Are you okay?

Missed ketamine

So — head over to Blue Water Wellness for NAD+?

Nov 14, 2018, 5:05 PM

Can I call you later?

Hey, just come back in; let's talk. She is going to the inn. We've started something good.

I can't do it Keith . She infects everything and I let her. Talk to her. You seem very sympathetic with her plight. She's well off attractive she

Hello?

She is gone

Is the widow of a prominent man

She's got it all going

I have one brother in this. You.

If we join forces, I think you do great things and overcome anything in your way.

Didn't sound that way to me brother. Go make sure she's ok. I'll call you tomorrow when I get where I'm headed

Nah, she is fine, I am sure. Back at inn.

Go be with her

Do NAD in morning

Meet with me tomorrow

Nov 15, 2018, 3:28 AM

Woke up thinking you really do need to come back. Running from pain brings more of it. And the decision whether to run from it, or state it down, ultimately is the most accurate measure of a man. I will clear a couple hours during the day for us— not her — if you tell me you want to measure yourself by the higher standard. You should. You won't fail yourSELF. That's what matters.

Im here and will be at infusion at 9 am- I'm not running. I never get far when I try, she drives me to the brink. Its irrational and I know it, but it really is driving me insane.

When you have experienced the profound, soul-searing losses you have experienced, you become either Abraham Lincoln or a tragic figure, metaphorically wandering the streets like a vagrant, in search of something that you already eternally have (your mother's love). Glad you stayed.

And will shoot you a time to see if it works for you to meet up with me.

Nov 15, 2018, 9:25 AM

Where are you???

Will I see you for our 2 pm meeting?

Nov 15, 2018, 2:15 PM

Coffee at 8? Or dinner at 8?

I'm going to order appetizer b/c I'm starved and cranky take your time

Be there in 7 min

Where are you?

Nov 16, 2018, 6:51 PM

Have you ever wondered whether teetering on the edge of oblivion is your subconscious way of asking for the love you lost when you lost your mom and when you were distanced from your aunts and grandmother and, instead, left to effort love from your less-than-loving step-mother?

If you give up risking self-destruction do you worry no one will be "there?"

Also, are you sure I am in no way failing you by not more powerfully motivating you to detox in an inpatient setting, to start the ball rolling?

Just some questions on my mind.

Nov 17, 2018, 2:24 AM

Hey, you okay?

Slept alt fell asleep I night- fell asleep right after I left you

Nov 17, 2018, 4:38 AM

Great

Then we could go buy art supplies or get lunch.

Gotcha

Lemme check with one friend about her rental on Plum Island, as well

Nov 17, 2018, 1:31 PM

Hi ... heard you landed well on 53rd St. I love Plum Island. Incredible place. Used to live there. I can't get free until like 9:30 pm tonight— unless we get together now (?)

Happy to come by or meet you for food.

Your call.

Nov 17, 2018, 6:13 PM

Hope you are okay.

Hey all ok - slept all day- and going back to sleep now

Talk tomorrow  
Place is cool by the way

Sounds good. I love that beach. See you tomorrow. NAD+ is 11:30. I will come getcha at 11:15.

Nov 18, 2018, 6:22 AM

Ill meet young town at 10;45/11 if that's ok. I am going ton try to make the 10

10:15 mass at Holy Family or 10:30 and leave early at Star of the Sea. I always leave early and show up ;late for mass. I hate mass but I still go to f'ing mass even though the Catholic churchiest sucks.

Yes

Meet me at Blue Water at 11?

Yes

Cool

Its beautiful here

Amazing — and one of the few beaches recognized by Native Americans as a sacred healing ground

Really- right here where I am or all of plum island beach

I did a book signing once with an old novelist who had also written on Plum Island. He asked me, "Is there still sand in the streets." I told him there was. "That's good," he said. "I miss that."

I believe the stretch of beach from your area to the middle of the beach.

Chief Hiddenwolf is a local expert on the matter ... or was ... not sure if he is still alive ...

It is a barrier island. It is always threatened, yet as it dissolves it seems always to again accrete. Not a bad backdrop to reconstitute yourSELF.

Not bad at all

Don't forget Blue Water 11

I can pick you up if you think you will be drowsy after

Can drive you back too

No I'm good-

In mass

K

Nov 19, 2018, 7:41 AM

ARE YOU AWAKE?

Yes

Cool

I guess Tiffany plans to take you to pick up the ketamine nasal spray

And I think we should start extended release Adderall if you are sure you aren't using any other stimulant, because it would be dangerous

Nov 19, 2018, 9:51 AM

I'm not using anything else

Okay, I am gonna send it in ..... Will be interesting to see what you think ...

Hope you do, too

Nov 20, 2018, 2:31 PM

Did you speak with Hallie?

She texted. Never mentioned RISD. Didn't even know you were at RISD when she texted. May have mentioned Rhode Island. If you want no mention ever of anything about you to her, that is okay. We just hadn't set it up that way. 7:30 dinner!

Also, we should go pick up the Adderall

Keith did you discuss me in any way with Hallie today by text email whatever. I thought it was pretty fucking obvious that we aren't seeing eye to eye on things and that her having direct access to you to discuss me in any way is really just so insane. So you told her I was in R.I.? That's a really big deal Keith. And I'm really upset.

Keith I walked out of your office twice and threatened to never come back because I felt she was once again manipulating you to my disadvantage.

You've never said to not tell her your location

And that was it

Location

Now I know

What more could I have done to make it clear I wanted my privacy in total.

Seriously

I get it

You don't think

My bad

Maybe I'd like my location to be private. Because if she's asking you where I am

Then I obviously didn't want her to know.

Not bad

Really fucking bad

Between Nantucket and NPort and RI, and her coming here twice, I assumed which state you were in was not sacred. But I know now

She is on the war path

For reasons having to do with R I

How so?

She is going to fuck me up real good at home

How so

Really I'm telling you????

I get it but, Man, u texted from there like it was no big deal and without any caveat. I get it now.

