Before I finalize a statement if any "on the record" it's important that you know that the information this reporter has comes directly from James or you. I hope to god it's not you- that would fully and completely break my heart.

Michele Smith died. She has been a loyal friend since I was 14. She probably knew me as well or more than any friend I had. We never had a cross word. Sad.

On my honor as a friend, nothing has not come from me. I dont see what anyone has to gain and will explain. Let's talk when the plane is thru taxiing. I had heard about Michele. That's real sad. I didn't know she was sick.
