiculed, laughed at, deleted, blocked, etc.

But that's quite all right. It's not a popularity contest. It's life. Military is life and death everyday. If Americans only knew what happened in one day with every branch, they would have a LOT more appreciation for what we've all done that's worn those boots.

I'm personally sick and tired of "thank you for your service," but ZERO appreciation of what that service consisted of. The Military does not adapt to us. We adapt to it. We swear in under an **Oath to Support and Defend** the Constitution and obey the **orders** of the President and Officers *according* to **REGULATIONS** and the **UCMJ**. Military Law, Regulations, and the Constitution are not an opinion or my opinion.

Now, what I typed in my 6 series... were NEVER going to be revealed to you as I've revealed them to you. It's a CONTROLLED Covert Operation. Data shows 70% of #Mericans do not know anything about the Constitution, 75% cannot name the 3 Branches of Government, and 50% cannot take a blank map of the United States and fill them in... So, I DEFINITELY know no one would be able to handle the MASSIVE corruption and atrocities that's been classified for many, many years, via various levels of government (state and country) along with all of the many classifieds from multiple wars and conflicts PLUS Military life period.

We have been under Maritime Law since November 3, 2020, (via Executive Order in which you'll read below) and you better pray and hope to God we do not go to Martial Law, because all of those #Mericans who cannot handle *simple* facts from a Veteran with what's happening via Military Law and Orders... Those definitely won't like it when they are FORCED to listen to the Military and Veterans. Yes, we as Veterans can return to duty on Martial Law activation. Already been contacted.

Personally, outside of the fact many civilians would view it as a hostile takeover in the form of dictatorship, which goes against our origin and foundation, we would clean this *%&! up **VERY** quick and earn a LOT more appreciation for what many have done for 246 years.

Everything will be revealed to the public. The irony is, there's been things revealed every single day since January 2021, but most Americans are so used to "politics" that they cannot see the forest due to the trees. I've taken as much as I can via January 20, 2017, to present day via 'those things' people saw, but didn't realize it's a part of a Strategic Plan and a Covert Operation.

There will be some form of a General Assembly when the Operation is at a point of doing so and Americans are not only ready to hear the truth, but at a place where every single person has been humbled for help, wants to hear and will listen. Many hear, but don't listen. Many look, but don't see.

Which brings me back to my point. I wrote these 6 documents because I'm a retired Veteran, who was forced to retire due to multiple severe injuries I still deal with. I would still be in service had those not occurred. I wrote these because I have the capacity to attain and retain the information and piece it all together. I wrote these where the people who want to know, will read, and listen will have PEACE and COMFORT through the battle that the end goal will be victory.

The battle of gas prices, food prices, taxes, inflation, as they all reach unprecedented highs which affect mortgages, rent, vehicle notes, budgets and planning etc. etc. Look at something as simple as baby formula, yet, it's not simple to the parents or the elderly who need formula.

All of those combined where each segment and entity will affect someone's life... imagine if everyone of those would listen to a Veteran who simply lays out what's going on via Military Law, Regulations, and United States Law and Code, and explains the end goal and the why it's going to be controlled to a level of waking everyone up. It's nothing but a giant wake up call.

It's a giant wake up to remind Americans "no, things don't just work themselves out." We have a system for a reason. It's imperative ALL Americans understand how our Nation was founded, how we have the Government, how we have the system in which it operates, how we have the Courts in which were established, how we have the laws, and how Congress was set up, and how Congress works for you, not the other way around.

435 members of Congress have controlled 335 million Americans. Think of that. It's supposed to be 335 million citizens demanding those 435 who represent their towns, cities, states, going to session in "D.C." on their behalf. But no, as you'll read what happened in 1871 by U.S. LAW, the past 150 years have been nothing, but career politicians, lawyers, judges, doing what's best for the corporation, not civilians. It's going to blow your mind, if you'll open it.

The **only** service members who can reveal what's taking place are us *Veterans*. Anyone on Active Duty, National Guard, or Reserve Components, are sworn under Oath and would be a threat to National Security, and can face Courts Martial for Treason for revealing missions, as they are detrimental to those missions being run all over the world. However, nothing in the documents is Top Secret. Everything **visually** happened and is happening ***right in front of everyone***.

This isn't about being '*right or wrong*.' This is Military Law, Military Regulations, Military Symbolism, Military Optics, Military Codes, Military Customs, Military Etiquette... the Constitution comes a close second. Military can act WITHOUT Congress and anyone. Our Founders made that clear in the UCMJ and the Constitution of 1787.

IF all of the below, which visually happened *in front of everyone*, **isn't completed**... it will be the equivalent to all soldiers dying on the mission(s), ***dying in vain***. And that ***isn't*** going to happen.

Whether you're a Christian or not, the principle is still valuable. A preacher relative of mine made the comment some time back, "if God does not have an answer to all of the filth, selfish satisfactions, and the society we've seen, He will have to apologize to Sodom and Gamorrah."

Well, we have 800 plus Generals, their Divisions (Commands), plus a massive amount of us Veterans all in UNISON, and have been in control since October 2016, and we will stay in control until all of this filth is cleaned up. You can learn today, or you'll find out soon enough.

There's thousands and thousands of graves all over this Country, not just Arlington, where I'll be planted one day, who did not get to live their full lives for you to live yours. It's always been the names no one will remember in small numbers fighting for the masses.

So, anyone who thinks Veterans are “crazy” and all kinds of other terms for simply laying out the view of what’s happening via Military Law, Regs, Symbols, Operations, and the Constitution, just remember... those SOME that gave **ALL**... ALL of us that gave SOME... **are speaking on their behalf.**

Everything in my 6 series documents are a **40,000 feet view** as I take the UCMJ, Military Regulations, Military Operations, Military Codes, Military Symbolism, the Declaration, Articles of the Constitution, Executive Orders, National Emergencies, Presidential Emergencies, Presidential Acts, United States Code, and combine all of those in a visual and chronological form from January 20, 2017, to present day, to show you how LAW and ORDER the Military are in Control and President Trump is a War Time President in a Commonwealth Act style form of government.

I did not write the laws. I did not pass them. Amazing right? I’ve simply put them all in order from 2017 to present day all with the codes, optics, regulation, visualization, symbolization, etc. The Founders made our origin and foundation where the everyday American can understand. Contrary to popular belief, false narratives, and Deep State rhetoric, no one has to be a Politician, Attorney, or a Rhodes Scholar to read and interpret them.

One must simply **read, study, apply**. However, in order to know the ‘why’... you must first read the when, where, and how. Americans have gotten way too lazy, spoiled, and the attention spans need a major setback. Everyone wants a 10 minute explanation on a 150 year old problem.

I’ve made this VERY simple for you. Everything in the 6 documents have pictures and links to everything. As you read and come to a link... click on the link and read it before returning and picking up until you get to another link.

The links are there to allow you to see the actual Law, Order, Regulation, or Symbol.

Intro:

The **biggest misperception** to many, is the Military is a part of Government. That’s false. We are a separate entity. We have our own Law - the Uniform Code of Military Justice, Regulations, Branch Regulations, Symbolism, Branch Symbolisms, Roles and Duties.

Therefore the Military can act on their own. They can act without Congress. The Founders established this. When I say “the Military,” that means the Generals.

President Trump laid down code language on his 2016 campaign that was a “conspiracy theory” for over 60 years until then... This is a well known fact in the Military, over 200 Generals have said, “never again will we let happen to this Country what happened during JFK, when we get the chance to take over this Country and restore it back to the Republic.”

Hence why the JFK Files were kept closed in November 2021... when that truth is revealed... Many people won't be able to handle that truth. A few more things are going to take place here soon that's going to continue to wake Americans up.

I have buddies on these documents, one an 84 year old Marine and a Special Forces friend, who can give a lot more History, knowledge, optics, and stories not only for that, but many others through their many accolades and medals.

President Trump told Jeb Bush after a question Deep State Jeb asked... "Who will vote, support and back you?" And President Trump responded with "That's a loaded question, more than one question. One, the American people are tired of bullshit politicians like you. Two, I have over 200 Generals backing me right now."

When people hear 200 Generals... they only hear 200 individuals. He actually has over 800 Generals backing him... and that means 800 Generals **plus** their Commands. A Brigade can have anywhere from 3,000 to 7,000 troops. Not only does he have those... he has a fleet of us Veterans and Militias ready to rock n' roll.

Every single day since January 2021, there's been no less than 300 Military Aircraft in the skies. All Maritime, Nuclear, and Command Aircraft, as well as the National Guard operating in multiple states. As you read you'll understand why those are all not normal and not "training."

It's amazing to me that people will call a Veteran 'crazy' for simply showing Military Law, Military Regulations, and the Constitution and how they coincide.

The very first thing you do before you ship off to Basic Training is stand in your state capital and raise your right hand in a swear in room and repeat:

"I do SOLEMNLY swear to SUPPORT and DEFEND THE CONSTITUTION of the United States against **ALL** enemies, foreign **AND** domestic; that I will **bear** true faith and allegiance to the same; and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to regulations and the Uniform Code of Military Justice. So help me **God**." (**Title 10, US Code**; Act of 5 May 1960 replacing the wording first adopted in 1789, with amendment effective 5 October 1962).

Solemnly definition = serious and dignified.

Notice it's also very specific on structure. It says:

SUPPORT first then **DEFEND**.

Definition of **Support**:

1. To bear the weight of, especially from below; keep from falling, sinking, or slipping.
2. To bear or hold up (an amount of weight).
3. To keep from weakening or failing; give confidence or comfort to.

Definition of **Defend**:

1. To make or keep safe from danger, attack, or harm.
2. To engage in or be prepared to engage in battle to prevent (a population or area, for example) from being captured or occupied by an enemy.
3. To attempt to prevent the opposition from scoring while playing in or near (a goal or area of a field, for example).

Imagine that... who knew every word meant something? Why do we even have words if they do not mean anything?

According to **REGULATIONS** and the UCMJ.

Imagine that... What Regulations? LOL

And what is the Uniform Code of Military Justice? HAHA

I'd SURE love to see the civilians I know, who've NEVER served, who have called me and other Veterans crazy for simply laying out LAW and ORDER, join the Military, and tell ANY Commander or one in charge, the UCMJ is a crock of crap...

That would be EPIC and thoroughly satisfying.

"From the **oath**, you can see that you will be **defending the Constitution** -- *not a person*. Discipline and accepting orders is **sworn to**. Finally, you **vow** to face the UCMJ (**Uniform Code of Military Justice**) should any disputes arise." - **Military.com**

There's that UCMJ again... haha.

So where did the UCMJ come from?

The very first Military Branch was founded **June 14**, 1775, the United States Army. The Revolutionary War started April 19, 1775.

The Founders fought two months before establishing the Nation's first Branch of Military as they stated, "we need a swift army on the ground and army on the water." The Navy was founded shortly after on October 13, 1775, then the Marines, November 10, 1775.

The **Uniform Code of Military Justice** aka Military Law was passed on **June 30, 1775**, with 69 Articles of War to govern the conduct of the Continental Army.

The Declaration of Independence was APPROVED on July 4, 1776, but was written in **June 1776**.

However, no one ever stops to think that the war was one year in... and the Americans were already declaring VICTORY via this Document when the war did not end until **1783**.

There's absolutely **NO COINCIDENCE** the United States Flag was sworn into Congress, **June 14, 1777**.

No coincidence that 50 days later... The **First** United States Flag ever flown, took flight at Fort Stanwix aka Fort Schuyler (at that time) on August 3, 1777, and 3 days later, was in one of the BLOODIEST battles in the Revolutionary War during the Saratoga Campaign which started in **June 1777**. No coincidence Fort Schuyler is now the Fort Schuyler **Maritime** College.

At the Battle of Baltimore in 1814, Major George Armistead ordered "*a flag so large that the British would have no difficulty seeing it from a distance.*" It measured 42' x 30' and was known as the "Great Garrison Flag" and the "Star Spangled Banner Flag."

The resistance of Baltimore's Fort McHenry during bombardment by the Royal Navy inspired Francis Scott Key to compose the poem "**Defence of Fort McHenry**," which later became the lyrics for "**The Star-Spangled Banner**."

This is **nothing short** of a Monumental, Historical, and Biblical **Covert Operation** everyone has been witnessing and I'm glad to have played a small part in it while active duty 2012-2015 and still a part of the fight beyond my service.

Let's go, Americans!

BY SIGNING THE DECLARATION
OF INDEPENDENCE THE
FIFTY-SIX AMERICANS PLEDGED
THEIR LIVES THEIR FORTUNES
AND THEIR SACRED HONOR.

IT WAS NO IDLE PLEDGE----

NINE SIGNERS DIED OF WOUNDS
DURING THE REVOLUTIONARY
WAR FIVE WERE CAPTURED OR
IMPRISONED. WIVES AND
CHILDREN WERE KILLED, JAILED.
MISTREATED OR LEFT PENNILESS.

TWELVE SIGNERS' HOUSES WERE
BURNED TO THE GROUND.

SEVENTEEN LOST EVERYTHING
THEY OWNED.

NO SIGNER DEFECTED - THEIR
HONOR LIKE THEIR NATION,
REMAINED INTACT.

JOHN ADAMS

Here's what you have to understand:

We have our OWN Law in the Military = the Uniform Code of Military Justice. We have our own regulations, language, symbolisms, and terminology. It's a separate law, duty, role, and life from yours. The Constitution is the highest law in the land protected by the Military. The Founders made it that way.

The Military has always known and will always know EVERYTHING.

"We have it all. We've caught them all" - President Trump

Military = Generals = White Hats = Good Guys.

Through the Uniform Code of Military Justice which is the Military's Law, Military Regulations, Military Optics, Military Terminology and Language, The Constitution, The Declaration of Independence, The Powers of the President, Presidential Emergency Active Documents, Presidential Acts, Executive Orders, all bundled together because they coincide with one another, ALONG with guidance from the top most US and World Generals matched with the utmost and supreme, secure protection, is what ENABLED Trump to be the LEADER of this modern day Revolution.

In these series of 4 Documents, I'm going to show you when, where, how, and why the Military (Generals) and Trump are in charge in this overview:

1. Military Law is greater than Federal Law; the Founders of the Revolution established this.
2. The Revolution which brought about our Military, Declaration of Independence, the Constitution, Bill of Rights (now Amendments), all in that order.
3. President Trump's KEY Executive Orders.
4. Presidential Emergency Active Document activated.
5. President Trump declared a National Emergency in 2018.
6. President Trump and FEMA declared two National Emergencies in 2020.
7. **NO** President was legally confirmed on January 6th, 2021.
8. Insurrection Act of 1807 invoked January 6th, 2021.
9. Gold-Fringed Flag displayed January 6th, 2021.
10. Troops moving into D.C. and setting up fences around the Capitol Building and White House (OPTICS).
11. Invoking of Insurrection Act, Maritime Law, Troops moving into Territory of D.C., the President's Power
12. January 20th, D.C. becomes a Public Trial, President Trump receives 21 gun salutes, leaves on "Air Force One" with the Nuclear Football.
13. January 26th, 2021, The General that was named Commander of Pacific Theatre.
14. The Military - Pentagon Generals and World Generals - are making evil around the world show their colors to the American people and world - as President Trump said bold and loud.
15. Learning OPTICS.

What is actually taking place right now is a Covert Operation that's been years in planning.

All that is necessary for the triumph of evil
is that good men do nothing.

Q

The Constitution is the Highest Law in the Land.

Military was founded first, the Military protects it.

EVERYTHING below is nothing but
LAW AND ORDER.

The **Executive Orders** from January 20, 2017, to January 20, 2021, Military Law, Military Regulations, Military Operations, Military Optics, Military Code, Presidential Emergencies (PEADs), National Emergencies, Presidential Acts, via the Constitution, U.S. Law and U.S. Codes...

hold ALL of the answers to this Biblical, Monumental, Historical, Covert Operation.

First and foremost, it needs to be made clear, there's a difference in Constitutional Law prior to 1871, and post 1871.

There's plenty of career Politicians, Lawyers, and people who misconstrue, butcher, and twist the Constitution via reverse psychology and many other tactics or just straight up ignorance to fit their agenda and narrative... and **THAT** has been the downfall and problem with the United States and **THAT** is why the Military will once again save the day as we always have done and will do.

The general misconception is that any statute passed by legislators bearing the appearance of law constitutes the law of the land. The Constitution is the supreme law of the land, and any statute, to be valid, must be in

agreement. It is impossible for a law which violates the Constitution to be valid. This is succinctly stated as follows: "**All laws which are repugnant to the Constitution are null and void.**" Marbury vs. Madison 1803, 5 U.S. (2 Cranch) 137, 174, 176.

Here's how the Military is in control and President Trump is still in charge according to LAWS and ORDERS:

First thing you need to know is President Trump's monumental Executive Order 13848 signed in **2018**. Inside that Order **4 events** were outlined:

1. Declared a National Emergency. By Federal Law, National Emergencies must be addressed by that Congress. It was not addressed. Covid-19 was not mentioned until February 4, 2020, at the State of the Union Address, FIRST by President Trump, so, how did he know to issue a National Emergency in September 2018 to activate on November 3, 2020?

National Emergencies defined:

<https://www.govinfo.gov/content/pkg/USCODE-2020-title50/html/USCODE-2020-title50-chap34-subchapII-sec1622.htm>

War and National Defense:

<https://www.govinfo.gov/content/pkg/USCODE-2020-title50/pdf/USCODE-2020-title50-chap34-subchapterII-sec1622.pdf>

2. Declared Maritime Law. He specifically put the date of November 3, **2020**, as the activation date of Maritime Law on September 12, **2018**. If there's no such thing as Voter Fraud, which first became a topic in the 'news' in December 2020, then how did President Trump know to put the specific date of November 3, **2020**, inside the September **2018** Executive Order? #MilitaryIntel

Do you wonder why there's shortages everywhere? *Maritime Law* equals the **law of the Water**. *Maritime Law* is why no foreign goods will enter the United States as specified in the **13848 Order**, hence why the ships are guarded at the port cities and crates have not been delivered to warehouses.

Executive Orders = Automatic Law.

All it takes is a little reading:

Admiralty Maritime Law explained:

Chapter 1, Title 33 Code of Federal Regulations; Dept of Homeland Security:

<https://www.law.cornell.edu/cfr/text/33/2.32>

Convention of the High Seas:

https://en.wikipedia.org/wiki/Convention_on_the_High_Seas

National Ocean Service:

<https://oceanservice.noaa.gov/facts/lawofsea.html>

3 and 4. The Election Fraud Committee and Secretary of State. President Trump specifically put the dates of activation in which they would **report**. 45 days after November 3, 2020, which was **January 2, 2021**, and 45 days after that... which is **March 3, 2021**.

President Trump and FEMA declared **two** more **National Emergencies** in 2020 that also were also **never** addressed by that Congress.

Which is why on November 3, 2020, President Trump issued a **Presidential Emergency**, known as a **PEAD**, a **Presidential Emergency Active Document**. The **only** people who can know what's in that Document are the President and Military Generals. However, based on the Law and Order from 2017 up to that date along with Military Regulations, Optics, Symbolism, and Visual Operations... A Veteran or person like myself can tell you what's in that Document **based** on those up to that day.

Here's how 🗨️

President Trump signed the **National Quantum Act** on December 21, **2018**. Then signed **Executive Order 13885** (14 pages) called the **National Quantum Initiative** on August 30, **2019**, which is displayed in the 'About Section' on the Government site [Quantum.gov](https://www.quantum.gov) launched in September 2021.

17 of the 21 agencies of the National Quantum Initiative are **Military** Related Organizations.

The "mainstream media" started calling Veterans and people like me "conspiracy theorists" and QAnoners... and our posts come from the "Q"... I guess so... an active Government site with a "Q" in it 😊

President Trump ended the Air Force military space program and established the **Independent Space Force** in December **2019**.

DUE to the above and ALL Law and Order from January 20, 2017, the activation of those 4 bullets in **Executive Order 13848** with the key bullet: **Maritime Law**, on November 3, 2020, and the **PEAD** signed that day...

NO President was **legally** confirmed on January 6th, 2021, and **did not have to be**, because of the **unaddressed** National Emergencies from 2018 and 2020, Presidential Enhancement Act of 2019/2020, the Presidential Emergency Active Document, the invoking of the Insurrection Act of 1807 which are all **47 U.S. Code 606** titled **War Powers of the President**.