No more texting please I feel really violated

None

I get it

Not looking to hurt only to help you

Sorry for misstep

She has done this with every one I'm closest to and every professional I made a connection with

I am now sealed

It's really more thN thAt Keith

I need some space

Got it

Give me a minute b/c I either lie to her which I can't or tell the truth

She should not meet us tonight for dinner?

Haha

Joke

Which is innocent but she will never believe and I really feel like this could be the last straw for her

Tomorrow is her anniversary with my brother and she is very sad and emotional and lashing out at me.

She thinks that I did something that would have been unforgivable at this moment

A she is going to hurt me as she does when she is scared

Really really tear my heart out - she's made that clear

Can I do something to reinforce the innocent explanation?

Dinner yes?

Don't be too angry // u couda said, "Hey, headed to RI, not a word to Hallie."

Dinner

???????

How about 8 pm at Poynt

Helloooooooo

Hey I slept in the chair for four hours through my infusion!!!! Just woke up. I'm getting a quick bite to eat and I'm going to drive home tonight and beat the traffic. I have one small problem- I need 60 bucks worth of gas to make it to a Wells Fargo ATM which amazingly the closest I can determine how is almost to Hartford!!

I can meet here at my office at 9 or can meet now across the street and join you for quick bite and take care of gas money if you are SAFE to drive.

Which do you prefer?

I'll meet you at 9 because I'm sitting with Jodi - she's buying me a quick bite because you all left me with no money no friends no home no hope but very rested.

Ha

See you at 9

Nov 21, 2018, 9:57 PM

Bro, you ok?

Nov 28, 2018, 7:52 PM

Hey, I am outside your place

You okay?

Nov 29, 2018, 4:44 AM

Hi, Hunter: We're going to wait on further infusions, until we can confirm 3 negative drug screens, in a row. Also, I think we should meet next to speak about choosing the best 30 day inpatient setting for the next phase of your recovery. I fear this one doesn't have the structure you need to succeed. Let me know a day/time that works for you, if you want to move in that direction. Otherwise, I am always open to psychotherapy meetings at my office, even if you have yet to commit to the inpatient experience. K

Also, I do not recommend the use of Viibryd or of Adderall in the setting of the use of substances. Hence, I advise you discontinue these prescriptions, to the extent you may be taking them. K

Let's talk today Keith. let me know when is best.

Okay. I only have 5 pm. Could that work?

Sure

See you then. Sounds good.

Hallie wants to talk finances with you ...

iMessage

Hallie is an utter and complete asshole that is once again taking the opportunity to do the exact opposite of what I need.

Ugh

Such as?

Covering a few thousand dollars for rent and treatment costs for the next 2 days. I have 150k coming by Friday and needed just a short term loan (on the AMex I pay the full bill for meaning all her shit) and without telling me she denied the payments. I'm not asking for cash or some inordinate amount that in any way puts her in a tough spot. And I asked her :

"I want you to be here. I want you to nurse me there the first few days and then got home with you and stick together all day and night I want you to do what I asked you to do before. I want you to take care of me and put up with me until I'm out of the woods. I don't want you to not speak to me and give me ultimatums that drive me away."

It was in response to this from her:

You send me this:  
"What do you mean come to you? I would do anything for you but doing the same thing over and over is not working. What do you want me to do? What can you do differently? What do we do differently together?"

My reply:..

What the fuck??? You're such an asshole. What would be different is if you came to me and stayed with me after. TOGETHER! WTFHallie?

Dec 5, 2018, 1:51 PM

Dec 5, 2018, 7:57 PM

Hey I didn't get a chance to ask you but what exactly did hallie say. It pisses me off that once again she went to you when I specifically told her that I didn't want her to talk to you with out me being a part of the conversation because she lobs bombs into what are often tranquil waters. And she promotes her version of my life that is divorced from all reality. Its hard for me to take what she says seriously when prescribing her ultimatums when she will not talk to me by phone by text by email b y smoke signal.

Dec 6, 2018, 5:28 AM

She didn't go to me, exactly. I called her about her credit card. Then, she shared her concern, as we spoke of thematically at dinner last night, that supporting a person who is not sober makes her worry she is supporting a bad habit and that she would be partly to blame for any tragedy that could ensue.

See u 8 pm? Cool? We can go over. Here, there, wherever.

Dec 6, 2018, 6:50 AM

But she's not giving me cash Keith she's. Paying for my treatment under your care. And she's not giving me anything. She knows full well that one she's owes me (I never intend to collect ) 100s of thousands of dollars and that two I will pay the amex bill regardless at the end of this month. And how could any one hold her responsible for my demise b?c she paid my doctors bills. Seems too me that from an outsiders perspective she would be treated much more harshly for refusing to come and and get me through the next few days and stick together when we get home. That seems like someone who would deserve some scorn. She's fucking awful.

Dec 6, 2018, 5:23 PM

Hey did I miss you?

We can reschedule

Tomorrow whenever or I'm still here

Hey you out there???

Hi

I am30 seconds from there

I am in bar area

Where r ya

Hellooooo

Dec 6, 2018, 7:57 PM

You still didn't tell me what she said exactly nor what you said in response

Exactly: "It's so hard to know whether accepting someone as struggling with an addiction and saying, 'Struggle right here; this is your home,' is actually being co-dependent and an enabler."

Also, "I wish he had come to see you after 30 days in rehab."

Also, "I think it's good that he is working with his artist friend."

Also, "He can make as much money as he wants when he decides to."

That's all I remember.

I listened and offered very little. Mostly, "yeah, okay, yes. I see."

Also, I said, "I get the rehab thing but that seems not to have worked."

More important questions just urinated and the very end of a normal yellow stream there were a few pink to red tinged drops

So we gotta get a urinalysis

Could be a minor infection

Could be prostatitis

Could relate to processing a substance through kidneys

Let's find out

Will set you up with medical appt, too

hmmmm-

It was fun reading this:

Blood in the urine in anyone over the age of 35, especially in people who smoke, should warrant full urologic evaluation because the most common cause of blood in the urine in this group of people is bladder cancer. Before that age, infection may be the cause. However, if gross hematuria is present, even once, it certainly needs to be further investigated. In this case full evaluation should be done by a urologist to rule out cancer or other abnormalities.

