Hunter, are you around tomorrow or the next day to catch up? I wanted to check in. Also, I am trying to get to Los Angeles next month and wanted to see if you will be there. Love, Rob

I would like that more than just about anything Robi. But if you don't know already which would make me so sad all over again. I was never more hurt by a friend than not being included and I was never more humiliated when it was made apparent to everyone that I wasn't invited. There's probably only a handful of people in the world who's judgment of me I care about. You're one of them. So whatever it was Robi I am so sorry to have been such a disappointment. I obsess over it everyday. And really want to know what I did - and try to make it right.