On Election Day, November 3, 2020, **4-Star General Nakasone** tweeted: "*as tens of millions of people head to the polls, @US_CyberCom and @NSAgov teams around the world are fully engaged, working hard with our partners to defend our elections. We took what we learned from 2018, and brought it to an entirely new level for #elections2020.*"

US_CyberCom = United States Cyber Command

NSA = National Security Agency

"**Took**" = past tense for that present day.

"**Around the world**" = Why do we need teams around the world for the Election in the U.S.?

Who was the President in 2018?

When was the independent Space Force established?

When was the Quantum Information System established?

Remember "Russia Collusion" which was all a lie and scam?

Remember the fake Russian Dossier?

What did we learn from **2018**? All of these brilliant Orders and Laws were written **before** Covid-19, before November 3, 2020 (Election Day), and before January 6, 2021, etc. *Imagine that.* Now re-read the 4 Star Generals tweet again and the **Optics**... let it sink in.

The Origin and Foundation of our Nation all came in this order: The Army, Military Law, Navy, Marines, Military Regulations, Military Symbolism, the Declaration of Independence, the Flag, the Constitution, the Bill of Rights, Marbury vs. Madison.

A little Military History for you. The very first Military Branch was founded **June 14, 1775**, the United States Army. The Revolutionary War started April 19, 1775.

The Founders fought two months before establishing the Nation's first Branch of Military as they stated, "we need a swift army on the ground and army on the water." The Navy was founded shortly after on October 13, 1775, then the Marines, November 10, 1775.

The **Uniform Code of Military Justice** aka Military Law was passed on **June 30, 1775**, with 69 Articles of War to govern the conduct of the Continental Army.

There's absolutely **NO COINCIDENCE** the United States Flag was sworn into Congress, **June 14, 1777**.

No coincidence that 50 days later... The **First** United States Flag ever flown, took flight at Fort Stanwix aka Fort Schuyler (at that time) on August 3, 1777, and 3 days later, was in one of the BLOODIEST battles in the Revolutionary War during the Saratoga Campaign which started in **June 1777**. No coincidence Fort Schuyler is now the Fort Schuyler **Maritime** College.

At the Battle of Baltimore in 1814, Major George Armistead ordered "*a flag so large that the British would have no difficulty seeing it from a distance.*" It measured 42' × 30' and was known as the "Great Garrison Flag" and the "Star Spangled Banner Flag."

The resistance of Baltimore's Fort McHenry during bombardment by the Royal Navy inspired Francis Scott Key to compose the poem "**Defence of Fort McHenry**," which later became the lyrics for "**The Star-Spangled Banner**."

So, choosing to kneel or sit down, not taking your hat off, or putting your hand over your heart... is a **disgrace** to **all** service members, but especially those who gave their life for you to live yours. The United States Flag represents the **MILITARY FIRST**... not the States.

Any service member, active or Veteran status, who tries to misconstrue or twist the Constitution to fit their personal narrative is a prime example of someone who had **no** clue why they 'served' this great Country. Service members benefit from steady salaries, housing, medical benefits, dental benefits, college benefits not just for themselves, but spouses and children. ALL supposed to be secondary to this Nation and Americans, and a PRIVILEGE. The **average** ASVAB (Military Entrance Exam) score for all branches is 31 to 36... Anything above a 50 with a minimum GT Score of 110 is the upper echelon of military. Guess who was in the latter? 🇺🇸

And that's ALSO why the Military and President Trump passed **Executive Order 13958**, titled **The 1776 Commission**. Is to not only restore the Republic, but also make the EDUCATION of our History, Origin, and Foundation center of this Nation and the Military as well. It's an atrocity and DISGRACE to all of the soldiers who GAVE ALL, paying the ultimate sacrifice, and to those of us who live and breathe our Nation's origin and history, preserving and passing those forward to those who understand all of what it takes to keep the United States what they were originated to be.

"J6"

January 6th, 2021, was not "Biden" vs. President Trump. January 6th is a Constitutional process in many steps our Founders established to be sworn in as President.

The other January 6, the January 6th the mainstream media focused on and 99% of you did as well, aka "J6 Committee"... The one they're still telling you those were 'Trump supporters'... That will soon be revealed. That was an actual FBI setup and a part of the corporation desperate measure to create chaos and confuse Americans even more.

Majority of you Americans never cared to question or notice how the "Capitol Police" did not make any attempts to stop the "mob." Or that the Rotunda doors weigh 20,000 lbs each and have a magnetic key and code that have to be unlocked from the INSIDE.

Everything from November 8, 2016, to present day are ALL **Military Optics**. Had that been a true President "Trump" or "conservative" crowd... they'd be cleared by something we call the "Declaration of Independence"... Just in case you've never heard of it... it reads:

"Whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness."

Imagine that... the same way our Founders broke from the British Parliament... They started the Revolutionary War that lasted 8 years (1775 to 1783). The British revolted in 1812... ended in 1814, as we kicked their butts again.

DUE to Law and Order from January 20, 2017, the activation of those 4 bullets in Executive Order 13848 with the key bullet: Maritime Law, on November 3, 2020, and the PEAD signed that day, NO President was legally confirmed on January 6th, 2021... and did not have to be.

Because everything from Nov. 3, 2020, to that point started the final installation of the Covert Operation via the Constitution and President Trump's 1776 Commission (activated March 2, 2021; not a coincidence 2 days before the original Inauguration date, March 4).

President Trump laid down code language through symbolism throughout the 2016 campaign to January 2021.

He said, "We have it all. We've caught them all. The crimes and evidence will be displayed to the public in full accordance to the LAW."

He also said, and I paraphrase, "Never again will we announce to our enemies our Military Operations and Strategies, if you want to know, you can join."

When the United States was sold back to England in the Treaty of 1871, signed by President Ulysses S. Grant, (*Stoutenburgh v. Hennick*, 129 U.S. 141), the District of Columbia aka "D.C." became a **Foreign Territory**.

The Military recognizes D.C. as a **Foreign Territory**, not a state, not a city, but a *foreign territory*.

The **Seal of the District of Columbia** features the date 1871, recognizing the year the district's government was incorporated.

When National Guard Troops left their states and went to D.C., it was a deployment, as it reads in the **Insurrection Act of 1807**.

There's only **ONE** person who can activate the National Guard to Federal Duty... that's the:

President of the United States.

47 U.S. Code 606 titled *War powers of the President* reads:

"The President is authorized, whenever in his judgment the public interest requires, to employ the armed forces of the United States to prevent any such obstruction or retardation of communication: Provided, That nothing in this section shall be construed to repeal, modify, or affect either section 17 of title 15 or section 52 of title 29."

47 United States Code 606:

<https://www.law.cornell.edu/uscode/text/47/606>

January 6 and January 17 = employ the armed forces of the United States.

"Upon proclamation by the President that there exists war or a threat of war, or a state of public peril or disaster or other national emergency..."

Executive Order 13848 = National Emergency

Two National Emergencies issued in 2020

November 3, 2020 = National Emergency

Closing of Facilities; Government use of Facilities:

"The President, if he deems it necessary in the interest of the national security and defense..."

Why did the National Guard and Reserves place Fences (facing inwards = prison) around the Capitol building? And why did the "Biden Administration" build REPLICAS of the press room, oval office, etc.?

Not only did President Trump have full authority through the Powers of President according to the Constitution to do so, and did so on January 17, 2021, he also wrote in Executive Order another authorization.

On **April 30, 2020**, President Trump signed **Executive Order 13919** that gave the Secretary of Defense authorization to make approvals to activate Reserve Components of the Military.

On January 6, 2021, Defense Secretary Christopher Miller approved up to 6,200 National Guard troops to support civil authorities in the District of Columbia for up to 31 days under Title 32, 502(f) authority.

If they were there for the "inauguration" then why did they stay up until March 3, 2021?

No coincidence. All part of **The Plan**.

June 2022 Optic drop:

The activation of the National Guard to Federal Duty signified the invoking of the **Insurrection Act of 1807**.

Insurrection Act of 1807 reads:

The Act empowers the President of the United States to deploy U.S. Military and federalize National Guard troops within the United States in particular circumstances, such as to suppress civil disorder, insurrection, or rebellion.

Interesting.... the soldiers did not arrive in D.C. until January 17, 2021, not January 6. The activation of Troops had NOTHING to do with January 6.

The President also has full and direct control of the United States Marines, via Marine Law of 1834, as it reads: "*can be used for other duties as the President may direct...*"

Speaker of the House Nancy Pelosi when she said on mainstream news in January 2021, after the FBI setup "insurrection," she was putting National Guard troops in D.C. for the 'protection of the "Inauguration."

Since when does the Speaker of the House hold Military rank?

Do you really believe Generals take orders from a House Representative? LOL

Nancy Pelosi, March 9th, 2021:

<https://www.youtube.com/watch?v=QnZmtGQz7Gk>

A LOT of Optics in this video.

One, the date. March 9th, 2021, "Pelosi" is still talking about the National Guard in the District of Columbia staying as long as needed.

Why?

Why would we need 30,000 plus troops in D.C.?

Two, the 'security folks'... The only person who can activate the National Guard and give them order is the PRESIDENT.

Generals take orders from the President. There's a ranking system for a reason.

Three, *"but I'm not in a position to respond to that."* No, no she's not. She should not even be in a Press Conference addressing ANY of this.

"The crimes and evidence will be displayed in public to the world and they will be punished in full accordance to the law."

Four, *"National Security expertise"*... LOL The #1 role of the President is National Security... This is a line where they use reverse psychology and use words of our Government out of context.

Every single Executive Order, Emergency issued, and Military activation ALL prior to January 6 was DUE to NATIONAL SECURITY

Five, *"but I have enormous respect for General..."* Who did the General take his orders from?

If a General goes against his Commander-in-Chief, that's a violation of the the Uniform Code of Military Justice and the Constitution via U.S. Codes.

On January 20th, 2021, the mainstream media told you "Trump stepped down." He did no such thing. The mainstream media completely avoided Law and Order from January 20, 2017, to Nov 3, 2020.

So, by November 3, 2020, 11:59:59 PM, all media who had reported illegal propaganda are being held by the Military to complete their Treason, Fraud and Crimes Against Humanity.

They still are to this date. They have to continue visually being seen by the American public violating the same Constitution via U.S. Codes which also apply to them and 2023 Military Tribunals will show their crimes.

Where was President Donald Trump on January 20th? He dang sure wasn't at an optical "inauguration." because of his LAW and ORDER from 2017 to that present day, and his code language from Nov. 3, 2020 to that day.

And because of that... It was President Trump who received the **Constitutional and Military Regulated Inauguration.**

Receiving a **21 gun salute** by the official **Presidential Salute Battery** known as the 3rd U.S. Infantry Regiment Division aka The Old Guard, official "Hail to the Chief" by the marching band, a Red Carpet Rollout, with **17** Gold-Fringed Flags, and left on Air Force One #28000 with the Nuclear Football.

The official **Presidential Salute Battery** who gave President Trump the 21 gun salute:

The motto of the battery, "The Highest Honor," has a dual meaning. First, it refers to the 21 – Gun Salute commonly fired by the PSB.

It is **universally** recognized as the **highest military honor** that can be **rendered.**

Presidential Salute Battery:

<https://oldguard.mdw.army.mil/specialty-platoons/psb>

It's also Regulation to accompany a 21 Gun Salute with "**Hail to the Chief**" as President Trump received to top off the full Military Regulated and Constitutional Inauguration.

As well as the **United States Air Force Band**: https://en.wikipedia.org/wiki/United_States_Air_Force_Band

"Biden" was given a **Military Funeral** at the Tomb of the Unknown Soldier. He received **11 fired rounds** (not a Salute) by a **3 piece volley**.

Military Funeral for "Biden" at the Tomb of the Unknown:

<https://www.youtube.com/watch?v=yNGdi1BTdkU>

This crew cut the video off to make viewers think it kept going:

<https://www.youtube.com/watch?v=UJprRLYcteA>

Only **3 pieces** of artillery; 2 firing, one for misfires. The firing of **three** rifle volleys (rounds) over the **graves** of **fallen armed forces members** and **political leaders** can be traced to the European dynastic wars, when fighting was halted to **remove the dead and wounded**.

This is not a 21-gun salute, nor any other type of "gun salute." The firing team can consist of any number, but one usually sees a team of eight, with a noncommissioned officer in charge of the firing detail. Whether the team consists of three or eight, or ten, each member fires three times (three volleys).

The number of guns does not mean it's not official. It's the numbers fired that matters. "Biden" received an 13 gun salute, this means via gun salute regulations:

Number of guns	Recipients
21	<ul style="list-style-type: none">• The President of the United States, former Presidents and Presidents-elect.• Foreign heads of state, heads of government and reigning monarchs.
19	<ul style="list-style-type: none">• Vice President of the United States, Speaker of the House of Representatives, President <i>pro tempore</i> of the Senate, Chief Justice of the United States, Members of the President's Cabinet.• Governors of a U.S. state, the Secretary of Defense, the Deputy Secretary of Defense, the Secretary of the Army, the Secretary of the Navy, the Secretary of the Air Force, the Chairman of the Joint Chiefs of Staff, the Chief of Staff of the Army, the Commandant of the Marine Corps, the Chief of Naval Operations, the Chief of Staff of the Air Force, the Chief of Space Operations.• General of the Army, Fleet Admiral or General of the Air Force and Ambassadors, High Commissioners, and others whose credentials are at least equivalent to those of an ambassador.
17	<ul style="list-style-type: none">• Governor-General or Governor of a Territory, Commonwealth, or Possession of the United States or an area under U.S. administration, Committee of Congress, Assistant Secretaries of Defense, General Counsel of the Department of Defense, Under Secretaries of the Army, Navy, or Air Force.• Admiral, General.
15	<ul style="list-style-type: none">• Envoy Extraordinary and Minister Plenipotentiary.• Vice Admiral, Lieutenant General.

7	Consuls accredited to the U.S. Vice-consuls when in charge of a consulate.
5	Vice-consuls and consular agents.

Well, he sure as heck isn't a Rear Admiral or a Major General, therefore he is a Minister Resident:

A government official required to take up permanent **residence** in *another country*. A representative of his government, he officially has diplomatic functions which are often seen as a form of *indirect rule*.

The District of Columbia became its own territory (country) by United States Law and is recognized as a foreign territory aka *another country*.

Resident Minister definition:

https://en.wikipedia.org/wiki/Resident_minister

Indirect Rule:

Some British colonies were ruled directly by the Colonial Office in London, while others were ruled indirectly through local rulers who are supervised behind the scenes by British advisors.

Indirect Rule meaning:

https://en.wikipedia.org/wiki/Indirect_rule

Although it's all Symbolism and Optics, since "Joe Biden" is an actor, as well as many others, hence why the National Guard and Reserves placed fences around the Capitol building signifying a Public Trial as the fences faced inwards.

Friendly Reminder:

Sing it with me... "One of these Joe's is not like the other... one of these Joe's is in Gitmo"

The 21-gun salute is sometimes confused with the tradition of firing three volleys of rifle fire at a military funeral. This technically is NOT a 21-gun salute, but instead refers to a different tradition established during the European dynastic wars from 1688 to 1748.

During these conflicts, fighting was commonly halted on the battlefield to clear the dead. Once the dead were removed, three rounds would be fired to indicate that fighting should resume.

There's so many Optics in this one article from above, it's B-eautiful!

Optics: <https://usdefensestory.com/president-trump-departure-at-joint-base-andrews/>

All of which are **Optics** for those of us who know Military Law and Regulations:

"President Trump delivered his official farewell address, a recorded online video, the day before the inauguration. Without naming "Biden," he referred to the "inauguration of a new administration", saying that "we pray for its success at keeping America safe and prosperous."

"A New Administration" = His 46th Administration = The Military = Maritime Law = **Optics**.

"Signifies the end of HIS term AS 45th President" = **Optics**.

Why not just "end his term as President?"

He never conceded. He didn't have to due to the UCMJ , the Constitution, and LAWS and ORDERS from January 20, 2017, to that day.

17 Gold-Fringed Flags = 17 Military Agencies in the National Quantum Initiative = President Trump's Executive Order 13885 = Optics.

17 Agencies:

<https://www.quantum.gov/about/#AGENCIES>

"Air Force One IS a term that applies to any U.S. Air Force aircraft carrying THE President." = **Optics**.

He is the only President in History to leave office on Air Force One after 12 PM EST. Due to the Constitution, 20th Amendment, a President's term is over at 11:59:59 AM EST.

Mainstream Media reported he left at 11 AM EST carrying THE President on Air Force One to south Florida. "THE" President is *present tense*.

It's Optics because of the ceremony taking place *prior* to taking flight. The ceremony was Military and Constitutionally Regulated.

They told you who would be carrying the President because both Air Force Ones were there; one grounded, the other taking President Trump to Florida after 11:59:59 AM EST.

"ALL Branches of the Armed Forces including National Guard and Reserves." **Optics.**

And THE best **OPTIC** out of the whole article:

"Provided ceremonial support during the INAUGURAL period."

Bet you didn't notice in one of the photos... both Air Force Ones , #28000 and #29000 in one shot... in the article:

President Donald J. Trump and Melania Trump, first lady, depart Joint Base Andrews, Maryland, on Air Force One for the final flight Jan. 20, 2021. The Trumps flew to Florida to start their post-presidential life. (DoD photo by U.S. Air Force Tech. Sgt. Logan Carlson)

Too bad they didn't delete that article haha!

It gets better... or dumber... not sure which one yet... Every President-Elect has been flown in by Air Force One. The world told "Biden" flew into "D.C." on a regular aircraft.

Biden and his charter Jet:

So, let me get this straight... a man who's been a Senator for 36 years, VP for 8, "got the most votes" in United States History and never left his basement... did not get the "Presidential-Elect" flight into D.C... but his FIRST flight ever as "President" was in Air Force Two? **LOL**

But *now* "he's" "flying" in Air Force One #28000... the same one shown at Joint Base Andrews with President Trump on January 20, 2021, that was grounded and clearly available for use for the "President-Elect" with the "most votes" in United States History? **LOL**

It was a staged event in Culver City, California. It was not the District of Columbia. Which is also why the "Biden Administration" built **replicas** of the **Oval Office** and the **James S. Brady Press Room** and why there's fences around the actual Capitol... to this very day...

Fake White House:

<https://www.foxnews.com/politics/truman-show-presidency-biden-ridiculed-for-using-fake-white-house-set>

By **U.S. Constitutional Law**, "Biden" had to **visually** be seen by the public **illegally** accepting the nomination as "President," and **visually** be seen by the public **illegally** being "inaugurated" in which was **AFTER** January 6th, the Constitutional process, which **completed** **Treason, Fraud, and Crimes Against Humanity** via the **Constitution via U.S. Codes**:

18 US Code 2384
18 US Code 2381
18 US Code 115
18 US Code 2385
3 US Code 15
52 US Code 20511

Completed. Checkmate.

Americans are watching Congress and Media complete their treason, fraud, and crimes against humanity via those same codes, as the fence around the Capitol Building made D.C. a **Public Trial**, as President Trump said, "the crimes and evidence will be displayed to the public in full accordance to the LAW."

During the optical "inauguration," the **Commonwealth Act Number 671** puppet did **NOT** receive a 21 gun salute just a '*moment of silence*' all of which was held at **10:00 AM EST** as "Biden" took "Oath" at **11:52 AM EST** which is a **violation** of the **Constitution via the 20th Amendment**

"Biden" as it shows on White House GOV 11:52 AM EST speech:

<https://www.whitehouse.gov/briefing-room/speeches-remarks/2021/01/20/inaugural-address-by-president-joseph-r-biden-jr/>

The Constitution is **VERY** specific. The Constitution via the 20th Amendment specifically says the President's four year term is to **start** and **end** at **Noon** on January 20th.

20th Amendment:

<https://constitution.congress.gov/constitution/amendment-20/>

The National Guard and Reserves were activated January 6, 2021, and arrived in the District of Columbia on January **17**, 2021, and stayed until **March** 2021.

Zero coincidence Executive Order 13848 activation dates were all November 3, 2020, Election Day, January 2nd, 2021, just 4 days before Executive Order 13919 activated Reserves on January 6, 2021 which is what prompted the action and need to do so via National Emergency.

Zero coincidence the original Inauguration date in United States History was **March 4**.

Zero coincidence the White House Press Secretary was founded **March 4**, 1929.

Zero coincidence the last President inaugurated on **March 4** in United States History was Franklin D. Roosevelt who served FOUR terms (13 years) due to **WAR POWERS of the President (47 US Code 606)**.

