Is

In life we all have a story to tell. These stories have both positive and negative aspects and although mine may not be the most exciting, sad or righteous you became part of my most recent story. If you don't already know this or feel this I want to reiterate today how much I love you and how much you have changed my story within the past two years of my life. I will forever be grateful of having you in my life. Crossing paths with u once again (I've always known u) felt like coming home. I wish you nothing but the best and have only huge amounts of love for you. I miss you and I hope you are well my love. Pls never forget that I will always be here for you NO MATTER what how or who is around. I love you Hunt!