Hmmm

We'll work it up. My guess is still related to the substance. But we are gonna chase it down.

Blood in urine (hematuria) - Symptoms and causes  
mayoclinic.org

Cocaine and kidney injury: a kaleidoscope of pathology  
nlm.nih.gov

We better get writing that book- and to be clear I do. Not authorize you to write my posthumous biography.

You are not dying. I mean, we all are, but you are not suffering with either renal or bladder cancer. I promise. We will find the cause, however. We should write the book now, though. Love to.

Unless it includes that I challenged a guy twice my size to a fight...and a fair amount from women I slept with NOT Hallie or Kathleen.

Maybe some of the pet videos should be released also.

Just thinking out loud.

And to be serious I'm sorry about that I should have let sleeping dogs lie but he really did call me over and I really did apologize.

I think all that goes in the bio, not posthumously, however. I

I think it may have been a good bonding moment for us, were there two of them. We may want to find the right moment. I would probably want to leave my .38 at the office, however, and it was in my pocket.

Yes no guns in a fist fight

Thats not fun

Did I tell you what she did with my 38

No

True story

Tell you tomorrow

Took from lock box of truck and put it IN PaPer BAG AND Threw it in trash can at local high end grocer. For no reason. And I freaked when I saw it was missing 10 minutes after she took it and when she went back to get it after I scared the shit out of her it was gone which led to state police investigation of me. True story.

She has a "thing" for putting dangerous stuff in garbage cans

Your stuff

Hmmmm

But really on top of the full open trash can

I am sure you two have intimacies and pages of your shared life stories that bind you together, but, really, she seems rather ill-equipped to both love you and command your attention/respect/admiration, etc. You're avoiding being the chosen one, because you were not the chosen one, by your step-mother.

She went golfing

Done and done

She threw the drugs in the waste paper basket beside the bed.

She tossed out a gun where a kid could have blown his sister's head off

Whether she is built like a greyhound or not becomes irrelevant.

Makes me want to save her from herself

Spoken like a boy whose mom was lost in a crash

But I can save this last one

You are an artist and writer etc etc etc. Choose pain, not anesthesia; it will never fail you.

Save her? You sound like Odysseus on his way to save a Siren

You will be smashed upon the rocks

Odysseus was a hero

Do some writing, create some art, generate some artistic consulting deals while the prospect of President Biden burns bright. Find a scarred and beautiful poet or stripper or musician who can love you to the depths and pinnacles of your existence.

He bound himself to the mast, so as to remain safe from the Sirens, did he not?

As an aside, how do we get the Chinese to stop eating dogs?????

Right after we get them ton stop eating children.

Ha

Dec 8, 2018, 12:08 PM

When will I see you?

Helloooooooooo?

Dec 8, 2018, 6:50 PM

I am still around if you are going out. Hopefully, you are just gonna sleep. Don't use money for anything bad. :)

By the way, he reserved the house a while back for those nights only. So, after that it is yours, if you like.

Thanks buddy. You're full of shit but I'm a better person for having you as a friend. Seriously. And I'm being a good as can be and better than I should be thanks to you.

Thank you ... I want you to be what you were meant to be, from all time.

On another front, an old friend (60s, female) sent me this gift that arrived yesterday. We met after she read this quote of mine in a novel. So she had books bound with the quote ... and it seems apropos ...

And you were kind to point out I do take risks. I think, I hope and I believe they are in service to what my heart tells me is the truth. I am sure I err at times. But, on the whole, the idea has been to develop enough courage to allow what you call the "one" to manifest itself. If a person gets that really right he has the privilege of being crucified for it, which is only the prelude to being reborn.

Lastly ... as to whether people are born evil ... I wrote this about the guy who tried to kill me ...

I guess what I meant is that people were not born evil but there are evil people whether there is a reason for it or not and I believe that you're right there's always explanation —the fact of the matter is that evil exists and it is something that no one should deny nor is it something that is necessarily innate but from what, from whom is that first evil explained. Everything has an origin. What's the origin of evil?

I agree. As to the origin, can it not be fear? Fear of love? Is that not also the root of addiction? Fear or loving oneSELF and creating from the core? The War of Art addresses this. So does Blue Dog.

Dec 10, 2018, 10:56 AM

Hey buddy so that I don't end up in a pissing match can you itemize the Baystate psychiatry charges for me

Baystate covered by my insurance?

We don't take insurance. You can send the receipts in to insurance, though, and they may reimburse, in part, as out of network charges.

Yes, we will itemize and create a document for you.

"Always there is that space between what you feel and what you do and in that gap all human sadness lies"

I love that

Vanessa sent document of charges to Tiffany, who is compiling with Blue Water and ketamine for Hallie

Here is Baystate accounting ...

4 pm still okay?

??

Dec 15, 2018, 2:49 PM

Tomorrow morning was better for both him and me.

Excellent

Little bit of hyperbole wouldn't you say to describe my last text as excellent. Also not excellent in any way that you would be wasting you time dealing with my rental house cleaner. Hallie (whom you got back in this process of payments when you called her before calling me who would have given you a different card) is trying to reverse the disputed charges and has no remorse whatsoever for asking originally for Tiff to do through her PayPal account which made it easier for Hallie. She was fully aware of what she was doing and in fucking me over (like putting gun in trash) there's domino effect. Little poison shit bird.

I never called her

(Regarding the Paypal thing)

Insane, she would do that.

And, yes, "excellent" was hyperbolic :(

:)

\*

No dude for the bill. All the bills are paid through the same PayPal (tiff's) and then to Baystate, BWW, the Rental agency etc.,. Tiff didn't set it up that way Hallie did.

Insane was not hyperbolic

What's up by the way?

Not much. Lots of work, as always. Looking forward to being neighbors! When do you move in?

Is the cottage rent controlled? Do you allow marine animal pets or amphibians of any kind? Do escorts from Miami qualify under the Mass State laws as minor dependents if they stay with me more than 24 hours. What is the cleaning fee in the event of large scale blood stains and/or missing walls \*(not holes in walls - missing walls). Is there a late checkout fee if you've squatted for over a full month? Do you plan to call any aw enforcement if there is a fire in more than one window of the cottage.