Zero coincidence the **Commonwealth Act Number 671** via United States Law made it necessary to invest the President with extra-ordinary powers in order to meet the resulting emergency in the Philippines on December 16, 1941. Meaning their President went into exile, while the rest of the world saw an actor aka puppet in Presidential form while the actual President was safe in an unknown location in charge of his Nation.

Absolutely **ZERO COINCIDENCE** that the Powers of the President are outlined in **47 U.S. Code 606** titled **War powers of the President** reads:

47 United States Code 606:

<https://www.law.cornell.edu/uscode/text/47/606>

"The President is authorized, whenever in his judgment the public interest requires, to employ the armed forces of the United States to prevent any such obstruction or retardation of communication: Provided, That nothing in this section shall be construed to repeal, modify, or affect either section 17 of title 15 or section 52 of title 29."

January 6 and January 17 = employ the armed forces of the United States.

*"Upon proclamation by the President that there exists war or a threat of war, or a state of public peril or disaster or other **national emergency**..."*

Executive Order 13848 in 2018:

Issued National Emergency for Nov 3, 2020

Two National Emergencies issued in 2020

In Closing of Facilities; Government use of Facilities:

*"The President, if he deems it necessary in the interest of the **national security** and defense..."*

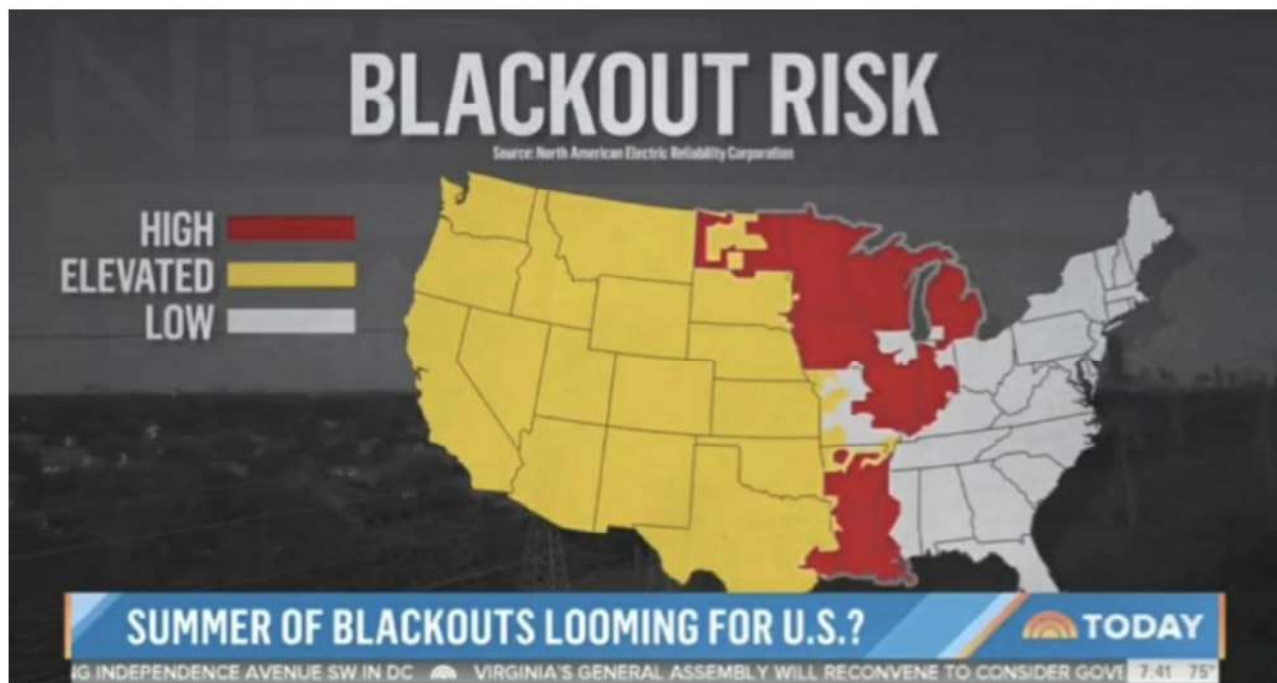

Why did the National Guard and Reserves place Fences (with barbed wire facing inwards; Optics replicates a **prison**) around the Capitol building?

And why did the "Biden Administration" build **REPLICAS** of the press room and oval office, etc.? They've been operating fine ALL of these years until now? If I don't know what I know via Laws, Orders, Regulations and Customs... then why?

Why did the National Guard and Reserves place Fences (facing inwards = prison) around the Capitol building? And why did the "Biden Administration" build **REPLICAS** of the press room, oval office, etc.?

Everything you've witnessed since the latter are distractions while the Military cleans up the world.

Here's an **Optic** article from the Military Times in June 2018 telling you that the Army would be fighting a different fight soon **in Megacities**.

No coincidence ladies and gents.

Army is Spending Half a Billion:

<https://www.military.com/daily-news/2018/06/24/army-spending-half-billion-train-troops-fight-underground.html>

June 24, 2018:

*"U.S. Army leaders say the next war will be fought in mega-cities, but the service has embarked on an ambitious effort to prepare most of its combat **brigades** to fight, not inside, but **beneath** them."*

Do you know how big a brigade is?

Average of 3,000 to 7,000 troops.

Do you know who the commander of a Brigade is?

A General.

Beneath: most Americans would NEVER dream of all of the tunnel systems in the U.S. and World.

Especially under the White House and Capitol Building...

"For this new type of warfare, infantry units will need to know how to effectively navigate, communicate, breach heavy obstacles and attack enemy forces in underground mazes ranging from confined corridors to tunnels as wide as residential streets."

Soldiers will need new equipment and training to operate in conditions such as complete darkness, bad air and lack of cover from enemy fire in areas that challenge standard Army communications equipment."

A New Priority

"The Army has always been aware that it might have to clear and secure underground facilities such as sewers and subway systems beneath densely-populated cities."

Here's some heavy key **Optics** in the article:

*"**But** the Pentagon's new focus on preparing to fight peer militaries such as North Korea, Russia and China changed all that."*

Referring to the Pentagon before President Trump.

*"Underground tunnels and facilities are often lighted, but when the lights go out, soldiers will be in total **darkness**."*

Where were the whining Americans during the blackouts in India, Italy, and many other countries in 2021?

Anyone who knows me... I posted and commented about it numerous times when they happened.

Mainstream media has to tell other things. The Military is in control and they're going to keep everything dark until they clean out the world until it's time to reveal it to everyone.

As you'll read in **Part Two**: "What's REALLY Happening in Ukraine"...

You'll know that Russia is our ally and not the bad guy.

As of today, **June 13, 2022**, the U.S. Department of Defense, admits there's **46** U.S. Military Funded Biochemical Labs in Ukraine.

Department of Defense BioLabs:

<https://www.youtube.com/watch?v=paLmy0Bbh2A>

Those were Obama Administration and Bush Administration funded laboratories.

Who was Obama's Vice President again?

Funny how people quickly forget about comments like Mitt Romney in **MARCH**...

"Back in March, RINO Senator Mitt Romney accused former Democrat Rep. Tulsi Gabbard of spreading 'treasonous lies' for simply talking about the US-funded biolabs in Ukraine."

"There are 25+ US-funded biolabs in Ukraine which if breached would release and spread deadly pathogens to US/world." Gabbard said on Sunday.

Dept. of Defense Comes Clean and Admits:

<https://www.thegatewaypundit.com/2022/06/us-department-defense-finally-comes-clean-admits-public-document-46-us-funded-biolabs-ukraine/>

Deadly pathogens? Perhaps... biochemical warfare such as "Covid-19?"

Although as you'll read in Part Two, in **March**, Under Secretary Victoria Nuland (formerly with Obama Admin; who was the VP?) **had already admitted** in **March 2022**, there were U.S. Funded Military Biochemical Labs in Ukraine...

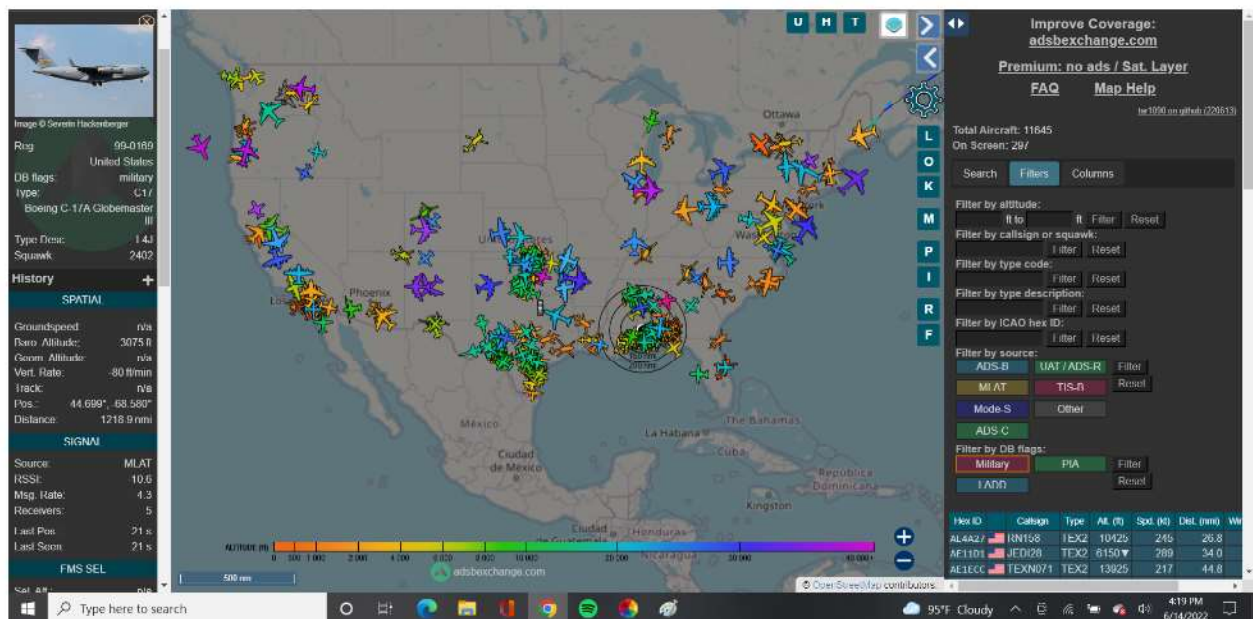

The very SAME day, mainstream media filled the Facebook timelines, iPhone Gmail Accounts, and people read "there's no such thing"...

There's the "Biden Admin" appointed Under Secretary admitting there were and the media, Mitt Romney, and the RINOS of all facets told you there weren't any...

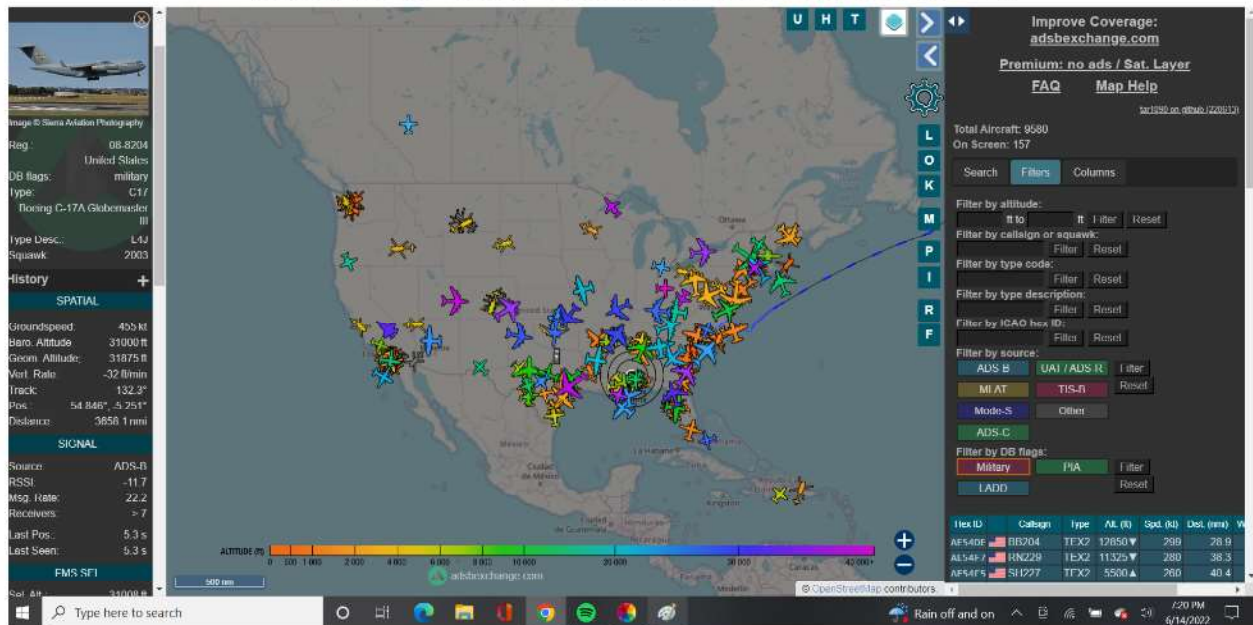

It's a script. The Military is making all evil players visually and illegally violate the U.S. Codes in front of you the public.

Ever since January 2021, there's been NO LESS than 300 military aircraft in the sky daily, all around the world, running missions and operations.

This is **June 14, 2022**, U.S. MILITARY flight radar live:

That's just the United States alone. Here's at 7:00 PM CST:

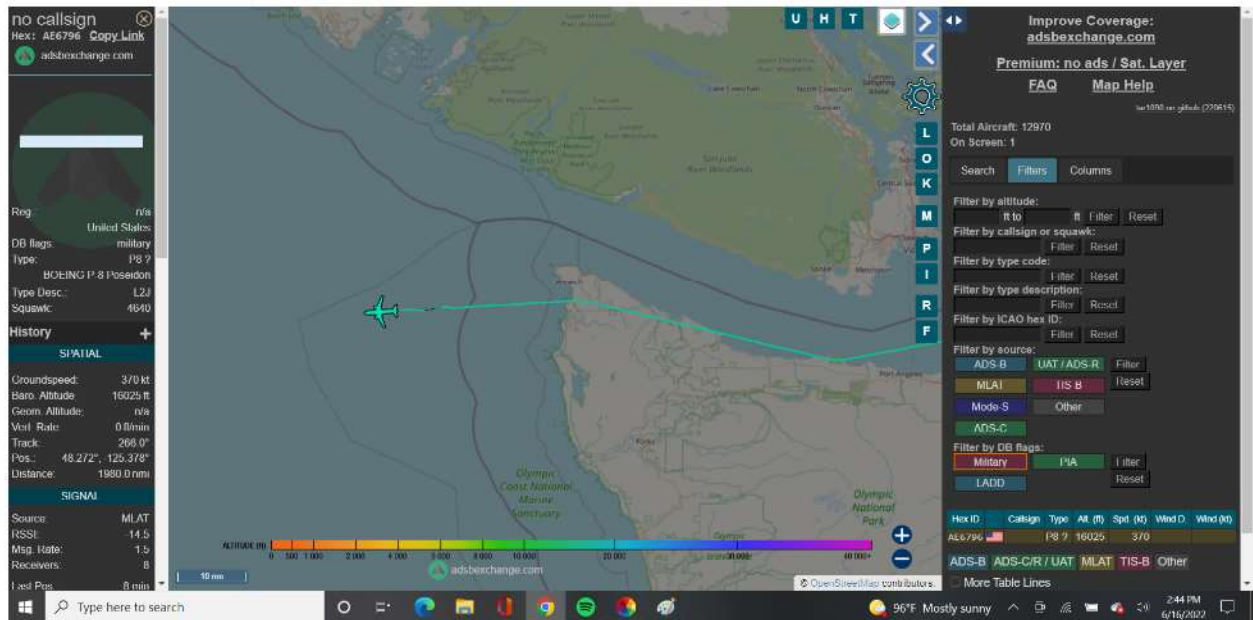

Many of those are Globemasters, Hercules, Stratotankers, which all cost \$70,000 per hour to operate. Fighter Jets are \$25,000 to \$35,000 to operate per hour. The Doomsday Plane, the Nightwatch, the Joint STARS, are all in the \$100,000 per hour plus range.

Maritime Law was put into President Trump's Executive Order 13848 to activate on November 3, 2020. Maritime Law means 'no foreign goods to enter the United States.'

Because this is a Covert Operation, it also means our Allies are operating under Maritime Law as well. Hence the recent article about Russia blockading the Black Sea.

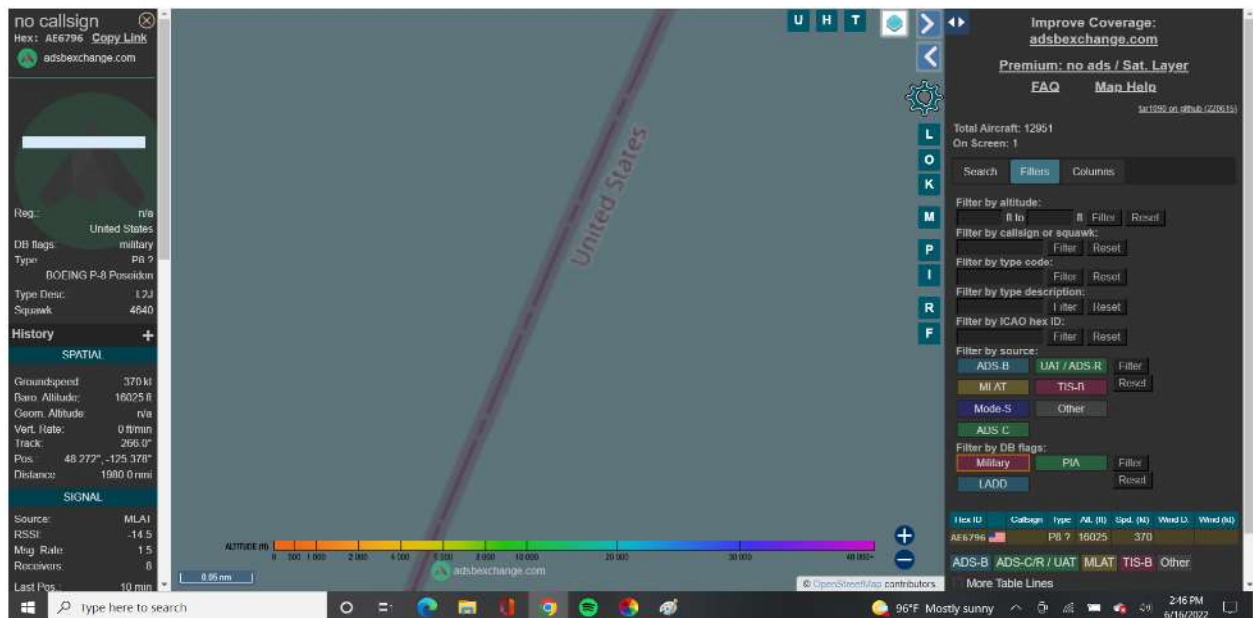

Guess what we have? We have Maritime Planes. The P-8 Poseidon is one.

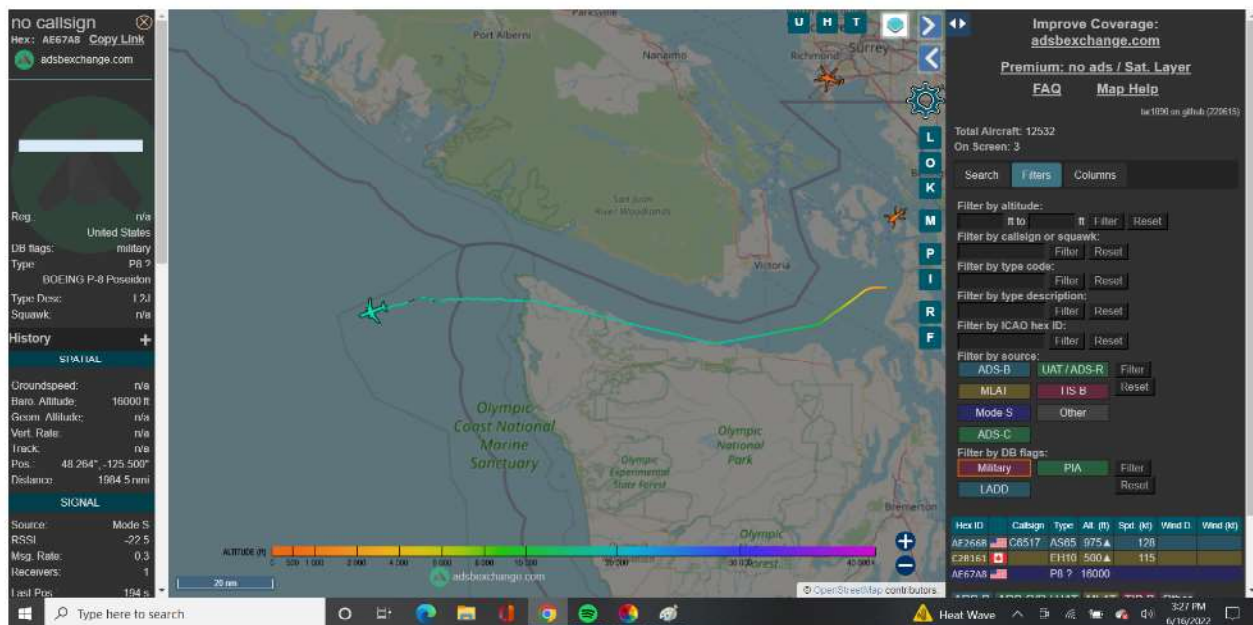

June 16, 2022:

That first faint gray line close to the shoreline of Washington state, is the Maritime Border for the state of Washington.

