Always thinking about you, but should have sent this yesterday. I love you.

Jun 1, 2018, 8:28 PM

You are a great friend Chris. I mean that. You really have been a loyal and generous friend to me when it probably hasn't been so easy to do so. And I will always remember and probably never return a text or a call in a timely fashion no matter how giving you may be and that's just because I'm obviously entitled to be a prick.

Read

1. Its always been easy. 2. You are actually an Entitled Prick. 3. Which is great. 4. I really mean #1. 5. Want to see you soon. 6. Many bedrooms in Hamptons house