Haha

It's a wide open policy.

But don't smoke inside!

Dec 16, 2018, 3:48 PM

Dec 16, 2018, 5:40 PM

Hey — well - been on calls with Dad most of day. Talking what's next with political team. Slot of polls that are way outside the norm for anyone in the last 20 years of presidential politics. Place is beautiful thanks for letting me rent it.

Glad you are there.

And glad the field has him way at the top.

WhAts your schedule tmrw

That may be very tough

Or?

No it's the anti depressant shit you put me on that in now realize I haven' had in 3/4 days. I'm either going crazy from that

Or Hallie

Or Brianna

Who says hello.

Is it murder if she falls out of the car while it's moving.

I can call that in

I've got enough Adderall to kill a cow but I could bring it down with the remaining benzodiazepines

It is not murder, but it would deprive the world of a superior soul.

I will call in the Viibryd

Oh thanks you're such a great doctor American and friend

Of Brianna

What is your date of birth

Hahah

2/4/70

Gotcha

Robert Biden

Interesting how the Fed is joining the CIA and FBI in trying to deprive our great nation of one of its greatest leaders by tanking the market by artificially raising interest rates.

Also interesting how McCain's associate is now implicated in showcasing the Steele memo

Making Trump right again in opposing a man who, to all appearances, was a great human being, but who obviously was part of the cabal.

:)

Viibryd is all set!!

Hey can you call in Viagra

Not joking

What buddy is this?

What is what?

Charging only for time spent, rather than, say, 50K for a month.

Brain Mind is ketamine

Blue Water Wellness is NAD+ IV

\$2500 is staying at 3 Center

5750 is month of Jan 5-Feb 5, which you said you wanted at 3 Center — twice

Let me know any specific questions and happy to give the details!!!!

Never doubt the doc! 😊

How ARE you?

I don't doubt you ever my friend

I don't want to put that 1/5-2/5 in Hallie. It's working against me and to tell the truth buddy I can't afford that at the moment. I didn't realize I committed all in. Can you charge a week as a penalty for me being unclear and irresponsible and refund the rest for now.

And I just need to know what's for what

I love you like

A step brother

I can refund it all

It ain't Jan 5 :)

No don't my fault and I lost you time to advertise it

Hey friend call me please thx

So ... Meet with the doctor ... Tell him you are filling out all forms under a pseudonym. That is your right, by the way.

I would tell him that you don't need 17,000 worth of NAD+

The loft sounds good, as soon as they can facilitate you going there.

For now, if you can have someone stay with you, that seems smart.

Then, the loft.

hes this concierge doctor to the elite crowd which as you know makes me a little annoyed to begin with

In the alternate, you are always welcome here. I can get someone to hang out with you. May take me just a bit to make that happen. But not long at all.

Like hours — while you drive here, if you do, or take train and Uber.

Well, the concierge doc to the elites is cool, if he is also a real healer. He could be a good force. Don't know.

When I say that he's the guy who comes and gives people shit to get over a hangover son you can party the next night

Oh

That ain't good

Not to judge ... but ...

Anyway buddy think a little more about what you as a friend would have me do. One thing about here isthast in. The middle of it all NYC I'm still lonely. Iff o stayed up there and for tested for say 30 days and then come to live sober living here and we really worked book podcast consulting ideas I feel connected to you and tiff and my friends at ketamine place and have a feeling of. Life. I can do my yoga meet a girl go to coffee and ill pee inacup for you.

And i'll call you in an hour or so.

And by the way dad is paying for whatever I need

Will never say you can't be here, of course. Let me know. The drug testing is a good idea, too. Yes.

As my friend, brother, part of me wonders — a super unglamorous but effective place like Beachway in Daytona Beach is also on the table.

Under a pseudonym

I want you to say that you the nk its bet for me to be there and that i can do this-maybe pay a sober companion to live with me

My plan here would be ketamine/ NAD+/me and Bob McInnis/Tiffany, plus yoga/ meditation and we can certainly work on book

Yes

I have access to sober companion — my friend runs a business that supplies them

Or I can supply one

But if you feel like being tested and living in loft and meeting Todd is a good plan, I could see how you could end up rebuilding business from his offices

But that can happen after a week here and I can go to NY with you to meet him and get it going

So, it's all on the menu

Just don't run from NY if you are only doing it for a few more days of the candy

Really Keith right now I want you to tell me what to do? My choices aren't working.

If icon e to you I get on train now and I take uber straight to you. If you say in patient detox for 5-10-15-30 days I do it. If you stay come to me and we will fix if you do exactly what I say and if you dont 30 day straight away I do it. I need fl@m direction\*ion I am incapable of making choices that dont give me wriggle room. I'm turning my will over to God and Keith Ablow. I trust you to make a plan thats love and thats compassionate but stern but never one that requires I feel shame and be ostracized. I mean that Keith make a decision for me because I know mine will not be one with out an escape hatch.

I don't know them there. It is hard to assess. I would say to give it a shot. It seems sound. If you have serious misgivings, at any point, then come here. You can stay behind my office at 3 Center with a sober companion and be tested. We will provide the ketamine etc. Then, if you are still using, I will take you to a 30 day program myself.

But the loft sounds like you should try. I would skip the \$17,000 routine.

Jan 2, 2019, 12:22 PM

I'm coming to you like Moses to the burning bush. I'm Moses you're the bush by the way and Hallie is Miriam (too bad for her).

Haha

I am all in

We are joined like Moses and Aaron.

By age, intellect and breeding you realize, of course, that you are the JFK Jr we lost. Hence, you must be made strong to make us strong.

And, before that occurs (your first Administration) I must disabuse you of several liberal notions that could hobble rather than heal the nation.

Also, in sympathy for your loss of three jackets, I thought of washing my favorite jacket or taking a hammer to my watch, but I couldn't bring myself to do it.

Ok scrub - clearly Beau was Aaron (Miriam's husband who snitched on Moses only to get the wrath of God) . My jackets are fine and since you so love them they are yours - you're arms are as short as they appear correct?