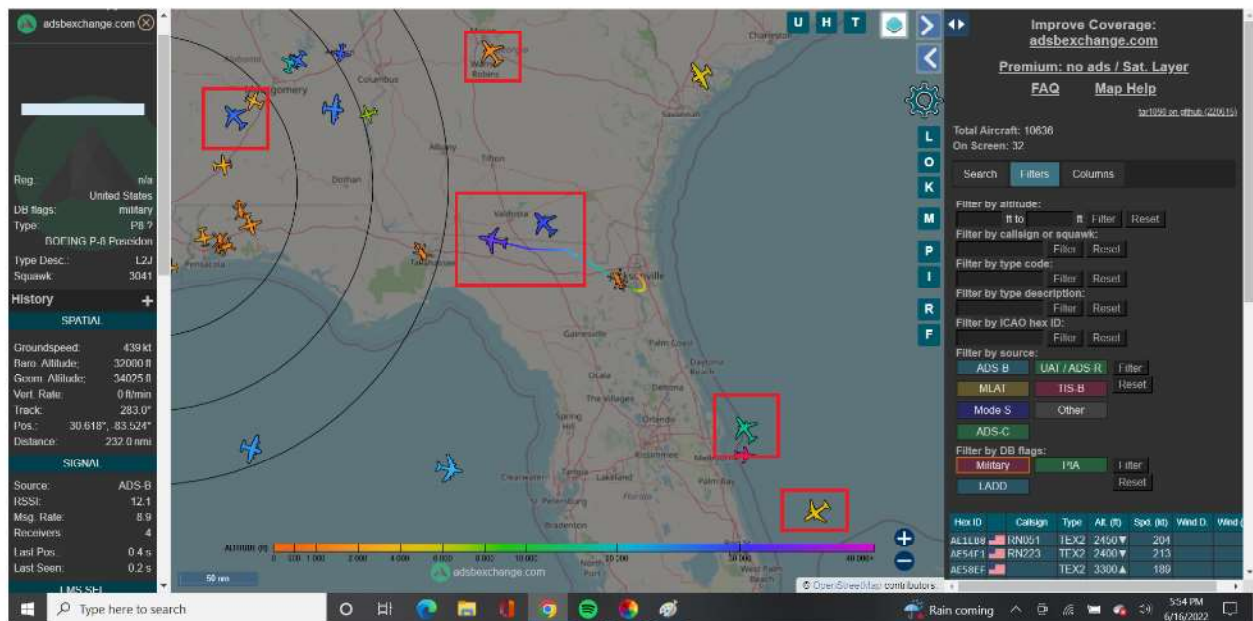

That darker gray line is the United States Maritime Law border.

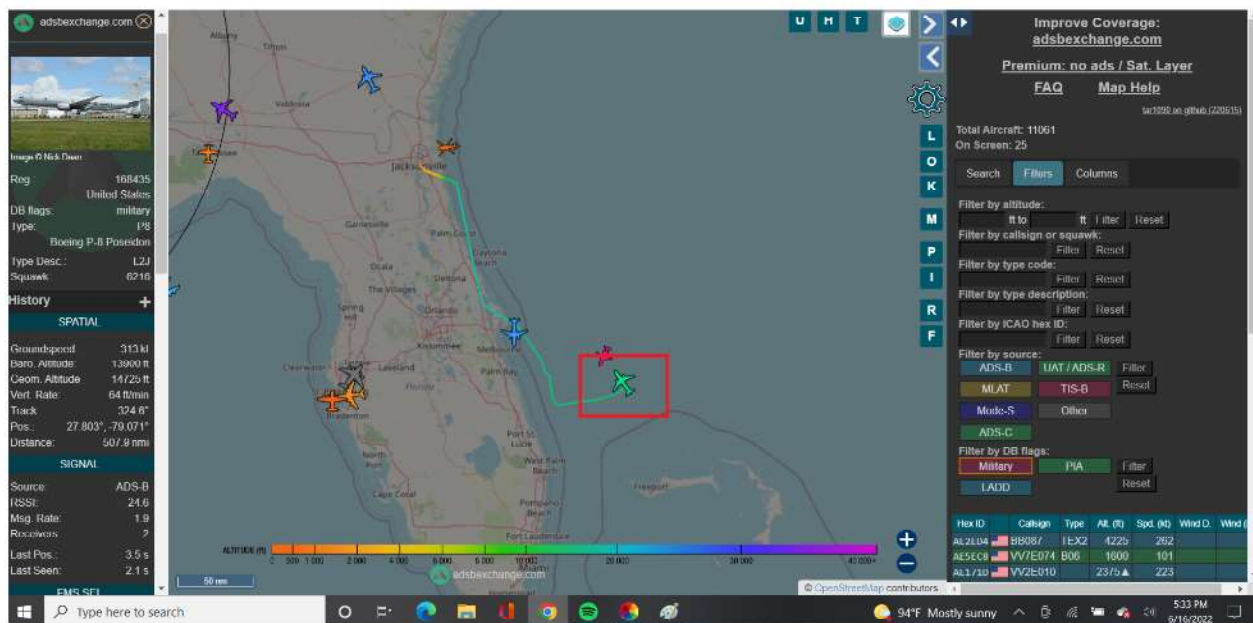

Those are two separate P-8 Poseidon on **June 16, 2022**, alone.

Here's 5 P-8's on June 16, 2022, above Alabama, Florida, and Georgia, and International Water:

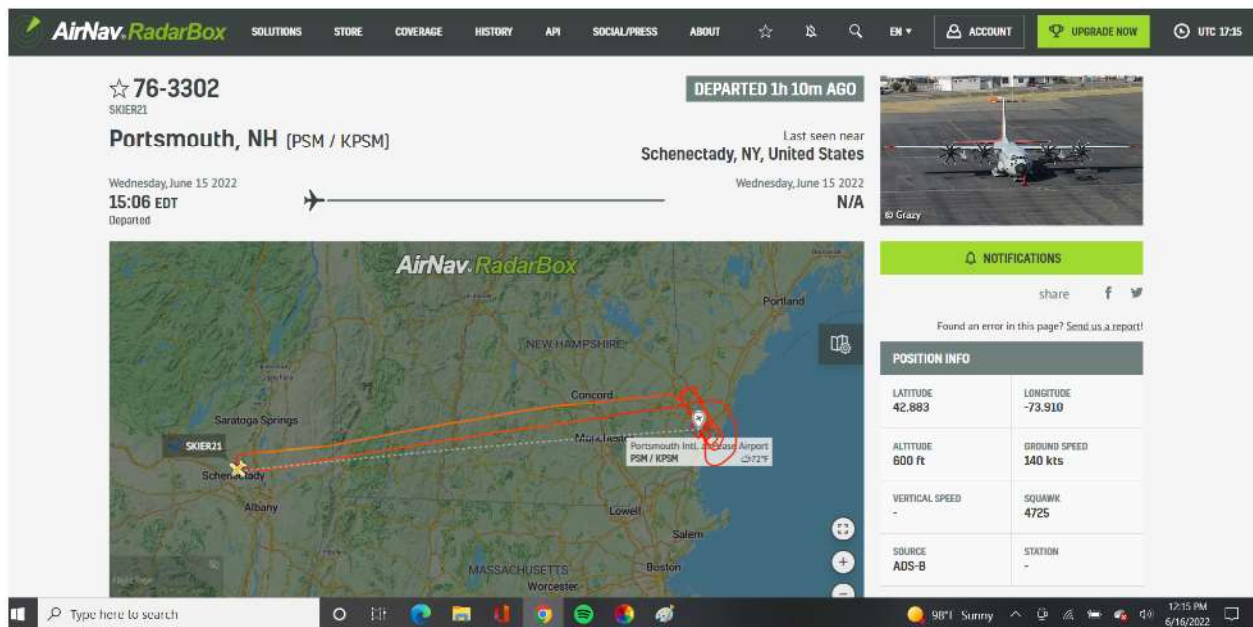

International Waters:

In order to cross into International Waters in that specific plane, it has to be on a mission. It's not in "training." There's Federal Aviation Laws that govern this alongside Military Laws.

Here's another great example of Military Law and Regulations. Here's a C-130 Hercules on **June 14, 2022**:

The reason that's important... is that C-130 Hercules, call sign 76-3302, belongs to the New York **Air National Guard**. This National Guard flew to New Hampshire and back.

The only way National Guard Units operate in other states or across state lines is **FEDERAL ACTIVATION**.

They do NOT operate in other states for "training purposes."

In Layman's terms, National Guard members get the nickname "*Weekend Warriors*"... so, apply it that way. It's Wednesday, June 29, 2022, and there's no hurricane or tornadoes that would classify as a National Emergency for the activation of National Guard from other states to be in Virginia.

They were visually activated January 6, 2021, and January 17, 2021, and have not been rescinded of their orders as there's been no less than 300 military aircraft in the skies every single day since January 2021. I'm just one Vet, but I am one of many who have been watching and keeping flight logs.

"Biden" didn't activate the National Guard. President Trump did on January 6, 2021, but even more so, wrote Maritime Law activation date of November 3, 2020, in a 2018 Executive Order.

I have PLENTY more Optics in **Part Three**. Once you learn what happened via Law and Order, the Optics will be fun to watch every single day.

Optics where this Operation started:

This strategic plan began in 2012. Code language, symbolism, and optics provide the answers along with Law and Order from January 20, 2017, to January 20, 2021.

This is the reason why terminology and symbolisms are crucial. President Trump didn't announce he was running *until 2015*.

Where it began:

Trump Roasting Hillary in public October 2016:

https://www.youtube.com/watch?v=Bmvxx_YbDsM

EVERYTHING President Trump said to her, he did.

Remember... that was before the 2016 Election. President Trump laid down all of the Optics and Code Language of what was about to take place via Military Law, Military Operations, and the Constitution.

The reason why the World Generals and Trump didn't, don't, won't, wouldn't, can't, and ain't going to tell you what they're doing...

One, it's common sense not to tell your enemy what you're doing, but it goes back to his first debate ever: Trump told the American People "you will never know what happens with the actions of our Military... it's stupid to tell the enemy what we're doing."

Two, we have the MOST LETHAL and TOP Military in the world man power and intelligence... therefore it was not needed.

This was not a Top Secret Operation as far as what you could have known and read... Every single thing happened right in front of everyone that align with our Foundation, Origin, Military Law, the Constitution, and U.S. Law.

Many heard, but didn't *LISTEN*. President Trump said multiple times over and over every year.

"We have it all."

"We've caught them all."

"There's a storm coming, wait for it."

Trump warns you the people about the STORM coming! October 2017:

<https://youtu.be/VrF7alkwdHw>

Amongst many other code languages and optics... but more importantly:

"The evidence and crimes will be shown to the world and they will pay for their crimes and it will be done with FULL ACCORDANCE TO THE LAW."

Unfortunately, many people do not care until it affects your pocketbook and lives.

And a majority of the rest, do not know how to discern what matters for history's sake versus an event that was horrible or tragic.

In 2012, Obama reversed the **Mundt-Smith Act of 1948** allowing the media and press to use propaganda as "News."

Discernment is powerful. That one key tool would put Americans in the 1 percentile of knowledge and power of understanding once you learn this brilliant and historical blueprint.

Where it gets really good: Military and President Trump Actions in 2016

On the very first debate stage in the Republican Primaries, Jeb Bush asked Trump, "Who's going to vote for you? Who's going to support you? Who's going to back you?" In which my man DJT responded with this: "that's a loaded question, that's more than one question, if I may be allowed to respond to all... One, the American People are tired of bullsh*t politicians like you. Every one of you on this stage has held public office for no less than 4 years and you're going to tell everyone what you will do and haven't done anything yet..."

Excerpt before finishing Trump's response:

About 99% of people call people like me "Conspiracy Theorists"... because one, you won't read the law and seek to understand your very premises, you focus on propaganda and politics, so, if I was a "Conspiracy Theorist," how did Trump know to say the next comment which has been called a "Conspiracy Theory" since 1963... year sound familiar? Oh that's right, because Trump is a Conspiracy Theorist too. I forgot becoming President with the Military Agencies and Federal Agencies all under you, you don't have any secret access to all our history.

For all these years after '63, it's been said over **200 Generals** said, "never again would they let happen to this country, what happened with John F. Kennedy."

So, why in the heck did Trump respond to Jeb Bush... "who will support and back you" with "I have over 200 Generals backing me."

Also, specifically said "You the American People will NEVER know what happens with our Military actions and movements. It's stupid to alert the world and tell what we're doing. If you want to know, you can join."

Also, the Oath of Enlistment which is CONSTITUTIONAL specifically says "I solemnly swear to defend the CONSTITUTION of the United States of America against ALL enemies foreign AND domestic."

The Military made sure key pieces were moved out of the way even though Trump won the majority of this Country and votes.

The other key important note is... the Dominion Systems have been used to cheat or delete votes long before 2020 and also outside of more than Presidency.

Can we take a look back to 2006, when Lou Dobbs on CNN, warned America about Smartmatic voting machines?

Americans were warned:

<https://www.youtube.com/watch?v=PJpjrgPrdHY>

The Corporation needed to fall. This was the only way.

The Plan Activated: November 2016

Hillary's campaign cheated and did not dump enough votes in 2016. That's why she did not appear at her concession.

From 2017 to present day... President Trump used the Constitution, Military Law, PEADs, PAs, Executive Orders, and it alllllll happened right in front of your eyes.

Check this...

In every single Executive Order that President Trump signed from 2017 to 2021, that has to do with this Operation, not ONE single EO went into effect until **AFTER** November 3, 2020, all the way into 2021, 2022, 2023, and... drum roll... **2024**.

HOW DID HE KNOW TO WRITE INSIDE OF THOSE FROM 2017 to 2021 to ACTIVATE AFTER - the night of the Election of 2020 and after the "Insurrection?"

MILITARY. GENERALS. WORLD GENERALS.

A COVERT OPERATION.

Now, let me break down **the most Monumental piece** of Law in World History.

Remember, this is the highest Law in the land.

Executive Order 13848:

The most important of President Trump's Orders... is titled "Foreign Interference."

Remember, the key to this order, President Trump did 4 different and major things in this one order alone signed in 2018.

1. Issued a National Emergency
2. Issued Maritime Law
3. Activated Secretary of Treasury for any fraudulent transactions
4. Established an Election Fraud Committee

Here's the order:

Executive Order 13848:

<https://www.federalregister.gov/documents/2018/09/14/2018-20203/imposing-certain-sanctions-in-the-event-of-foreign-interference-in-a-united-states-election>

Blocking Fraudulent Transactions:

<https://www.federalregister.gov/documents/2015/04/02/2015-07788/blocking-the-property-of-certain-persons-engaging-in-significant-malicious-cyber-enabled-activities>

Additional Steps to Address National Emergency; Executive Order 13757

<https://www.federalregister.gov/documents/2017/01/03/2016-31922/taking-additional-steps-to-address-the-national-emergency-with-respect-to-significant-malicious>

Executive Order 13848 was signed into law **September 12, 2018**, with the specific date: **November 3, 2020**, written inside, but did not **activate** until November 3, 2020, with dates 120 days after that date with other stipulations and orders which landed right before two key dates in United States History.

EPIC!

It's THE Most MONUMENTAL Executive Order in Presidential History.

Here's why:

1. A National Emergency **MUST** be **addressed** by the President who issued the order and by that Congress.
2. Maritime Law
3. Activated Secretary of Treasury for any fraudulent transactions
4. Election Fraud Committee

President **Jimmy Carter** signed **Executive Order 12148** which outlines the Powers of the President when issuing a Federal Emergency Management:

Executive Order 12148:

<https://www.presidency.ucsb.edu/documents/executive-order-12148-federal-emergency-management>

Not only did Trump declare a National Emergency in Executive Order 13848, but he also declared two more in 2020 alone, plus FEMA's Government site issued too:

FEMA Emergency Declaration:

<https://www.fema.gov/news-release/20200514/president-donald-j-trump-directs-fema-support-under-emergency-declaration>

National Emergency US Code and Law:

Key Code: §1631. Declaration of national emergency by Executive order; authority; publication in Federal Register; transmittal to Congress.

When the President declares a national emergency, no powers or authorities made available by statute for use in the event of an emergency shall be exercised unless and until the President specifies the provisions of law under which he proposes that he, or other officers will act. Such specification may be made either in the declaration of a national emergency, or by one or more contemporaneous or subsequent Executive orders published in the Federal Register and transmitted to the Congress.

[\(Pub. L. 94-412, title III, §301, Sept. 14, 1976, 90 Stat. 1257.\)](#)

MARITIME LAW

Did you know that you've been under Maritime Law since November 3, 2020?

Take the time to watch this video:

Maritime Law and History:

<https://www.youtube.com/watch?v=pkpzQY78WPs>

You've been under Maritime Law, not Civil Law, not Federal Law, and thank God not Martial Law (yet), since November 3, 2020.

How did President Trump know to write an Executive Order, immediate Law, Maritime Law, in an Executive Order in 2018 that would not activate until the night of the Election, November 3, 2020?

Military (Pentagon Generals and World Generals)

They knew in 2012. They knew in 2016. Everything written has been a Covert Operation. Every single piece of LAW and LEGISLATION from 2016 to January 20, 2021.

"The evidence and crimes will be shown to the world and they will pay for their crimes and it will be done with FULL ACCORDANCE TO THE LAW," is the very thing Americans witnessed.

"Joe Biden" had to **illegally** accept the nomination of President and be visually seen by the public **illegally** being inaugurated which are all violations of Federal Law and US Codes...

So, if they're violations of Federal Law... What law is higher than Federal? Military.

This all happened while Maritime Law was already ACTIVATED by the...

MILITARY and President Trump.

Here's the **U.S. Codes** that were violated:

Advocating Overthrow of Government:

Everything from the Hillary Campaign in 2016, "Biden" Campaign 2020, and since **November 3, 2020**, by Congress and Media, has been **Fraud, Treason, and Crimes Against Humanity** according to the Constitution, Federal Law, and US Codes.

Maritime Law explained:

<https://www.investopedia.com/terms/m/maritime-law.asp>

Maritime Law means *no government, no constitution*.

Which simply means MILITARY CONTROL.

There's a reason ships are at bay. There's a reason shelves will not have certain items. You must understand Maritime Law, but more importantly read the blueprint of how you were put in it.

These are the best series of Admiralty Law, Admiralty Courts, the Law of Money, The Vatican ruling world (before Military and President Trump stepped in), and the United States being privately owned aka the Corporation:

Under **American Maritime Law**, the ship is personified to the extent that it may sometimes be held responsible under circumstances in which the shipowner himself is under no liability.

The classic example of personification is the “compulsory pilotage” case. Some state statutes impose a penalty on a shipowner whose vessel fails to take a pilot when entering or leaving the waters of the state.

Since the pilotage is this compulsory, the pilot’s negligence is not imputed to the shipowner. Nevertheless, the vessel itself is charged with the pilot’s fault and is immediately impressed with an inchoate maritime lien that is enforceable in court.

Maritime liens can arise not only when the personified ship is charged with a maritime tort, such as a negligent collision or personal injury, but also for salvage services, for general average contributions, and for breach of certain maritime contracts.

In a proceeding in rem, the vessel, cargo, or freight can be arrested and kept in the custody of the court unless the owner obtains its release by posting a bond or such other security as may be required under the applicable law or as may be acceptable to the plaintiff.

