Yes or no

No

Thanks friend. Give me your cousins number and I'll deal with it myself. And stop the spoiled brat act. It's boring and childish. If you think that I don't deserve the common courtesy of a response beyond "no" 2 hours after we talked last than you're just a plain old asshole. I don t care about the money as much as I care about tolerating your arrogance. You seem to think I don't deserve your respect..Or do you act this immature and unappealing with everyone.

First of all I didn't have to do any of that yesterday and I went out of my way in the middle of being busy to help you and your freaking out calling/FaceTiming saying u need it now. And last time I talked to you I said I would talk to my cousin and that I was pissed about it and I was gonna see what I can do. So idk where all that came from but I won't do you any more favors if that's what you think about me.

You call this freaking out? Instead of call I hit face time and hung up once? And you're ex used for being rude why??? Forget it...again. Not worth the energy it took me to type this.