My wingspan is that of a falcon. You are dangerous because you are simultaneously immensely lovable and profoundly fragile (at present). Your loss would shatter many people. You must not hazard that legacy. To have visited the depths and returned to do great deeds (whether a single work of magnificent art or a single campaign marked by brutal truths or love bestowed upon a worthy woman or upon any canine) and has to be your path.

Jan 2, 2019, 3:33 PM

Agreed my friend - can I be a Condor?

And this may seem like crazy talk but can we actually get a book. Contract?

3.5 meter wingspan

Yes

Like Tom

Orrow

Probably

Need to have summary of sorts

Almost done --- very very short - but it's interesting

Would love to read

I just assumed you could read b/c you write

Haha

I'll read it aloud to you when I get there from the bath tub with a scotch like Churchill

And then I'll get back in bed

Okay haha

For. Breakfast

And paint after dictating through lunch

He was very accomplished painter actually

I did not know

And the. Drunks and notes before supper and then ...

Now I want one of his paintings

He really was - pastoral English country side paintings

Beautiful really

Brianna keeps asking if I have talked to you and I have said no. Should I continue with "no."

I will look them up

I'll buy you one when we make millions from the movie

Deal

If the paintings cost millions I'll have to use your cut

Fair enough

Brianna --- above --- shall I just continue with "no?"

We can call it 3 Days of the Condor

Or "Wingspan"

I'll be Robert Redford

He wishes he were Hunter Biden

You didn't even get the reference

I did

Did so!

Did t you ever see 3 days

No you didn't

No

I did not

Absolutely not

But I got the reference

Nope

Nope --- I did not get it

Did so

Once again proof I'm smarter than you

As a 7th grader would say

I thought it was like 8 days of the Condor or something

And better dressed once what's his nuts gets a look at me

Nope just 3

Ahhhhh

I will watch it

My NY resolution was to write another book

You are just in time

Ok for real we do one book as non- fiction and then we do the other as fiction

You have to read Charlie Wilson's War.

Okay --- 2

I will read it--- for real

And for real I'd love to do a non- fiction evisceration of the Chicago fakes who think there gods gift to politics

3

My favorite #

33 actually

And that's seriously worth our time and we could sell that in a second

But 3 is important there

Okay

I'm being serious about each of the . Maybe the first non-fiction is handed over Tina serious screen writer for a fictional dramatization. And we release the 3 rd book first about one month before Iowa when those idiots are going crazy trying to repeat their luck with Beta

Do you think the plucked him from obscurity because he has such a pretensions fucking name

It sounds familiar

Terrible name

Failed politician who had no record of achievement in government

If they nominate him it will be an utter disaster

Your dad is the answer

The only plausible answer

I just hope he lets me keep my guns

But as a great reporter once said incorrectly of my dad "Joe Biden is nothing more than the empty vessel filled with oat Cadells madness."

\*pat cadell's genius

"Any man who can triumph over dementia is a giant. Think what he could do for our nation's needed recovery." Dr Keith Ablow

Pat was good enough to plant that seed in what's his name Jesus famous columnist

You're such an asshole but that made me laugh out loud

"Perhaps he can help us remember all we intended to be as a people, since he can now remember his address."

I wanna be Surgeon General

So I will help, in any way, cause I love the family.

He doesn't need to where he lives Keith that's the only thing the secret service get right at least 75% of the time

Haha

Of course you do so you can promote cigarettes and coal which I'm all for

I want to wear a uniform like Koop.

Can we immediately start the podcast

With all sorts of colored squares above the pocket.

Because we actually might not amuse anyone else

Podcast --- why not??

Sure

But wed amuse the shit out of ourselves

My squares would include the TCB ⚡

A la Christian's tattoos

Yes, I wanna do podcast

Okay, I got a patient by SKYPE. So gotta go. When do you arrive?

Whatever he can wait

She

I'm arriving late late

Early early

Me and tiff have a whole plan

And without giving a name, she grew up with 2 mothers and no father which is very much a "your party, not mine," kind of thing, and is the growing place --- pretty much always--- for big trouble.

And you're going to be my big brother please and hold me to it.

I will

Well is that worse than one mother no father

Yes

Way worse

Nope love is love love is a dog I'm a dog

Because it inherently starts life out with a massive lie, which is very hard to overcome, ever.

Can i have a dog in the cottage

A dog??

Hmmmm

Of course

But not a puppy (??)

Instead of massive conflict and abuse

Rescue dog

I love dogs!!!!!!!!!!!!!!!!!!!!!!

But not end of life

The backyard is gated

Dog heaven

Go to your patient if she's hot tell her she can have a father in me

That's sick sorry

Too far

She isn't but I can't think of that even if she is cause I will be sued.

Yes

Nothing is too far

Talk soon. Drive safely

Well clearly not

Night

Night

Roger Stone finds time for best- and worst-dressed list amid scandal  
pagesix.com

I know Keith you've sent it twice now

This was Page 6 :)

I can put anything there you want FYI

How about retracting

Haha

"Keith Ablow and Hunter Biden were spotted at Barney's arguing over the last Loro Piana leather trimmed blazer with the crest of a lion in a large."

Until Keith realized that Hunter looked better in pretty much everything. So they decided to split up and have lunch together at frewds in one hour. Hunter went to Tom Ford for his favorite fragrance Tuscan Leather and Keith "forgot to take the jacket off and went early to Freds to meet some scum bag page six reporter. When leaving Freds Keith was spotted "accidentally stealing" the jacket. Lucky for him Hunter arrived in his dark green suede Tom Ford jacket he bought for the retail price times four and spritzed everyone with Tuscan Leather. What ensued next was an extraordinary example of brotherly love. Until Keith again tried to "forget he had the jacket one." Not even Tom Ford's "Fucking Fabulous could save the day -so Hunter said run for it and that was the ,last they were seen...on the upper east side shopping for at least a month.

A good ending

Bummer for me that Tom Ford refused to outfit Melanie Trump so I had to return these boots I had ordered that arrived the next day. True story. They were great boots, too.

Unfortunately sent the following text to Dr. Helfets's assistant. It was meant for you. She thinks I'm hilarious!