More frequently, however, the owner will post security to avoid a threatened arrest, and the property never has to be taken into custody. When the judgment is for the plaintiff in a proceeding in rem, there will be a recovery on the bond or other security if the owner of the property does not pay; or, if security has not been posted, the court will order the property sold, or the freight released, in order to satisfy the judgment.

The sale of a ship by an admiralty court following a judgment in rem divests the ship of all pre-existing liens—and not merely those liens sought to be enforced in the proceeding in rem.

By way of contrast, the holder of an in personam judgment against a shipowner can, like any judgment creditor, have the ship sold in execution of the judgment; but such a sale, unlike the sale under an admiralty judgment in rem, does not divest existing liens; the purchaser at the execution sale takes the ship subject to all such liens.

Thus, an in rem proceeding has decided advantages over a proceeding in personam in a case in which the shipowner is insolvent.

Efforts have been made from time to time to increase the security value of ship mortgages, in order to encourage lending institutions to finance vessel construction, but these efforts have not been very successful, largely because of differences in national laws respecting the relative priorities of mortgages and maritime liens. (Under general maritime law there is a complex hierarchy of maritime liens; that is to say, in a proceeding that involves distribution of an inadequate fund to a number of lien claimants, liens of a higher rank will be paid in full in priority over liens of a lower rank; and in most countries a ship mortgage ranks lower than a number of maritime liens.)

Attempts were made to harmonize some of these conflicts by international conventions signed in 1926 and 1976, but the first failed to win widespread support and, as of the end of 1983, the second had been ratified by only half of the signatories required for the convention to enter into force.

Why are the ships at bay along the east and west coasts? **MARITIME LAW!**

Not only did Trump put in his MOST IMPORTANT **Executive Order 13848** a National Emergency, authorized SEC of Defense, Election Fraud Committee, he also froze assets of those with their hands in China and Ukraine and many more that did not comply with the Military and this reset:

Sec. 2. (a) All property and interests in property that are in the United States, that hereafter come within the United States, or that are or hereafter come within the possession or control of any United States person of the following persons are blocked and may not be transferred, paid, exported, withdrawn, or otherwise dealt in: any foreign person determined by the Secretary of the Treasury, in consultation with the Secretary of State, the Attorney General, and the Secretary of Homeland Security.

In Trump's **Executive Order 13959**, signed November 12, 2020, it specifically states: those who use US Stocks & Trades to knowingly fund the CCP (Communist China Party) military, those assets will be frozen effective immediately after 9:30 AM EST, January 11th, 2021.

Executive Order 13959:

<https://home.treasury.gov/system/files/126/13959.pdf>

Over 1,300 CEOs have stepped down since this activated January 11, 2021, 9:30 AM Eastern Standard Time.

Jeff Zucker, Jeff Bezos, Mark Zuckerberg (dumping stocks), Warren Buffett (left Gates Foundation), Bill Gates and wife announce divorce, CNN whole ownership and staff change, Chris Wallace gone, Disney CEOs busted, NBC Anchors busted in sex stings, and the list continues... and is growing.

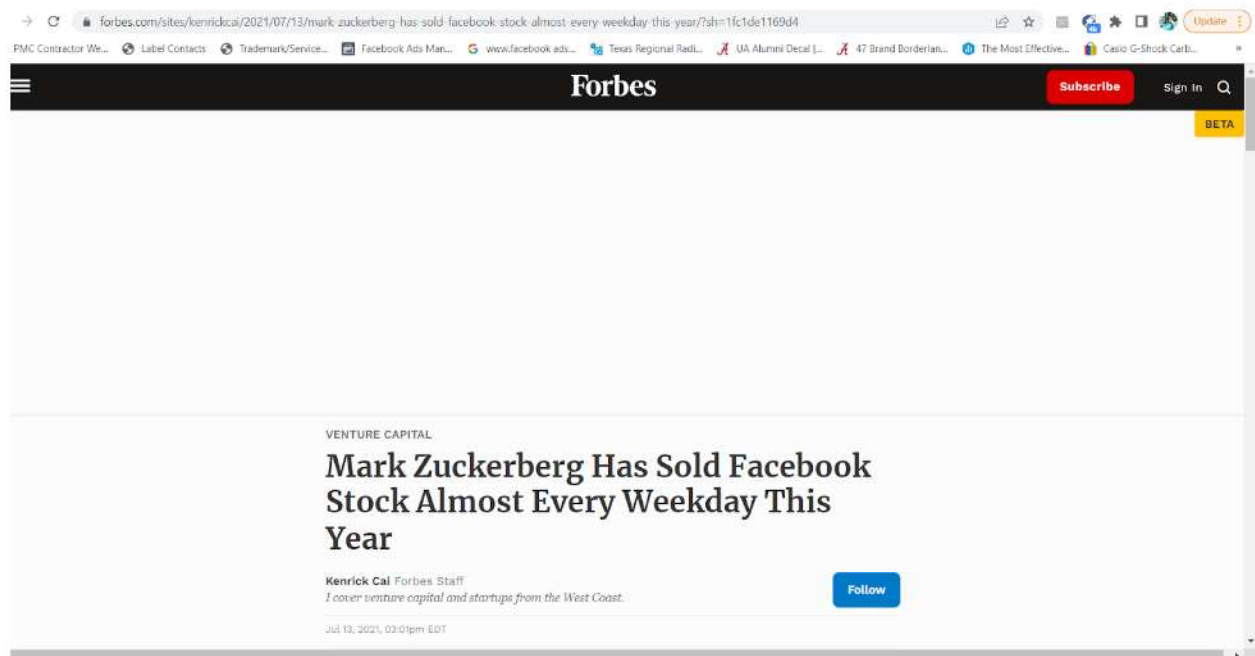

In February 2021, RobinHood aired a boring commercial on the night many watched the SuperBowl for creative ads, why? Because they were supporting the CCP and evil. They had to try to save their rear ends on the biggest night people were watching a game. GameStop also lost their rear ends.

The richest man in the world, who made his whole mission to take over and dominate Walmart in Logistics by acquiring Whole Foods and applying his logistics and supply chain model from Amazon, Jeff Bezos, STEPPED DOWN for "Philanthropy reasons" LOL yeahhhh.

Bill Gates and his wife all of a sudden announced their divorce while Warren Buffet simultaneously left the Bill Gates Foundation.

Evergrande (worth \$300 billion) started defaulting. *Evergrande* is one of the biggest and most recent stories of what's taking place through these sanctions and orders. Evergrande only has their hands in the global housing market, that's all.

Mark Zuckerberg started a weekly and steady dumping of assets in which he has sold \$25 million in stocks to this present day. Facebook's recent "glitch" and 6 hour shutdown was not coincidence.

stocksharks Jeff Bezos saw US\$13 billion of his fortune melt away after Amazon.com Inc.'s results left investors disappointed.

Shares of the e-commerce company slumped more than 8 per cent in early New York trading on Friday as it reported a quarterly loss and the slowest sales growth since 2001. If the loss persists, Bezos's net worth will drop to around US\$155 billion, according to the Bloomberg Billionaires Index. At his peak last year, he was worth more than US\$210 billion.

Bezos, the world's richest person after Elon Musk, was already the fourth-biggest wealth loser this year, with his fortune dropping by US\$23 billion through Thursday, according to the Bloomberg Billionaires Index.

Amazon is contending with higher labor costs following a hiring binge during the pandemic and a surge in inflation that may hold back sales. The company posted a net loss of US\$3.8 billion in the quarter ended March 31, compared with profit of US\$8.1 billion in the same period last year.

Ever since January 11, 2021, there's been over **1,300** CEOs resign. There's something in the news every single day showing CEOs resigning, being arrested, busted, etc.

And here's where it gets really, really, really good.

P.E.A.D.

The other most important piece of Law is the Presidential Emergency Action Document(s) better known as a **PEAD**.

PEADs are between the President and the Military (Pentagon). NO ONE, not even Congress knows what is inside of them.

That's why it's IMPERATIVE for you to understand The Constitution is the highest in the land surrounded by Military and Military Law.

Which is why it's important to listen to those of us who quote this like the back of our eyelids...

THAT and THOSE are how you "know who to trust."

The reason we (military guys like me who know Military Law, Regs, Codes, Optics, etc.) can 95% or better know what is inside of the PEAD that Trump signed... is **due to the actions** taken by the Military from 2017 to 2021 and from 2021 to present day.

There's enough evidence via the Constitution, Military Law, Presidential Acts, National Emergencies, Executive Orders and actions via all lines of Defense to show what is in one of them.

Here it is:

An emergency declaration that vested ALL power of the Chief Executive and whatever Legislative Powers deemed necessary by that trusted person to lead the government-in-exile or better known as Continuation of Government. Guess who that person is?

Commander-in-Chief Donald John Trump.

This PEAD is **equivalent** to the **Commonwealth Act No. 671** which is archived in U.S. Law.

Also the President's powers to do so are in Article VI of the Constitution.

Commonwealth Act No. 671:

<https://www.officialgazette.gov.ph/1941/12/16/commonwealth-act-no-671/>

Notice the .GOV site?

This Act is how governments behave before they are overrun and captured by an enemy.

The Military and Trump already knew there was Election Fraud, hence the Executive Order 13848 signed in 2018 with the specific date of November 3, 2020, inside of it, Maritime Law inside of it, and a National Emergency, and other Presidential Emergencies.

Notice the General's quote ON Election Day:

General Paul M. Nakasone ✓ ... · Nov 3, 2020 ...

As tens of millions of Americans head to the polls, [@US_CYBERCOM](#) and [@NSAGov](#) teams around the world are fully engaged, working hard with our partners to defend our elections.

We took what we learned in 2018, and brought it to an entirely new level for [#Elections2020](#).

[Show this thread](#)

Here's how we know what was in this PEAD by the actions we had already seen via Military and Law...

"We took what we learned in 2018." He said this on ELECTION DAY. LOL

[@US_CYBERCOM](#) = **United States Cyber Command**

US CyberCom:

<https://www.cybercom.mil/>

Well, well, well... would ya look at that. dot **MIL**.

MIL = Military.

[@NSAGov](#) = **National Security Agency**

NSAGov:

<https://www.nsa.gov/>

Well, well, well... the NSA. The same thing all Armed Forces Soldiers and Congressmen swear under, NSA's.

"We took what we learned in 2018." And the General said this on ELECTION DAY.

What happened in 2018? Trump's HISTORIC Executive Order 13848 with a Presidential Emergency, Maritime Law, and Election Fraud Committee to be activated on November 3, 2020, and report all the way into Fall of 2021 with the KEY and SPECIFIC NOVEMBER 3, 2020, DATE in that 2018 order.

A little time before the Election, a PEAD was written to transfer ALL governing authority to the President of the United States upon a *triggering* event.

That triggering event was proof of a foreign government directly or indirectly colluding with election officials to change the results of the election.

Insert: See the **mirror** word: *colluding*.

Insert: Everything the evil players were throwing at Trump from 2016 to 2021, are the very words and things they have been doing for years.

The night of the Election, November 3, 2020, counting was intentionally stopped with plenty of hours left to finish the count.

Around 4 AM on November 4, 2020, fraudulent votes were delivered to key counting locations in Georgia, Pennsylvania, Michigan, Wisconsin, and Arizona.

Military has this well documented and were tracking live time with all of the intelligence agencies tracking all over the world.

Those 'made-to-order' ballots pushed Biden over the top. He was "declared" the "winner."

Which goes back to the General's tweet... as the Military was watching the fraudulent voting... Election infrastructure was absorbed into critical infrastructure as a part of the Dept. of Homeland Security in 2017. The Military discovered evidence that an enemy government assisted domestic agents with stealing the election...and that discovery triggered the PEAD.

THIS is the PEAD that - for all intents and purposes - activated devolution.

You have got to read the Commonwealth Act to understand the repeat of history about the government-in-exile of the Philippines. Commonwealth Act No. 671 vested all governing authority of the Philippines into *one man*, President Manuel L. Quezon.

Trump and the Government of the United States are now the same person.

The PEAD had to be activated prior to the vote counts that declared Biden the winner.

While the Democrats were scrambling and cheating to push their now actor candidate across the finish line, the PEAD was already activated.

Mike Pompeo made the mainstream media laugh when he said these keywords:

"We would be transitioning to a second Trump Presidency."

"We're ready."

"The world is watching."

"We're going to count ALL the votes."

"There will be electors selected."

"There's a process - and the constitution spells it out pretty clearly."

"The world should have every confidence that the transition necessary that the State department is functional today, is successful today, and will be successful with the President who is sworn in on January 20th, a minute after noon will also be successful."

Mike Pompeo:

<https://www.youtube.com/watch?v=KAQHxf60uRo>

Important Insert: Simultaneously, the Mainstream Media Corporations from 2017 to this point had been given the fair chance to report the truth as well, or they would face the same Crimes Against Humanity, Treason, Fraud which will also be punishable by the Uniform Code of Military Justice and Federal Law by breaking U.S. Codes all of which are all being held at the Military Tribunals, which are underway, but the general public won't see until mid 2023.

We would be transitioning to a 2nd Trump presidency: Manuel L. Quezon was still President of the Philippines when Manila fell. (Read: Commonwealth Act above).

In this video, he was speaking futuristically, "**would be**"... they knew this was not going to happen, hence the activation of Active Duty, National Guard, and Reserve components of all 50 states (the latter has never been done in History).

We're ready: The PEAD was already activated along with Executive Orders, Maritime Law, Presidential Emergencies, and troops were on standby getting ready.

The World is watching: And stilllll watching. "The evidence and crimes will be shown to the world and they will pay for their crimes and it will be done with FULL ACCORDANCE TO THE LAW."

We're going to count ALL the votes - we will need these later to PROVE the election was stolen. Hence the SCIF, Military Intel via Quantum Info System, the 17 Military Agencies all working together watching fraud in live time. Also hence the General's comment that day.

There will be electors selected: These were needed to secure Trump's presidency-in-exile in **full compliance** with the **law**. Electors are Trump's people - they may have easily signed NDA's, if they were even needed. The PEAD would allow Trump to suspend elections in order to save the nation if he deemed it necessary.

There's a process: The constitution spells it out very clearly. We count votes, select electors, elect a President. However, the constitution also gives the President power to act in the event of emergencies and invasion. Once the PEAD was activated that vested governing authority in the current President (Trump), that President could have suspended elections - **legally**. The timing was critical. The evidence triggering the PEAD had to be uncovered prior to the vote counts being complete and "Biden" declared winner.

The world should have every confidence that the transition necessary that the State department is functional today, is successful today, and will be successful with the President who is sworn in on January 20th, a minute after noon will also be successful: There's a subtle reference to TWO different state departments? ***Will be successful... will also be successful...*** Why would America have or need two state departments?

A minute after noon will also be successful: "Biden's" "inauguration" was not held a minute after noon. Which is also a violation of the Constitution

"Under the Constitution, the old president continues to hold full power through 11:59:59, and then power shifts at noon."

So, why did "Biden" swear in at 10 AM EST? 🇺🇸🕶️👉

This PEAD was equally important as all the Executive Orders, National Emergencies, and which led to the Activation of Troops in January.

On **May 6, 2020**, **Trump** specifically said:

"We went through the worst attack we've ever had on our country, this is the worst attack we've ever had... this is worse than Pearl Harbor, this is worse than the World Trade Center. There's never been an attack like this."

Trump May 6, 2020:

<https://youtu.be/zyxyoS8HEw>

Notice the *Optics*:

Pearl Harbor = December 7, 1941

Commonwealth Act No. 671 signed 9 days later = December 16, 1941.

World Trade Center = Bush rigged and mafia rigged. Rumsfeld 9/10/11 announcing 2.3 trillion missing from the Pentagon. 2 buildings struck between 93rd and 99th story's and they fall straight down demolition style?

Remember...

Chaos. Division.

Create a problem, already have a solution for the people.

Build, destroy, rebuild, repeat.

Covid-19 was not an accident. It was a Biological Chemical Attack against the world.

With that PEAD... here's the end game with it:

It created a Government in Exile. Which is why Trump left in Air Force One (which NO PRESIDENT has ever left D.C. in or on) and has been moved around like a chess piece when needed.

Everything from selection of electors, January 6, and "inauguration" were the visual and **illegal** actions for the public to see and complete the violation of U.S. Codes of Crimes Against Humanity, Fraud and Treason committed.

In order to hold someone guilty of a crime, there must be what? Evidence.

Not a single American can say there was not any evidence after all of the Executive Orders, Presidential Emergencies, Presidential Acts, National Emergencies, from 2017 to 2021.

As in the U.S. Law of the Commonwealth Act No. 671, a puppet was too, also "sworn in" in 1941 in the Philippines... The puppet does not mean a thing, because the Commonwealth Act No. 671 protected the Philippine people from Japan.

This PEAD and all of the other Law and Order around it, protect you.

Remember... Trump's words from 2016 forward:

"We are draining the swamp."

"We have it all."

"We've caught them all."

"You'll find out soon enough, wait for it"

"There's a storm coming... Wait for it."

"The evidence and crimes will be shown to the world and they will pay for their crimes and it will be done with FULL ACCORDANCE TO THE LAW."

All of those before January 20th, 2021.

The breakdown:

Our Military Intelligence knew Hillary dumped votes in 2016, but did not dump enough. They knew Biden and rhinos (Obamas, Bushes, Clintons, Rothschilds, Soros' along with cabal in other countries) were going to dump votes the night of November 3, 2020. Hence why Trump signed the most prolific, iconic, and historic Executive Order by any President in 2018 (Executive Order 13848).

The night of the Election, November 3, 2020, not only was President Trump and team sitting in the Eisenhower Building watching these massive Quantum Informations Systems operating and tracking the Fraud in LIVE time, but, Trump's Executive Orders from 2017 to 2020, proves the Military has been knowing,

hence why the US and World Generals came to him in 2012 to devise a plan to retake America back from the evil hands she's fallen to for many years plus help our ally countries as well.

Our Military knows EVERYTHING. Our Military Intelligence and President Trump appointed agencies were already tracking the fraud LIVE.

Once again, Hillary did not dump enough votes in 2016. That's why she didn't appear at her concession for her fans in the auditorium.

You see... President Trump knew everything because the strategic planning started in 2012. But what's going to REALLY 🤖 your mind... he ALREADY knew before then. God knows what He's doing. Trump is related to the Kennedy's... #WaitForIt

He then used the very principles of our Foundation, The Constitution, Military Law, Military Regulations, the Declaration, and the Articles of the Constitution within his powers as President to write into law and establish this covert operation and mission that happened right in front of all of you.

The Military and Trump established this via 13848 and the SCIF along with 17 agencies including central and artificial intelligence, the Space Force, and the Quantum System, which is where we get the term "The Q"... all in Executive Orders. (I'll explain down below how they were activated).

Because of the **Quantum System** aka "The Q" is why CNN, MSNBC, CSNBC, CBS, NBC, started using the term "Conspiracy Theorist."

Well, if I'm a "Conspiracy Theorist," why is the National Quantum Initiative in an Executive Order and Presidential Act?

And why is there a website www.quantum.gov for this new era of cybersecurity, information systems, and Space Force?

<quantum|gov> 

NQIA – The National Quantum Initiative Act

PUBLIC LAW 115-368—DEC. 21, 2018

TITLE I—NATIONAL QUANTUM INITIATIVE

SEC. 101. NATIONAL QUANTUM INITIATIVE PROGRAM.

(a) IN GENERAL.—The President shall implement a National Quantum Initiative Program.

(b) REQUIREMENTS.—In carrying out the Program, the President, acting through Federal agencies, councils, working groups, subcommittees, and the Coordination Office, as the President considers appropriate, shall—

(1) establish the goals, priorities, and metrics for a 10-year plan to accelerate development of quantum information science and technology applications in the United States;

(2) invest in fundamental Federal quantum information

The National Quantum Initiative Act (NQIA) was signed into law by President Trump on December 21, 2018 “to accelerate quantum research and development for the economic and national security of the United States.” The NQIA authorizes the National Institute of Standards and Technology (NIST), the National Science Foundation (NSF), and the Department of Energy (DOE), to strengthen QIS Programs, Centers, and Consortia. The NQIA also calls for a coordinated approach to QIS Research and Development (R&D) efforts across the United States Government, including the civilian, defense, and intelligence sectors. To guide these actions, the NQIA legislates some responsibilities for the National Science and Technology Council Subcommittee on Quantum Information Science (SCQIS), the National Quantum Coordination Office (NQCO), and the National Quantum Initiative Advisory Committee (NQIAC). Recognizing that QIS technologies have commercial and defense applications, additional authorization for QIS R&D is legislated by the National Defense Authorization Act. Civilian, defense, and intelligence agencies all have a long history of investments in QIS, and have a stake in future QIS discoveries and technology development. The National Quantum Initiative now provides an overarching framework to strengthen and coordinate QIS R&D activities across U.S. Departments and Agencies, private sector industry, and the academic community.

The SAME "Q" Obama called "conspiracy theorizing" and the "media" has now jumped on.

Simply displaying their crimes to the world as President Trump said they would.

Americans must **see...** the "Biden Admin" is a fraudulent and fake administration according to the Constitution, Military and Federal Law. That's also why the cronies cannot address the National Emergency from Executive Order 13848 along with the PEAD, and many other important Executive Orders.

Not only because they believe they are invincible to the majority of clueless Americans, but admitting of the attack would open the multiple files, layers, and evidence of intelligence from our US Military of the Election Fraud (dumping of millions of votes).

Those who used their assets to fund Chinese Communist Party and Military, Ukraine, etc. which are addressed and outlined in Trump's Executive Order 13959, the declassification of Obama being paid off via Iran for Osama Bin Laden which as a false "Trade Deal" with Iran in which Obama actually gave them \$150 billion to keep quiet that we didn't kill Bin Laden (Iran evacuated him).

Obama using Army soldier Bergdahl as a distraction to Americans to use false optics of what actually took place, along with Obama's Executive Orders and the truth of Libya (Benghazi) and Syria, and more and more evil that's happened for many years, with more truth exposed via declassification of secrets many of us with TS have been keeping quiet due to Oath for years.

Which is why "Biden" had to extend TRUMP's Executive Order 13848 which had a deadline in September 2021.

On **September 7, 2021**, "Biden" extended TRUMP's Executive Order 13848...

Executive Order 13848 Extension:

<https://www.whitehouse.gov/briefing-room/presidential-actions/2021/09/07/notice-on-the-continuation-of-the-national-emergency-with-respect-to-foreign-interference-in-or-undermining-public-confidence-in-united-states-elections/>

"For this reason, the national emergency declared on **September 12, 2018**, must continue in effect beyond September 12, 2021. Therefore, in accordance with section 202(d) of the **National Emergencies Act (50 U.S.C. 1622(d))**, I am continuing for 1 year the national emergency declared in Executive Order 13848 with respect to the threat of foreign interference in or undermining public confidence in United States elections."

Why would a "President" extend the Executive Order (highest law of the land) which outlines a National Emergency, Election Fraud Committee, and Maritime Law all in one?

Let's look at 50 United States Code 1622:

(d) Automatic termination of national emergency; continuation notice from President to Congress; publication in Federal Register

Any national emergency declared by the President in accordance with this subchapter, and not otherwise previously terminated, shall terminate on the anniversary of the declaration of that emergency if, within the ninety-day period prior to each anniversary date, the President does not publish in the Federal Register and transmit to the Congress a notice stating that such emergency is to continue in effect after such anniversary.

(Pub. L. 94-412, title II, §202, Sept. 14, 1976, 90 Stat. 1255; Pub. L. 99-93, title VIII, §801, Aug. 16, 1985, 99 Stat. 448.)

National Emergencies defined:

War and National Defense:

<https://www.govinfo.gov/content/pkg/USCODE-2020-title50/pdf/USCODE-2020-title50-chap34-subchapII-sec1622.pdf>

This was the PERFECT Optic, for a September 12, 2018, Executive Order 13848, signed by President Trump, and the puppet **extended** it with everything surrounding this. Remember, 40,000 feet view.

If “Biden” was truly President. He wouldn’t even have to sign an Executive Order revoking this one because it was set to expire as written. **LOL**

Here’s a great example of an Executive Order “Biden” extended as well... in regard to Sudan with a lot more detail on what a National Emergency means and is defined:

TO THE CONGRESS OF THE UNITED STATES:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the Federal Register for publication the enclosed notice stating that the national emergency with respect to Sudan declared in

Executive Order 13067 of November 3, 1997, is to continue in effect beyond November 3, 2021.

Sudan made strides in its transition toward democracy since 2019, but the military takeover of the government and arrest of civilian leaders now threaten those positive gains. The crisis that led to the declaration of a national emergency in Executive Order 13067; the expansion of that emergency in Executive Order 13400 of April 26, 2006; and the taking of additional steps with respect to that emergency in Executive Order 13412 of October 13, 2006, Executive Order 13761 of January 13, 2017, and Executive Order 13804 of July 11, 2017, has not been resolved. The situation in Darfur continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13067, as expanded by Executive Order 13400, with respect to Sudan.

JOSEPH R. BIDEN JR.

THE WHITE HOUSE,

October 28, 2021.

Continuation of National Emergency Sudan:

<https://www.whitehouse.gov/briefing-room/statements-releases/2021/10/29/a-message-to-the-congress-on-the-continuation-of-the-national-emergency-with-respect-to-sudan/>

If you read the definition of the President declaring a National Emergency above, you'd have seen they place it equal to Congress declaring a war...

Plus all of the policies in which the National Emergency must follow in which President Trump did and has done.

So, if I don't know what I know, which is nothing but the Uniform Code of Military Justice, Military Regulations, Military Symbolism, and Constitutional Law combined, then why would "Biden" extend an Executive Order with those FOUR major events that will DAMN his "administration?"

Shoot the messenger all you want... but everything I've shown is straight up UCMJ, Military Regs, Symbols, Codes, Constitution, and United States Codes. Nothing opinion.

ALL visual.

Another key piece is what we call a "Safety Net," which supports everything else law-wise like a shield of protection, *an extra layer if you will*.

The Presidential Enhancement Act of 2019 (revised March 2020)

Presidential Enhancement Act of 2019 (2020)

<https://www.congress.gov/116/plaws/publ121/PLAW-116publ121.pdf>

This Act ended up being a 'Safety Net' that wasn't needed because of the activation of all 3 lines of defenses in the Nation via the Insurrection Act of 1807, a power of the President to activate National Guard to Federal Duty, which according to the Articles of the Constitution extends the powers of the President. Plus the November 3, 2020, PEAD, along with the signing of Executive Order 13919 in 2019, giving the Secretary of Defense full authority to activate all 50 states Reserve components (never done in the History of U.S.).

The Enhancement Act of 2020 specifically said, "the former sitting President would have full control of the military for 60 days after Inauguration." Which meant Trump would have had military control 60 days after "Biden" was inaugurated... which never happened.

Why did it never happen?

Because BEFORE the "inauguration," President Trump activated the first, second, and third line of defenses in this country: active duty, national guard, and reserves all with the Executive Order 13848, the Insurrection Act of 1807, Executive Order 13919, Presidential Emergencies, Presidential Acts, and Powers of the President according to Article II and IV of the Constitution, US Codes, and symbolism with optics and code language.

Due to the PEAD being in place before November 3, 2020, everything from that point forward via Congress is a script to be played out to the people to see the illegal violations to support the U.S. Codes violated via the Constitution.

"Biden" had to **illegally** accept the nomination and be **visually, illegally** "inaugurated" to the public in order to complete treason and fraud according to:

18 US Code 115
18 US Code 2385
3 US Code 15
52 US Code 20511
18 US Code 2381
18 US Code 2384

Advocating Overthrow of Government:

PS: Rudy Guillian was wrong when the left wing media smeared him in January 2021 for his comments on these Codes being broken and had to be for the Military to act publicly.

The only state to make it through the legal process of Counting Electoral Votes: ALABAMA.

Counting Electoral Votes in Congress:

<https://uscode.house.gov/view.xhtml?req=granuleid:USC-prelim-title3-section15&num=0&edition=prelim>

Everything after Alabama was illegal. Arizona is where the "insurrection" took place (no such thing)... a special chamber was to be called for Arizona. That did not happen. All planned. Military knew and was prepared.

CHECKKKMATEEE.

The Constitutional Process of Electoral Votes:

January 6, 2020, is not and was not Joe Biden versus Donald Trump.

It's a **CONSTITUTIONAL** process.

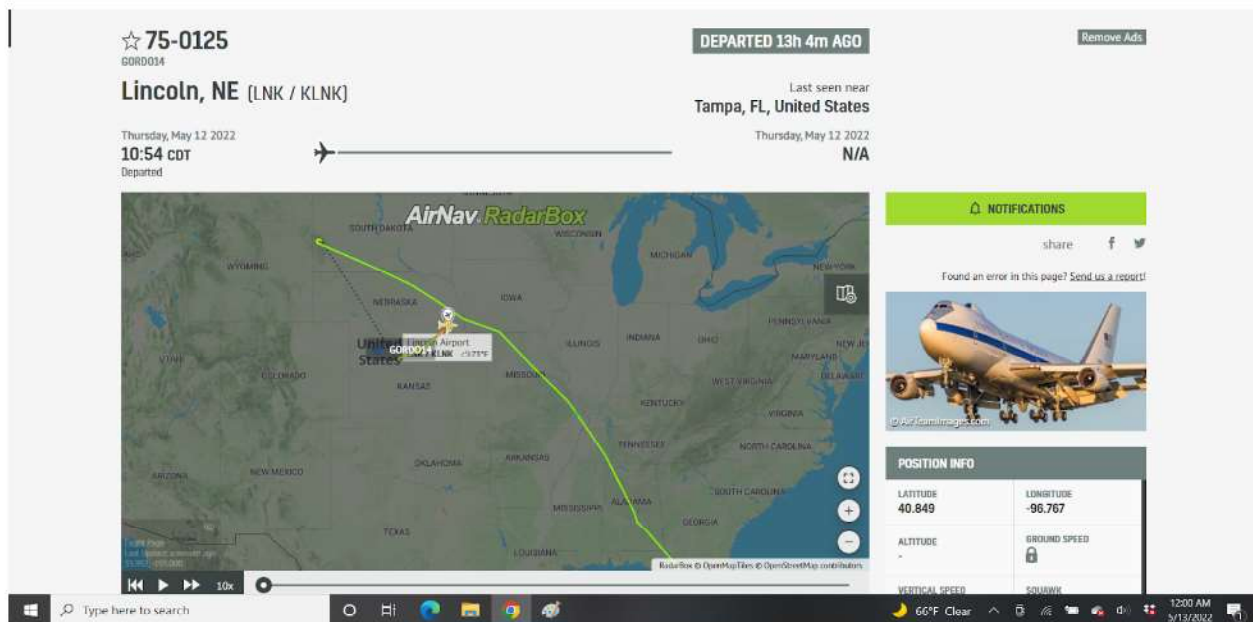

It is the confirmation date in which a President's votes must pass through the House and Senate for Confirmation. A **brilliant** checkpoint our Founders put into the Constitution. The only state that made it through confirmation was Alabama... the very first state in alphabetical order. Trump confirmed.

Sidenote: think how brilliant writing the processes of becoming President from 1783 to 1787 in our Constitution, before a time of computers and people who do not know the law around voting and the crimes written in our Constitution about them?

The “insurrection” on January 6, 2021, was a planned event by the FBI. All darkness will be brought to light. Wait for it.

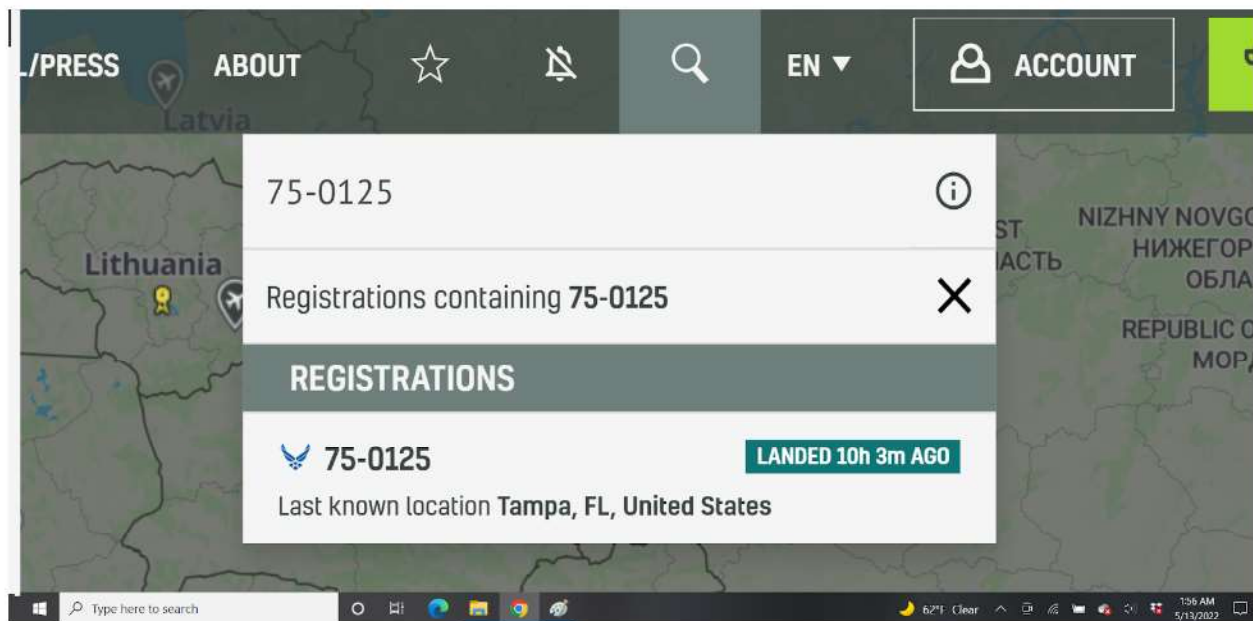

Every single thing that the left and cronies threw at President Trump from 2016 to 2021, the Military Covert Operation Generals are making those and media show the line of the sand that was drawn during those years... who their allegiance was to via those years to visually and illegally violate the Constitution via U.S. Codes along with Military Law and Regulations.

President Trump left D.C. January 20th on Air Force One #29000 with the Nuclear Football, and has FULL control of all Presidential Aircraft and leading our government-in-exile (Commonwealth Act No. 671). AF1 29000 has been inactive since June 2021. The Doomsday Plane which has been very active this May 2022.

Notice the date on screen and my computer bottom right.

Even flew to Mount Rushmore LOL

It's not even top secret. Call sign and all. Trackable every day.

From 1793 to 1933, every President was inaugurated on **March 4**. Which was the day of the year when the Federal Government began operations under the U.S. Constitution in 1789.

Trump is a WarTime President. He's the 3rd. The last President to EVER serve 3 terms... was Franklin D. Roosevelt.

U.S. Presidential Inauguration:

https://en.wikipedia.org/wiki/United_States_presidential_inauguration

WHEN and HOW you vote:

<https://crsreports.congress.gov/product/pdf/R/R46413>

Therefore... until the FEDERAL Government passes a Law that "Mail-in Votes" are LEGAL... they're ILLEGAL at this point, no matter your opinion.

ACTIVATION of TROOPS:

So please tell me, why did 99% of Americans listen to Nancy Pelosi when she said she was calling for the "National Guard" to D.C. for the "protection of our democracy and inauguration?"

The better question is...

Do you *really* think or believe the Pentagon and Generals take orders from someone who has NO Military Rank or role with the Military?

She's a freaking Senator. She has NO MILITARY RANK or SAY-SO in the Military anything much less orders.

When you saw those Troops enter the District of Columbia, a foreign territory in Military terminology and language, you should and could have known.

This is ALSO why it's important to read the LAW about the United States becoming a Corporation (way above) and it being a foreign entity and the square miles.

Which is also why "Biden" became a foreign object after the PEAD activated along with Executive Order 13848 and other laws.

The Media are going to be held accountable at the Military Tribunals too. Everything from November 3, 2020, is all a script, they have to write articles that violate the U.S. Codes because they did not adhere to the Military and Trump from 2017 to November 3, 2020.

Opinion | Trump Has Emergency Powers We Aren't Allowed to Know About ...

Apr 10, 2020 — Presidential emergency action documents emerged during the Eisenhower administration as a set of plans to provide for continuity of government ...

Here you go:

<https://www.nytimes.com/2020/04/10/opinion/trump-coronavirus-emergency-powers.html>

"Aren't allowed to know about" - LOLLOL

Everything that's happened has been displayed to the public. Broad daylight.

For example, here's an example of yet another symbol and droppage that happened right in front of you to let you know Commander-in-Chief Trump is in charge just days after HE was inaugurated in the actual military regulated inauguration process on January 20th.

On January 26th, 2021, 4 Star General Charles Flynn, the full blood brother of 4 Star General Michael Flynn, was appointed as Commanding General of the US Army Pacific.

WHY in thearnation would "Joe Biden" put the 4-Star BLOOD BROTHER of 4-Star General Michael Flynn in the Commanding General of the Pacific Theatre?

Do you not remember that 4-Star General Michael Flynn was the whistleblower on Iraq and Afghanistan to the OBAMA Administration?

Who was the Vice President of that Administration? LOL

That Administration drug the General and his family through HELL with defamation and slander also removing his Top Security clearance and also revoking his Military retirement (all of which Trump pardoned when he became President).

Do you realllly want to tell me that Joe Biden would put 4-Star General Charles Flynn in charge as the Commanding General of the US Army over the Pacific Theatre?

Do you even know where the Pacific Theatre is?

The Pacific Theatre is: CHINA, Russia, Taiwan, North Korea, Japan and Australia.

"Joe Biden" wouldn't do such a thing. OPTICS. It's a COVERT OPERATION. It's LAW AND ORDER being reinstalled by the good guys.