I spoke to his assistant early this morning and let her know how much I apologize and the reasons why. I would still like him to look at the scans if he would so that he could at least tell me if I should fly to dc immediately and stop whatever they plan to do to her. I still want to get her here with him if she needs surgery. My wife is vindictive to the point of making horrible decisions that possibly risk the health of her children just so that I am not seen as being the father I am. It's amazing to me Keith and everyone says I know I know and when I flip out they say "well there you have it and there you have it Crazy Hunter" I'm so sick of it Keith. I really mean it. I have never hurt nor failed to be there of or provide for any of them. I'm an addict but shit Keith I try and try and try again to varying degrees of success (1 day to 10 years). And as far as I know the only time I'm truly absent in their lives is when they make me go away. Not because of dui's (never) bar room brawls (well one or two in 25 years or affairs or abuse or inappropriate behaviors or loosing all my money or piling up debt or for falling down the steps or slurring my words or blacking out (I've never not once blacked out). So what the fuck would you feel like Keith if when your brother died your wife left you and vilified you and demanded I do rehab which I did IOP and inpatient for a total of 10 months in the first year after Beaus death. And then Hallie and then...

I'm ducking done with all of FHA's Keith with all of them all of it.

Being done with them is okay. Don't be done with YOU, which is sort of what smoking the stuff does.

About to run in with patient. You coming here?

Yes I guess so they still won't tell me when or if surgery I just got truck out of impound and now I'm going to see if I can break bricks with my fist.

I bet you can, but think you shouldn't :)

Well I just read that it takes 300,000 psi to crack a tempered glass windscreen of a car. Or in this case the windshield of my truck. Strangely and seemingly impossible if you read the web I did not crush all the bones in my hand nor my wrist and supposedly as one site suggested I must be "Superman" or possibly a Shao Lin Monk at the highest level of training.

Belly of the Beast

This song informed my existence more than any thing I've heard read written.

I listened to it and read the lyrics. Before I assume I understand the way it captures your struggle, say more ...

Are you okay?

Yes I was driving ill answer in 2

Kkkkkkk

Preacher Foretold  
Shawn James  
🍏Music

Look at his picture which is the album cover first! He ain't smoking a cigarette. Listen to the whole album. Pretty amazingly relevant (at least to me). As for the song I didn't have the lyrics and I heard what I think I wanted to hear.

Heard a man saying I'm an angry man sister and I am for good reason. Why is it you don't see? I live in the Belly of the Beast that all of you talk about about but will never know. You will never know what it takes to wage this battle day in day out. I do because I live in the belly of the beast for all of you. And I will not abide the darkness I will not be a mere witness to the soulless willfully ignorant to the struggles and consequences of those who never have the luxury of not "knowing" thel lives they were born to.

Dont fear for me. I've been battling. Ive been fighting the war you pretend to have won. Well the war goes on. And the ones you judge are the soldiers fighting the battles so you do not have to.

What's wrong? I know. I know wrong to the fullest. Because I've seen it done to me in ways you cannot even imagine and in fact choose not to understand. What's right? I know right. Right is the way I treat the people you condemn me for merely knowing.

"You" is not YOU

Hey— meet for an hour at 1 pm? Get going on book?

Yes and for Christs sake man get me some girls any half decent looking girls number. Il's truly seems the last available distraction I can supposedly indulge in and im stuck with a woman who either has ice in her veins or she more likely is borderline narcissist with real issues around the pain she still carry's from her earliest experiences with men. In other words help me get the fuck out before I sink the fuck back down again. And not with the psychotherapy bullshit (kidding) I need a girl to seduce (not kidding).

I just accidentally sent that to a massage therapist I was trying to get an appointment with.

Hahaha

I think she may be a little freaked out right about now.

On my bookshelf

Sometimes, we injure ourselves :)

Jan 27, 2019, 6:32 PM

Sometimes we heal ourselves and sometimes we are healed by others and sometime we are made whole only to be what be shattered and out together again with pieces missing. Where did that piece go? I'm trying to find the piece that fills the hole in my chest but truth is I've become well acquainted with what felt like pain once but feels like the only love i know now.

I've thought about it and decided that the to strange to be true story should be fiction . We take the bullet points - those lead chapter titles and we just run with them . Think of it as a paint by numbers canvas. You take the story write the book and then we sell the screen play.

The book we should be writing together is the book of us. The book of what you see that I don't - the book of healing - and of decay- of the truth of being alone in the reality that we each are the actual whole of the infinite ONE that decided to be two so that it might know itself...ad- infinitum.

Does anyone really know that they are you, me, the flower the tree, the nebulae, the poem, the cancer the, feeling, the space dust, the idea of anything and the reality and the illusion of all that you could ever think of or the entirety of everything that ever existed or will ever exist in reality or imigantion? Yes. Can anyone inhabit that spacec

Exactly what we should be writing,

Shop

He repairs intricate model boats that people send him from all over the US

And the world

Even taking that action .... Does it MATTER that he does that work? Does it matter that someone gets a healed tiny ship back that was broken? Yes, it does. Because the ship is a reflection of self. The soul of the sender is invested (literally and figuratively) in repair, in making something whole. And the fact that the sender and recipient craftsmen join to make it so, is beautiful, is it not?

Simple, yes. Earth shattering, no. But immensely beautiful, in its own way.

The idea a man would CARE if the tiny planks on a vessel that will never go to sea are perfect is a poem. The man gets it back from Piel, unpacks it, looks at the varnished deck and feels a sense of satisfaction. No one can criticize it. It IS.

Does it matter if we get our nation "right?" Well, maybe not. We are due— overdue— for an asteroid to obliterate us. But it matters, anyhow, that we strive. Because God or the Light or the Universe will still exist after earth. And it will MATTER that we loved the little planet and one another and our SELVES.

Coke is self-hated in powder form. Obliterates pain. Pain is truth.

We are that space. Some (there is only one thing not somethings) through the (what could we possibly call what I am that YOU are that is this One thing that I (it/we/ us) of all (there is only infinity)that they THINK they are - the believe that they are whole and never realize that they/we/ius/everything is the the whole of it we are all the shattered pieces of the ONE thing that is us and we are all living the life the experience of the next piece of pain that the one (Us everything) has unleashed within itself/ ourselves. PaIn.