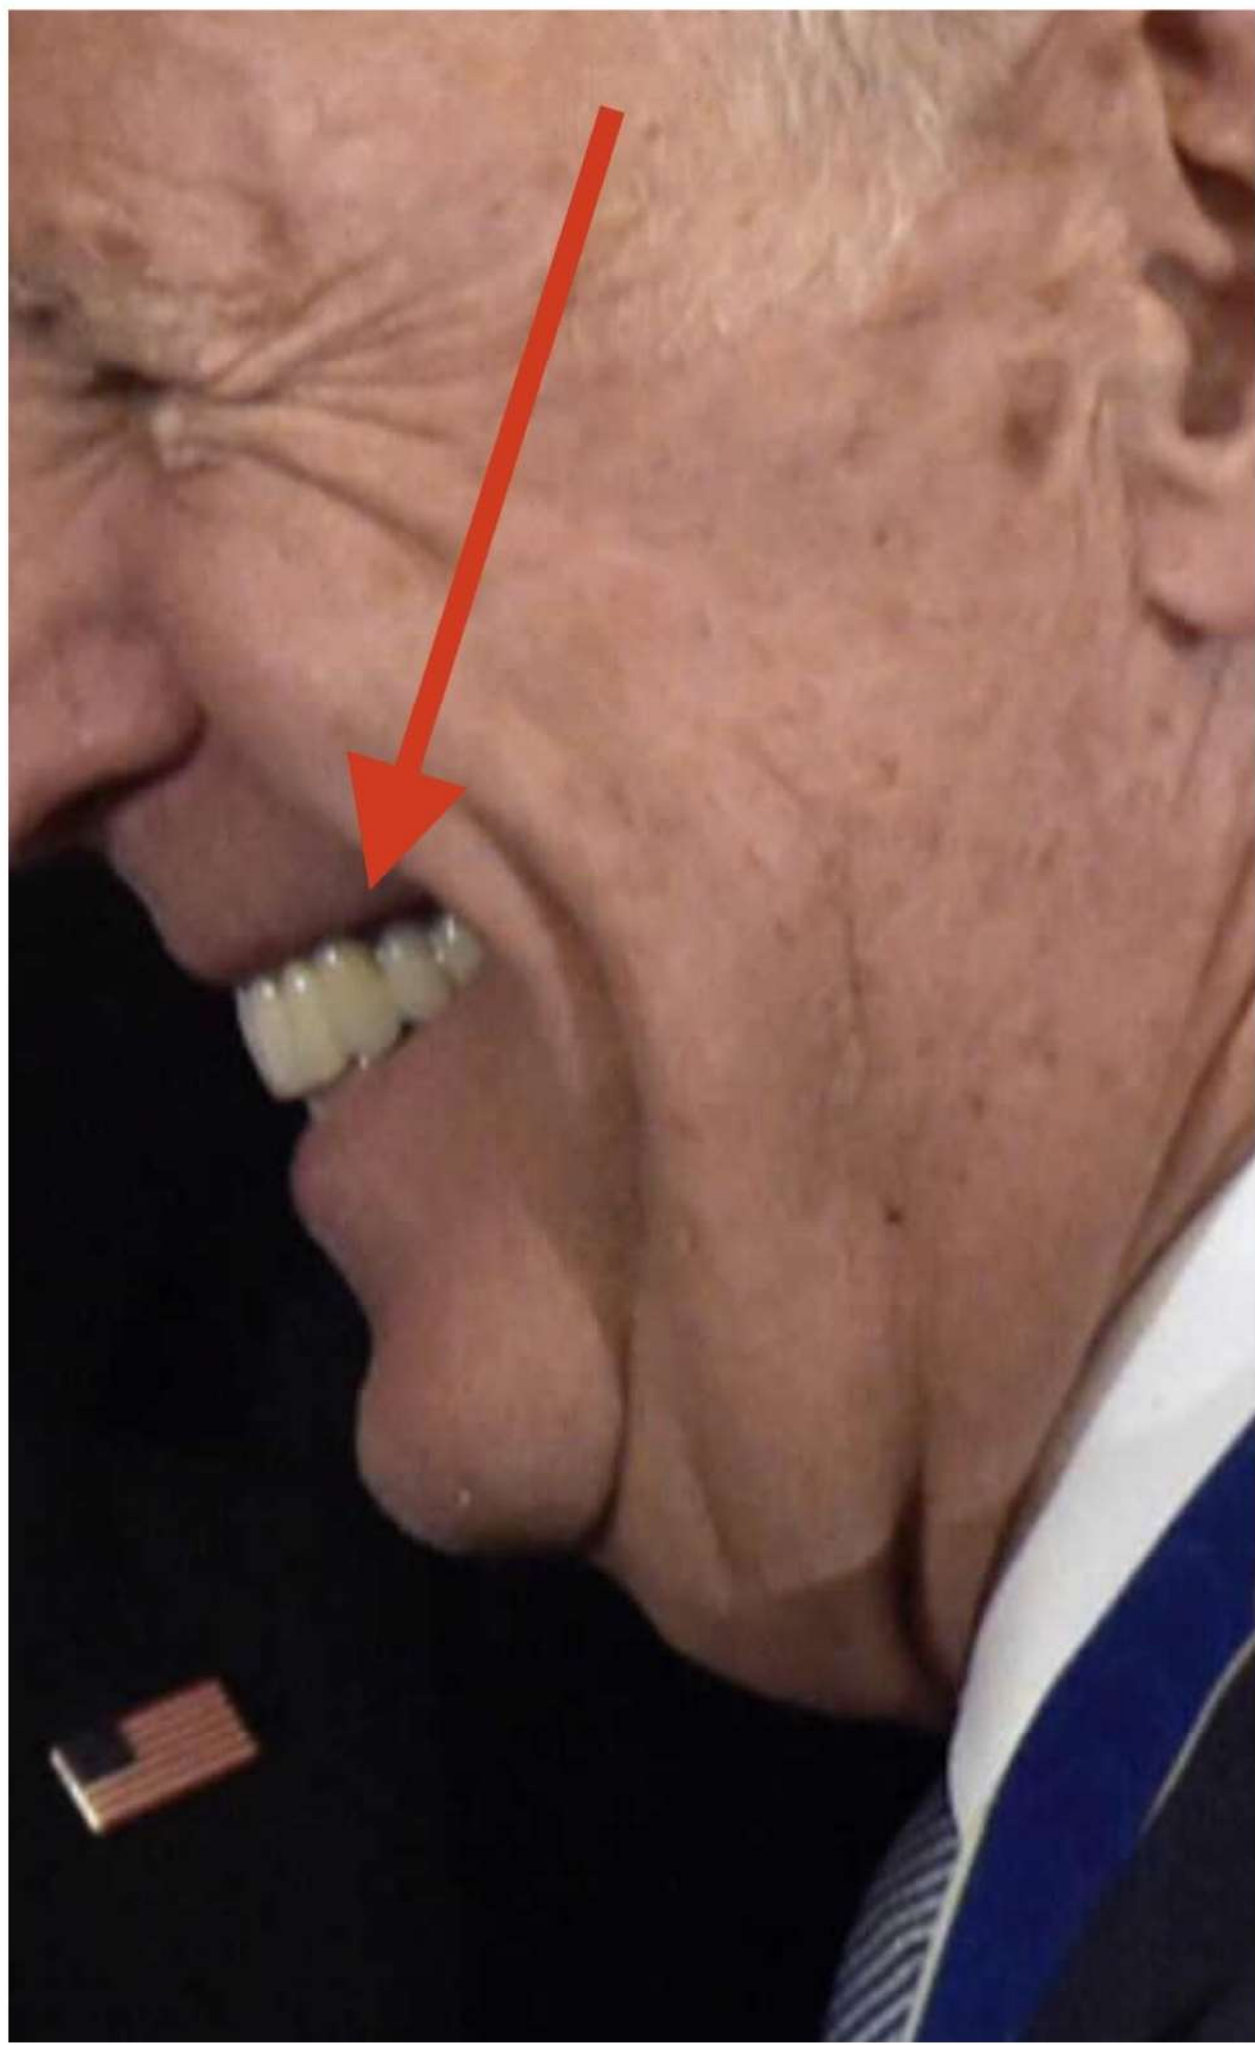

Since no one claims to be a biologist these days... let me tell you a known fact. My Momma used to tell me all the time ***"A zebra cannot change their stripes."***

Well, that's just a quote, but what's a scientific fact... You're born with ATTACHED or DETACHED earlobes.

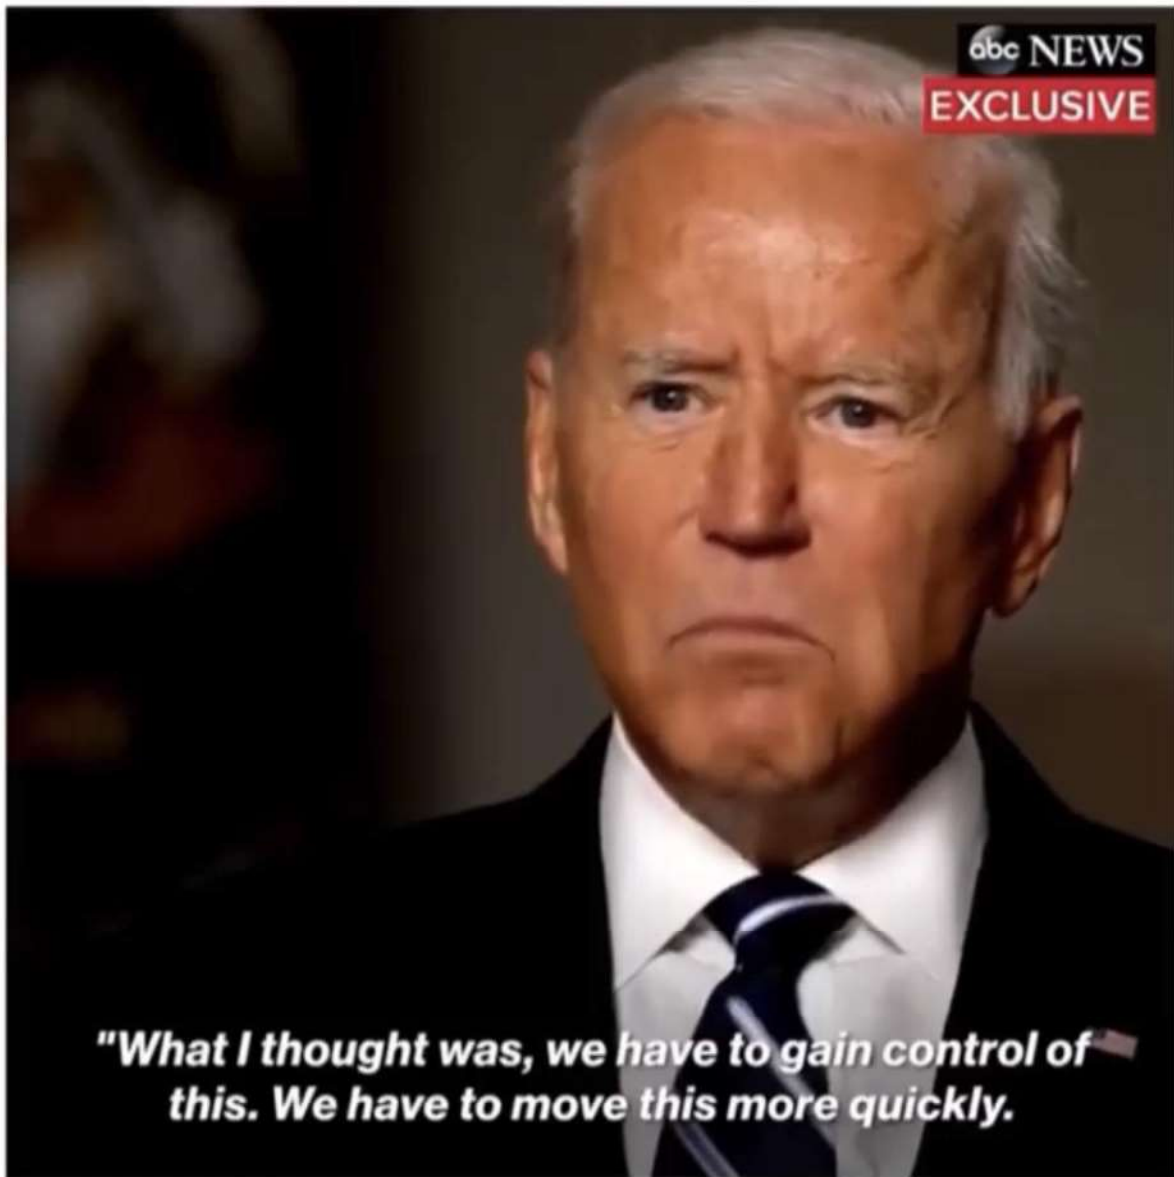

Real Joe Biden:

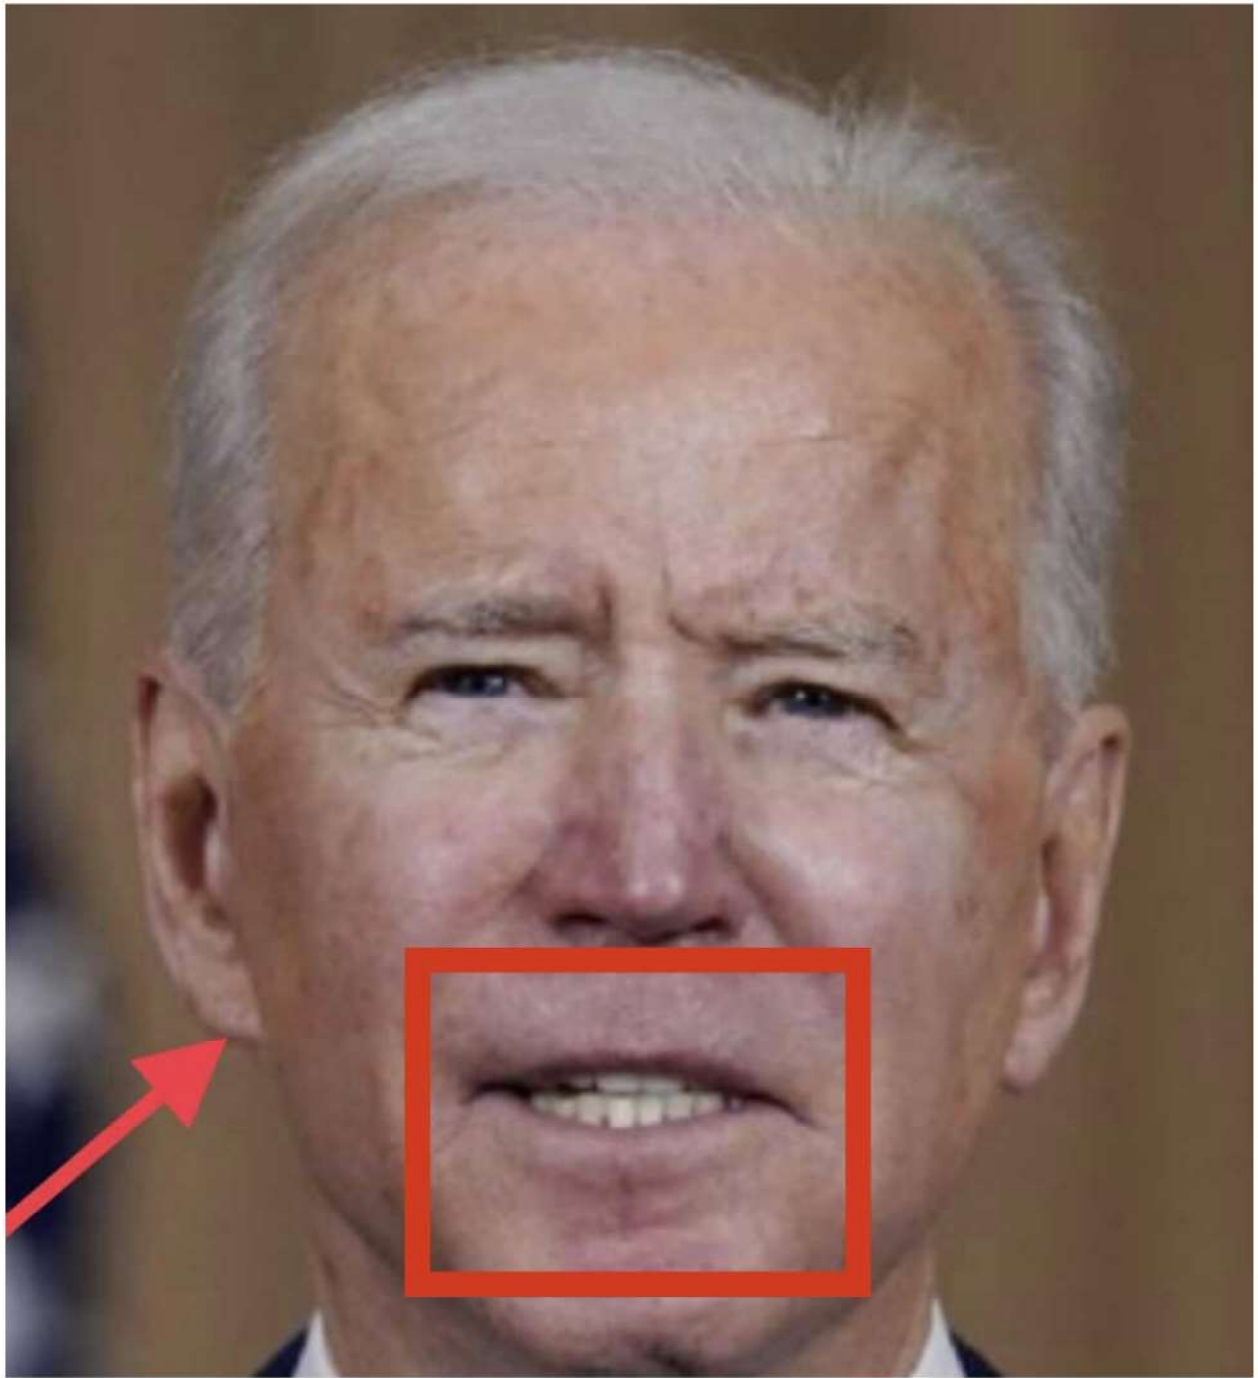

Actor Joe:

THE FAKE CAPITOL BUILDING

And why did the "Biden Administration" build a Capitol Building replica set (stage)? Perhaps the barriers blocking the Capitol Building that were put there by the National Guard after January 6th, before January 20th, on the 17th by the National Guard whom only the PRESIDENT can federalize to duty.

Not to mention, in that "replica", in April 2021, why did the Press Secretary TELL YOU, right in front of you, that planes are flying above the White House?

Do you not even know the simplicities of **Federal Aviation Laws**?

WATCH and Listen to your “Press Secretary:”

<https://www.youtube.com/watch?v=LwKgbl-vwFk>

READ the article:

<https://www.usatoday.com/videos/news/have-you-seen/2021/04/16/f-22-fighter-jets-interrupt-white-house-press-conference/7255359002/>

What does the **Federal Aviation Regulations** say about this?

No Aircraft can be 33 miles radius around D.C. much less above the White House.

The [Washington D.C. Metropolitan Area Special Flight Rules Area \(DC SFRA\)](#) is roughly a circular area with a 30 nautical mile (about 33 statute miles) radius around Washington, D.C., and surrounds the Flight-Restricted Zone (FRZ).

Federal Aviation Regulations:

<https://www.faa.gov/newsroom/restricted-airspace-0>

Federal Aviation Regulations on D.C.:

https://www.faa.gov/regulations_policies/faa_regulations

But go on and tell me, a Veteran with TS who's an expert in Air and Missile Defense (enemy and friendly aircraft)... what's up. Please enlighten me.

Most civilians will tell and many have already told me... that an F-22 Fighter Pilot simply made an “oopsie”... after all these years and all the expert pilots... broke Federal Aviation Laws...

Do you even know what kind of training and schooling Fighter Pilots go through? Do you know the clearance Pilots have?

Let's look at **Ukraine**:

Why did Obama put **Ukraine** in 3 of his Executive Orders that mention the United States?

Perhaps... *Protecting the **Corporate United States** interests with the Corporate **NATO** members?*

2014

Ukraine

<https://www.federalregister.gov/documents/2014/03/10/2014-05323/blocking-property-of-certain-persons-contributing-to-the-situation-in-ukraine>

- Read the terminology closely... "whose *properties* are in the **United States**."

Ukraine again

<https://www.federalregister.gov/documents/2014/03/24/2014-06612/blocking-property-of-additional-persons-contributing-to-the-situation-in-ukraine>

- Where did the Ukraine come from all of a sudden? Who's hands were really in the Ukraine? They accused Trump of everything they were doing.

Ukraine yet again

<https://www.federalregister.gov/documents/2014/12/24/2014-30323/blocking-property-of-certain-persons-and-prohibiting-certain-transactions-with-respect-to-the-crimea>

ORIGIN.

Remember the “**Nuclear Option**” Congress boasted they had in 2019 to USE on Trump?

This is why you must follow along while things are going on to understand and discern the difference of what was happening versus what you were being told via cronies in politics versus the Military who visually took control via real law.

The Senate was controlled by Republicans... The evil left-wing and evil cronies on all sides and outside had no Congressional “option.”

Those evil corporate cronies knew what was going on by the Constitution, Executive Orders, Presidential Acts, Presidential Emergencies, Military Law, Federal Law, behind the scenes Military actions from 2017 to use such language because they knew they had NO power.

They also knew that most Americans do not know ANYTHING about the Constitution, Military, Congress, Law, Orders, legalities, etc.

The “**Nuclear Option**” was **Covid-19**.

That was their ONLY option left to get the American people distracted and to turn on Trump and those who support him and Freedom.

Why do you think **Obama** signed an **Executive Order** in **2014** called:

Quarantinable Communicable Diseases:

<https://www.federalregister.gov/documents/2014/08/06/2014-18682/revised-list-of-quarantinable-communicable-diseases>

In 2014... let's look at what it says:

“(b) Severe **acute respiratory** syndromes, which are diseases that are associated with fever and signs and symptoms of pneumonia or other respiratory illness, are capable of being transmitted from person to person, and that either are causing, or have the potential to cause, **a pandemic**, or, upon **infection**, are highly **likely to cause mortality** or serious **morbidity** if not properly **controlled**. *This subsection does not apply to influenza.*”

Pandemic

Mortality

Controlled

Does NOT APPLY to influenza... aka the Flu.

Remember... “Create a Problem that you already have a Solution to.”

Build, Destroy, Rebuild, Repeat.

You must know who all the corporate cronies are. Many of you hear the names George Soros, the Rothschilds, and others, and because it does not affect your daily lives... UNTIL it affects gas, taxes, inflation, and now shelf shortages... ONLY THEN do you start to panic and many of you still won't listen to us who've been warning you for years now.

George Soros is a MAJOR player in this Colour Revolution.

Colour Revolution:

Must I remind you... Hillary, Obama, evil cronies, even the world never dreamt Trump would become President...

They especially did not realize the Military (Pentagon) Generals and World Generals had been planning a secret Coup since 2012.

I was a small indirect part of that as I was interrogated and tortured for months because one of Trump's KEY right hand men and “white hat operatives” was my key reference and family friend for my Officer Training Packets etc.

I've sat with those and other key players since then, in secret locations, without any devices around.

You either trust me because why would I want to experience this for no reason or simply stay in denial.

Either way, it happened, my body is paying the price for it to this day. I'm content all the same. I did it for you no matter what.