Pain is the only true emotion the only truth T all. Pain is not of the apple and the sin of eve — pain is the only thing that the we the one have ever felt. From birth to death and every moment in between we suffer alone in our pain

Jan 28, 2019, 7:59 AM

Did you rosins to her Keith I swear the things she says to me the timeline of the. She says I'm mean but I'm never mean until I resoknd tonher ignoring me and she is intentionally cruel right when she knows it's the hardest for me: she's done this 4 times now. And she knows that I feel like a fool and a failure all the time and I am so crushed every time she reminds me that people think I am every time she portrays me that way to others and every time she. Stands me up against my brother and my dad and acts as if she has been left with the burden of me . I need to know that you understand everything that you believe me that you don't become seductive by the calmness of her voice and the reasonable lies she tells that sound more true than insanity of her behavior. Every time Keith and everyone she either convinces one person and that's enough that I'm insane that i need long term inpatient treatment 6 months to a year- she says the to everyone.

I have not spoken to her

Shall I or not?

And you should do the IV, see Tiffany for lunch etc

Don't get distracted

Someone has to tell her just how wrong she is being and has been . Jesus keith I've owned up in real-time to any bukksht I've done - she in the other hand even when faced with hotel bills (a mike from her home where would go to hide) on days I was out of the country let alone the date. Pictures. My best fucking friend Keith. And she never gets pushed back or told that she is not only playing with my life.

She is doing it with malice aforethought .

How can a man be so fucking smart and so fucking important to ALL of us and yet so damn pussy whipped?

I don't want to and I'm not fucking distracted keith I'm I'm uncontrollably sobbing

And I'm not pushy whipoed I'm

Embarrassed because she knows I'm so uncertain with beau home so many oeilenhave Sadi So many horrible things to me since beau dies and I feel Like a fool

And she calls me both and says "so do Others they always thought beau and I would joke about it all the time ".

I hope that's not true but also can't believe that some one who says they love you and that has all my heart in her hand would say such things. Things that cut deeper than I knew possible

I get it. I do. But do you not have bigger fish to fry?

Have you heard fro m Bobby

You survived so much

I'm worried about him

He said he has not heard from you and was therefore going to wait to hear from you

I I have e no bigger fish to fry than this keith shebus the wen that stars me evergbbdbbdddffffrrrrrr

Hmmm I bust called him twice

Is y # coming up blocked

I don't think blocked

Not sure what you mean

Nah, I think Liz literally has yet to text Vanessa back

The "Hunt," I take it is a term of endearment, as you are usually "Hunter," in her texts.

Still, I say you are 10X better off if you move on

Where are we meeting for dinner

I'm moving let's discuss strategy

Text Message

Jan 29, 2019, 11:38 AM

Hallie has given me no way back. She closes every door in my face with complete disdain and complete confidence that no matter what she says or does to me I am not a strong enough man to stand up and say enough I'm leaving you. Hallie has a thousand reasons she can name to end this relationship and at least 10% of them are valid and 80% of them are legitimate complaints that deserve my attention and explanation the last 10% are ridiculous but not to be ignored or dismissed by your partner. WTF she is so predictable Keith

i was having a beautiful and important discussion with my aunty

What in there other than the idea I must be impervious to pain she has inflicted would lead her to say that. Again example 888400162 she has manipulated you into reacting with concern for my mental health rather than with adressng anything in that letter. Keith what's the one thing a patient or loved one of a patient can say regardless of your belief its true that you cant ignore. "He's suicidal", what's the one reaction from you that would make me upset— "Im concerned about your mental health HUNTER. As your doctor thats try first thought. are you crazy hunter. Hunter does this mean you're going to kill yourself?" Thats the one reaction that would make me sad and confused and feel as if no one will ever address the issues I lay out because they dont matter or aren't true or... She is brilliant.

and hey hypocrite.

Um Maybe, yes I see that sorry wow you're right hunter

Lets talk ab out what you wrote

I have to admit she is genius in disguising her protecting herself with the deflection and almost sociopathic in its disregard fornhow it injurees those around her.

By the way, I love the quote you sent.

How are you?

Hallie wants me to call her. Yes? No?

No!

Ok

Not unless you're willing to say something along these lines

With me there

Hallie Hunter is sober (T just gave me. Test and I see no reason I'd fail

The things he wrote aren't a figment if his imagination. I will ha ea whole file for you to look at- I e spent hours on it. So depressing.

You should call y therapist Carlie and ask her exactly what happened

I'll give you her #

Look at the Texts between she and my best friend and that was just 1/10th of what was there- she went into my computer and permanently deleted almost all files and documents but what I have is so damning.

And you will see it's self explanatory.

I know why now that I need this. I need it because I fear. I may be Othello and the world from newspapers to jealous friends to drugs to our supposed friends may be the collective lago sometimes it feels like hallie is both lago and emelia.

I am happy to see it all and make the call (although her therapist will never speak about her, of course) and stand shoulder to shoulder with you.

Not her therapist my former therapist whom she accused me of being sexually inappropriate with Natalie. I was clean and she and her boy friend the director of the rehab I went to were living with me full time.; Hallie called and said I both was physically abusive too her and sexually innapropriate with Natalie and her cousin Lilly. hallie new my therapist had been severely and sexually abused n= y a step dad who was a crack addict and manipulative charmer who never paid any price for her pain. Hallie knew the because of a mutual friend that was acting as her sober companion (Daria. Who was my friend untill Hallie). Carly my therapist had a nervous break down no joke she left the house total out of sorts and didn't return for three days and of course her boyfriend a=was searching for her— and im alone and I do what any good addict would do.

Call me please

Can call 8:15

Or dinner

Or both

I'll come over

Cool

I am staying inside cause have a cold

Love you, my Brothr

Brother

Love you buddy. I came to the revelation that seeking a relationship right now or even giving any woman a piece of my heart will end up a disaster. I need to find my self and having a woman fall In love with me to give some kind of temporary relief but no permanent loyalty would only be a repeat of every other of the 5 relationships I've had (since I was 15 years old —5!!!!). I end up either hurt and broken or unhappy living the life of another persons desires. It came to watching John Wayne in McLintock. He doesn't even lift his eyes to give any of them except his daughter the satisfaction of gaining his attention. He knows what he wants and has the patience and good sense to treat the rest with a respect that costs him nothing. Plus he haws the coolest walk of anyone ever. Please tell me what she says and what you say and if you clique text it first and then discuss it.