Let's take it back:

2016 Take it to the bank: Donald Trump will NEVER be President:

<https://www.youtube.com/watch?v=Z6Oczyk6nCw>

Not only was this a Covert Operation planned from 2012 to present day. Trump not only was asked by Generals and World Generals to be the Leader... He had the Pentagon Military backing him, but also won more votes by Military members under the Pentagon meaning the soldier class than any other President... plus paid them more in salaries.

Trump was the one who proposed and made the \$700 billion defense budget happen all while ROASTING NATO and the Countries who did not pull their weight or pay their share in NATO. Lest I remind you YET AGAIN, Military and Defense is the number one role of the American President (Article 4; Constitution).

NATO brought to you by the **United States Corporation** (1949); 29 countries are supposed to pay 2% of their Gross Domestic Profit, yet, in 2017, the results were the United States paid 51.1% of the COMBINED GDP and 71.7% of its combined defense expenditure; and on top of that we had \$151 Billion in Trade Deficits with the EU.

2018 article with \$686 Billion:

<https://www.cnbc.com/2018/07/03/nato-spending-2017.html>

Every Executive Order, Presidential Act, Presidential Emergency he signed into LAW is nothing short of brilliant, but those were not written days before. They were planned from 2012 to 2016. They were put into law from 2017 to 2021. The key pieces to do with this Operation did not ACTIVATE until the day of November 3, 2020, and after January 6, 2021.

He's also currently 144-10 in Endorsements as of June 29, 2022. That's God and the Military Generals and their Commands.

Which is why ORIGIN is important once again. Everything you, the American public, is watching is a script.

Great example: 99% of the world right now believe Putin is a bad guy... he's not.

The "Reset." In 2020, President Trump made BIBLICAL, Monumental, and Historical peace deals with countries we've never had peace with. All of those Countries including Russia, North Korea, Turkey, Saudi Arabia, and many more are a part of this Covert Operation.

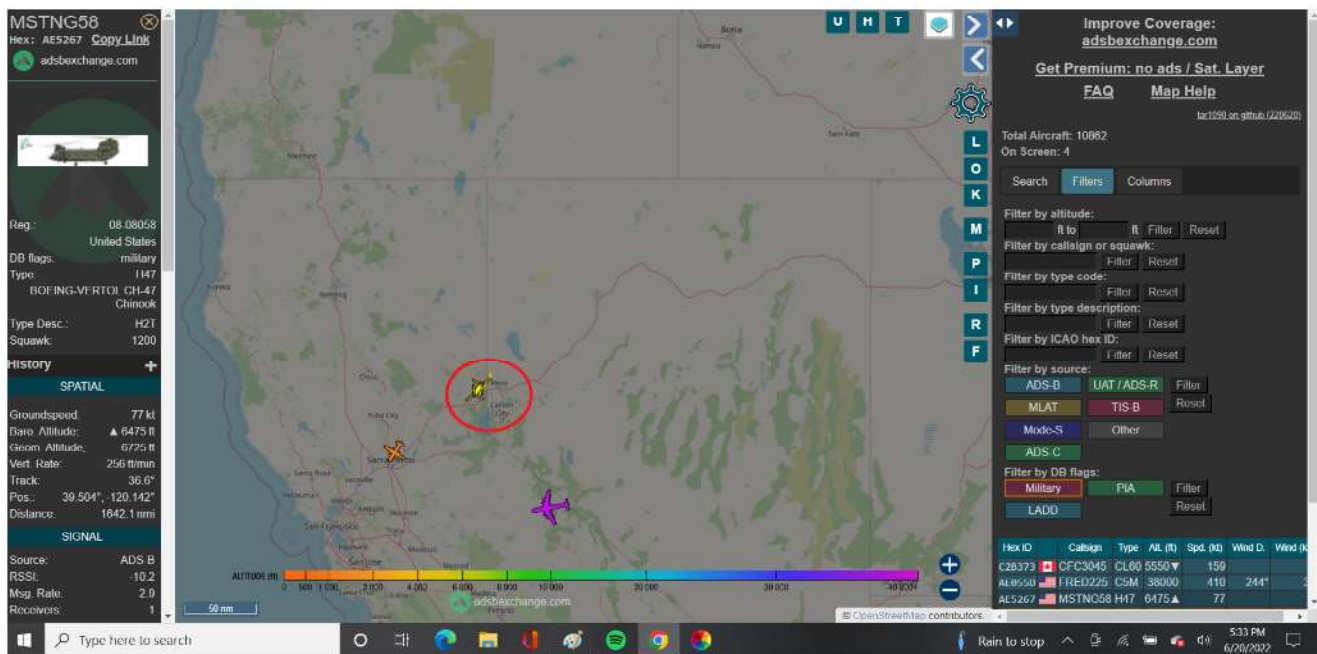

No less than 300 military and nuclear aircraft a day have been in the skies since January 2021 to present day in the US alone.

EVERY SINGLE DAY.

My Army **MOS: Air and Missile Defense**. We know military aircraft and their weapon capabilities along with all kinds of missiles etc.

We have to identify an aircraft in 5 seconds with just a tip of the wing eclipsing from a cloud and tell what it is, how fast it flies, its maneuver abilities, its weapon capabilities, what branch and country it belongs to, etc. or they consider you "dead."

As our top experts say, "they see you before you hear them."

That's just one tiny sliver of the Military.

Takes just a little research on your part. You have the same brain.

HeIIIIIIIIlooooooooooooo Gitmo!

The first and foremost thing to understand about the usage of Guantanamo Bay aka Gitmo by "Biden" is the **mirror effect**.

After you finally comprehend what took place from 2016 to 2021 via Military actions, Military Law (UCMJ), the key Executive Orders, Presidential Acts, Presidential Emergencies, National Emergencies, Military Actions, Codes, etc. then you can understand this is yet another **Optic** and **mirror**.

I've been showing you how the Military being activated extended the Powers of the President on January 11, 2021, and all of the EO's plus Military Law proves Trump is acting CIC with Military in complete control.

Everything you're currently "looking" at is a **Script** being played out in front of you... "Biden" is an actor... and Congress is acting a **Screenplay** in front of you to keep everything flowing.

The real cronies are in GITMOOOOOOOOOOOOOOOOOOO.

Here's what you actually heard and saw if you were paying attention in February, September, and December 2021.

"Biden" telling the American Public he was **definitely** going to shut down Guantanamo Bay.

In February and September 2021, "Biden" said he wants to shut down Gitmo Bay.

Let me get this straight... since I *clearly* must not understand anything about being President with the set-up as it "currently" appears to y'all:

So, if "Biden" is President with Democrat control of the House, 50-50 tie in the Senate, full control of the Executive Branch, Veto Power, Executive Orders...

How come "he" can't shut down Guantanamo Bay?

Here's TRIALS taking place at Gitmo in September 8, 2021:

<https://www.youtube.com/watch?v=HYF8D6Gr4Fw>

On **December 29, 2021**, the New York Times told you in an article that TRUMP **is** (present tense) expanding (present tense) Gitmo Bay.

I thought "Biden" is President?

Guantanamo Bay **expanding** courtrooms with \$500 million expansion?

Guantanamo Bay set to **start** Military Tribunals mid 2023? They're already underway, the general public won't know until mid 2023 (delayed script).

And just for the record... AGAIN. Trump has an Executive Order for Gitmo that aligns with the article.

A Presidential Document by the Executive Office of the President on 02/02/2018

PUBLISHED DOCUMENT

Executive Order 13823 of January 30, 2018

Protecting America Through Lawful Detention of Terrorists

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

Section 1. Findings. (a) Consistent with long-standing law of war principles and applicable law, the United States may detain certain persons captured in connection with an armed conflict for the duration of the conflict.

(b) Following the terrorist attacks of September 11, 2001, the 2001 Authorization for Use of Military Force (AUMF) and other authorities authorized the United States to detain certain persons who were a part of or substantially supported al-Qa'ida, the Taliban, or associated forces engaged in hostilities against the United States or its coalition partners. Today, the United States remains engaged in an armed conflict with al-Qa'ida, the Taliban, and associated forces, including with the Islamic State of Iraq and Syria.

(c) The detention operations at the U.S. Naval Station Guantánamo Bay are legal, safe, humane, and conducted consistent with United States and international law.

(d) Those operations are continuing given that a number of the remaining individuals at the detention facility are being prosecuted in military commissions, while others must be detained to protect against continuing, significant threats to the security of the United States, as determined by periodic reviews.

(e) Given that some of the current detainee population

Dive Brief:

- The Pentagon, alongside President Donald Trump, is planning for nearly \$500 million in new construction at the Guantanamo Bay Naval Base, according to [the Miami Herald](#).
- The base would see funds directed toward a \$250 million, five-bed hospital; a \$124 million Army barracks; and a \$100 million skeletal structure to support a tent city for up to 13,000 migrants and housing for 5,000 U.S. forces.
- So far, the hospital has been set aside to be studied by a Senate committee, and the Pentagon has begun soliciting bids of up to \$100 million for the migrant housing project. Meanwhile, Congress is set to fund the new barracks with completion expected by 2021.

The 2022 National Defense Authorization Act (NDAA) that President Biden signed on Monday [includes amendments that](#) block him from taking steps to close the notorious prison at Guantanamo Bay in Cuba.

NDAA signed blocking Biden:

<https://archive.ph/KWyGO>

So, let me get this straight... why in the tarnation would the "President" sign something that blocks his own ability to shut down Gitmo...

WHEN he's "supposed" to be the President (with the same Military and Constitutional Powers every other President HAS etc. etc. etc.)...

When he has full control of the Executive Branch...

Why would he sign something that blocks him from doing what he said he was going to do? Now that's hilarious right there.

From the Public view...

"Democrats have full control of the Presidency, the tie-breaker in the Senate, and all 3 Branches of Government..."

If that were actually true, and nothing happened via Military Law, Regulations, Executive Orders, the Constitution, of which I'm outlining for you, that you actually witnessed in Law and Order from 2017 to 2021, then what's stopping "Biden" from shutting down Gitmo? Much less anything else they want to do?

OPTICS. Military in full CONTROL.

OPTICS 101

COVERT OPERATION.

Who's actually in charge? Time must move forward. And because we could not STOP the Country and our system where we are at this point in history to EDUCATE all of the sleepy sheep in this nation on the processes of Government and our SYSTEM backed by an ORIGIN and FOUNDATION... life has to keep moving forward...

What you're seeing is a fraudulent "Biden Administration" doing what the Military tells them to do...

There's two forms of Government. One in control and the other an optic with a puppet.

Commonwealth Act No. 671 - read it again. Reread it if you must.

"Biden still signed the massive \$777.7 billion NDAA that authorized about \$25 billion more than he requested from Congress."

How quickly y'all forget that **Trump** set out the budget of **\$777 Billion** for our Defense Budget.

Must I remind you:

<https://www.cnn.com/2018/07/03/nato-spending-2017.html>

Not to mention... but to mention yet again...

"Biden" can't do anything because of Trump's Executive Orders, the Presidential Emergency, the National Emergencies, and the Activation of Troops extending his Power as President via Articles of the Constitution.

Everything from October 2016 to present day is simply **OPTICS**.

"Biden" ain't real. He's a puppet actor. You'll read and see more in Part II: Optics 101.

The Military and Commander-in-Chief Trump, being the 3rd War Time President (Constitutional; you'll also read in Part II) are in control behind the scenes... and you should be overjoyed, happy, and feel peace knowing so. I'm showing you how they are. Keep reading.

But why didn't they just tell the public or show us?

"We're not voicing our plans to our enemies any longer" - as Trump quoted multiple times while campaigning.

Corruption as deep as 150 years... does not get cleaned out in a matter of weeks as the majority of "now Americans!" 'demand.'

If we do not follow the simple principles and foundation of our Origin and Foundation... the Foundation that came through a Revolution with a War that gave us our Military, Military Law, Regulations, Orders, Constitution, the Declaration of Independence, the Amendments, US Codes, Acts, Law and its Order, that ESTABLISHED the UNITED STATES of America...

We are getting back to the Fundamentals of America. There's more who want it to stay the same than those willing to fight to change it.

Trump's Executive Order - 1776 Commission explains this to a tee.

President's Advisory - 1776 Commission

<https://trumpwhitehouse.archives.gov/presidential-actions/executive-order-establishing-presidents-advisory-1776-commission/>

Now, let's take it back a notch now that you know a little bit of Military Law, Federal Law, and Executive Orders.

State of the Union February 4, 2020

On February 4, 2020, at the State of the Union address, Trump already knew and warned you about Covid-19 long before anyone else had ever heard that word.

Throughout 2019 and early 2020, the left and evil cronies on both sides of the aisle kept mentioning they had a "**Nuclear Option**" they were waiting to use on Trump. It was not impeachment... Impeachment, good or bad, is a Constitutional process, not a Nuclear Option. The left didn't have any options, as they did not have control of the Senate.

They also did not have any options left because ALL of Trump's Executive Orders, Presidential Acts, Presidential Emergency Acts were all put into place in Executive Orders in 2018, 2019, that were to activate November 3, 2020, and after January 6, 2021... read that again...

They DID NOT have ANY options left because ALL of Trump's Executive Orders, Presidential Acts, were all put into place in Executive Orders in 2018, 2019, that were to activate November 3, 2020, and after January 6, 2021...

Therefore the only option they had left on the table was to drop the "Nuclear Option" which was the ultimate division and use of a Biochemical Weapon... which came from CHINA and the UKRAINE.

This is also why Trump had to issue the PEAD for November 3, 2020... Remember the General's tweet on Election Day?

Conclusion to lead to Part Two:

Everything you've witnessed from January 20, 2017, to November 3, 2020, to present day is a Covert Operation.

It has been a plan since the 1940's by Generals who said never again would they let happen to this Country like what happened to JFK, again. They needed an alliance to align just right to make it happen. They needed strength in numbers.

The Generals asked President Trump to run and started strategic planning in 2012, went into action on January 20, 2017, as the Military Generals through President Trump, through the Constitution, began restoring the Republic.

The Military and President Trump took control of the 150 year old corporation via legislative actions all by the Constitution, Presidential Emergency Active Documents, Presidential Acts, and Executive Orders from 2017-2021.

From 2017 to 2021, President Trump gave the mafia and media a chance to tell the truth, step across the "line" (optic), and their punishments would be lesser according to the Uniform Code of Military Justice and U.S. Codes (U.S. Law) for the Crimes Against Humanity, Treason, and Frauds committed and to be punished at the Military Tribunals.

Everything from November 3, 2020, are all optics via the Military Generals and President Trump. The Military Generals have known EVERYTHING for years.

The key code language droppage was when President Trump said on the 2016 campaign stage in response to a question by Jeb Bush... that he *already* had 200 Generals backing him which had been labeled a "conspiracy theory" long before many people even knew about them. It's always been said in the Military that 200 Generals all said if they ever had the chance to form an alliance and overthrow the corporation they would never let happen to the country what happened to JFK.

When people hear 200 Generals... most think 200 individuals. When we say 200 Generals... that means 200 Generals and their command. A command can have 7000 plus soldiers. There's around 800 Generals (US and World Generals) backing President Trump. Do the math.

Those Generals found their chance to act, form an alliance, strength in numbers, and a strong leader to wake up a portion of America. They needed an outsider. Someone who was not a politician. They found their man.

That's how President Trump was able to take on the swamp which is the Corporation... consisting of Congress, mainstream media, and a massive mafia which includes families with mega money for years that have always dominated the world because he had U.S. and World Generals backing him along with their commands.

The Military Generals (Pentagon) already knew about election fraud. They already knew about vote dumping on many levels throughout all states. They have been knowing who the corporation is and was. Hence their quote many years ago. They knew Hillary was going to dump votes. Hillary did not know how many to dump. Biden dumped too many.

Always remember... if you're going to cheat on a test, don't make an "A."

This Biblical, Monumental, and Historical Operation happened and is still happening right in front of everyone.

That's why it's important to listen to us Veterans who have Top Secret clearance, any clearance, and who know Military Law, Military Regulations, Military Operations, Military Optics, Military Language, Military Terminology, Military Symbolism, the Constitution, and U.S. Law.

The game was over in November 2016. The evil players of the corporation knew they had to fight like hell, like never before, while they could because of the Executive Orders that President Trump signed. They knew the language plus they also knew who was backing him.

In **many** Executive Orders, The Military Generals and President Trump outlined this brilliant plan and operation.

President Trump's Executive Order, about the Quantum Information System, along with Military Intel, Military Organizations, the Space Force, were tracking the fraudulent election polls live.

His Executive Order 13848, is THE most Biblical, Monumental, and Historical piece of legislation, outside of the Constitution. To write in a 2018 order the activation dates of National Emergency, Maritime Law, and the dates to report to him days before January 6, 2021, and days before the original inauguration date in U.S. History March 4, 2021, is NOTHING short of those definitions.

He wrote in a 2018 order two years in advance... when "voter fraud" was not a topic until December 2021.

The Presidential Emergency Active Document President Trump signed November 3, 2020, created the Government-in-Exile which protected the 13848 that activated that day.

All of those Biblical, Monumental, and Historical, Executive Orders, Presidential Emergencies, National Emergencies, the displaying of the Gold-Fringed Flag that signifies Admiralty Courts along with simultaneously invoking of the Insurrection Act of 1807, Marine Law of 1834, Title 32, Title 10, 10 US Code 246, 10 US Code 12406, and giving power to the Secretary of Defense via Executive Order 13919 in 2020, to active the 3rd line of defense, all 50 states of the Reserve components (never done before in our History)...

extended his powers as President according to Articles II and IV of the Constitution and more specifically: 47 US Code 606 - *War Powers of the President*.

As **thousands** of soldiers moved into D.C... allowed Americans to witness the corporation's ***foreign territory*** (as recognized by the Military), the District of Columbia, seized as it **became** a **PUBLIC TRIAL**... hence the fences ***facing inwards*** around the Capitol.

Every single press conference, interview, Congressional session, "Biden" speaking, the general public is watching is a **script**. All Optics.

None of those matter due to The Military and President Trump's actions via Law and Order above. Military Law, the Constitution, highest power and law in the land.

Remember...

"We went through the worst attack we've ever had on our country, this is the worst attack we've ever had... this is worse than Pearl Harbor, this is worse than the World Trade Center. There's never been an attack like this." - **President Trump**

Trump May 6, 2020:
<https://youtu.be/yzyxyoS8HEw>

The American Public had to **visually** watch Actor "Joe Biden" be **illegally** inaugurated after he had already **illegally** accepted the nomination of President to complete the violations of the Constitution via *multiple* U.S. Codes.

It was President Trump on January 20, 2021, who had the **Constitutional** and **Military Regulated Inauguration** by Presidential Salute Battery who is the 3rd Infantry Division aka "The Old Guard," receiving the 21 gun salute, red carpet rollout, with **17** Gold-Fringed Flags, leaving D.C. with Nuclear Codes **ON** the Air Force One #28000.

The Military Generals and President Trump are in full and complete control of this Biblical, Monumental, and Historical Covert Operation. President Trump is the 3rd WarTime President in United States History as outlined in the Constitution by all of those measures and laws above. Military Law and Civilian Law are two separate laws.

The Military and President Trump are controlling this as the Military and our allies operate multiple missions that were planned via Law from 2017 to 2021 as we await the Military Tribunals to be displayed and revealed to general public.

Everything that "Biden," Congress, and Media has done from November 3, 2020, is all a script and optics. Once you learn the Law and Orders from 2017 to 2021, you'll be able to see every single Optic in every single "news" article as those three entities are completing their

**Treason
Fraud
Crimes Against Humanity**

TO THE WORLD as President Trump said:

"The evidence and crimes will be shown to the public in FULL ACCORDANCE TO THE LAW."

Since January 21, 2021, there's been over 300 Military Aircraft in the skies DAILY. And everything you've seen via "Congress" and "news media" is all scripted until the Constitutional **Republic** of the United States of America, 1787 Constitution, is **restored**.

"There's a storm coming... wait for it." - President Trump October 2017. No coincidence.

You're in the middle of the storm.

It won't last forever.

But first things first...

"The American people are going to have to experience fear, terror, panic, anxiety, stress, and regret, **before** they ever APPRECIATE what is **about** to *take place*." - 4-Star General Michael Flynn.

It's VERY sad America has reached a point where Americans will not listen to a Veteran who is simply quoting the Uniform Code of Military Justice aka Military Law, Military Regulations, and Constitutional Law via the Articles and Codes, plus Executive Orders, Presidential Acts, Presidential and National Emergencies... plus what they all mean and how they were laid out in a plan.

I didn't write or pass them. I know how to read and interpret them. No secret, every American can and could too.

We had become a LAZY and SPOILED Nation. Point blank.