Of course on all that.

I will call her tomorrow

If that is the plan

Weather better here

Much

Feb 3, 2019, 4:54 AM

Its Beau's 50th today. Ill be 49 tomorrow. We used to alternate days we would celebrate because we always wanted to celebrate it together. Ill admit im the first to say no day is worse or better than the next- he is absent in the physical and that hurts everyday. But for me this day is especially hard., very hard in. Fact.

I Wrote this to Hallie this morning::

VRobert Hunter:  
Hi I really want to be kind and love each other as much as new do today with no resentments and no blame and no anger —only pure love. Just today please. Can we do that can I call you and tell you how I miss you and how I know you miss him and how I'm sorry I'm not, there for you. I do love you so Hallie. I was telling Keith that the reason, I m so turned upside diwn and madly desperately in need of your affection is that despite all of the shitty things ive done or the ones I've imagined you doing there tis no one that I want to be with every day than you. I have more fun and love more I. A day with you than anyone in my life. I hope you can receive this as it's intended my love. All love today at lest please talk to me call me let me know how you are. I miss every single piece of you.  
Hallie Biden:  
There is nothing I would love more as to have you hold me and comfort me and me for you. I know this is a terrible day and time for you and Im sorry we can't be there for each other. I know talking starts sweet and tender but quickly turns south. I just can't talk to you at this time, im sorry. But know you have my heart and you are on my mind, always.  
Robert Hunter:  
Oh hallie please my love I promise I won't  
Cant you trust me that I wont and that I need your voice son much today.  
You can take about n nothing  
Just today won t say ford.  
Hallie Biden:  
No I'm sorry.  
Robert Hunter:  
Baby come o please read above and know the truth oi that and for this one day  
Hallie Biden:  
I hope you understand how I feel  
Robert Hunter:  
All love and trust and compassion  
I dont at all  
Not on this day  
please Halle  
Hallie Biden:  
Please respect how I feel.  
Robert Hunter:  
Hale ill keep asking that you show me your love so I =can show you mine. I am clean and calm and need the on e person I want the most. I always respect you I just dont understand? Explain and maybe bi can not feel so saddened by your decision.  
Hal?  
Hal please honey. Just want to hear your voice. Know that you love me, Baby I'm begging you I'm here coxing the work and I'm Lon ely and especially today.

How can you explain that to me. There has been no argument we havent talked in weeks months really. I do t know why she is so pissed,. am. lk miss g something.

Hi, Brother: I am a poor substitute; I know. A shadow of a substitute. No substitute. But I will tell you this: You are not the shadow of your beloved brother. You are the sun, now never to be eclipsed. If you love yourself as much as you loved him, you will be drug free and guilt free and home free.

Love you,

K

How does she explain the above Keith

I have non guilt brother—I really don't- nor shame.

I know that everything that came before this moment are the pieces of a puzzle that im c certain will be spectacular when finished.

Im getting better Keith, it takes time but in promise you ever day is a b better day. I have purpose now. And you have shown me that and I appreciate it and I appreciate the love brother.

But I dint appreciate not being invited to Miami mother f'er.

So I think the book should be about how to find love and compassion in the midst of tragedy. How pain is the connective tissue that binds all of humanity in a common experience. Pain is the way we can understand one another regardless of the apparent divide we perceive between ourselves and any "other." Pain is the progenitor of compassion and empathy.  
We right it together almost as if it is a series of therapy sessions in which you identify my trauma- the cause of this pain – a story from life- how I coped or overcame that with lessons I learned from my family (Dad, Beau, grandparents etc) and how such lessons can inform not each of us in our individual struggles but also should inform and possibly heal our hurt and pain collectively as a nation divided at the moment.

Which is also the foundation of our pod cast— it's our story - how I found my brother again in the most unlikely place.

THAT is the book

And I would love to think I am 1/10 that.

Because then you would be at least 1/10 the glistening brother I have never had.

And in the podcast what we do is we have guests- notable people that talk about the traumas they have endured in there lives. How these Traumatic experiences shaped them for better or worse. We could have some pretty fucking amazing discussions with some amazing people. Then we take those discussions say 12 a year and we make a book out of them. And we do one book a year. The pod cast then turns into an HBO series and n which we go in depth with each guest visiting the examiner exoerience in depth.  
We call it "The Hurt Makes it Beautiful "

Dad is our first guest.

Perfect.

Does he recall details tho, with the dementia and all?

Not much these days but since it's all fake news anyway I don't see the problem.

Is he a go for sure— running?

I should get the second microphone and have someone hook all up

Song is amazing

According to inside sources which I can neither confirm nor deny/ he is in it to win it

Good

Seriously though what do you think?

I think we could go to CAA or would rather a different agency (they rep dad) and put together a whole package deal. And also the rehab plan

I love the idea

It is a bullseye

Is still very much real. My uncles been dealing with his daughter (serious shit) and has been totally overwhelmed by that.

Regardless let's make it happen in the immediate.

I am 1000 percent in for that, if it crystallizes

IF you are well

Put together real proposal and go to CA and pitch it.

Okay. Let's

Hello ?

No

Not saying that

Than I can't make that promise

I can only promise Robbie honest

That would not be rational or committed

And to try to be my best self

Same here

It's like asking someone never to be sad again

I never suffer depression again

Or never gain back the weight

I get that

That ultimatum for someone like me who cant live a lie makes everything impossible. Because to say I'll never be what you and everyone seems to think is "sick" so sick that I can't be trusted nor can I be a part of (a part of a family, a part of a friendship a part of a business) of anything meaningful- is not the truth.

If that's the condition precedent Keith than why ever stop using. Such a condition is impossible for me to guarantee anyone.

See my comments above ...

Not saying that is the requirement. I meant, IN the present.

Meaning, I wanna make sure you are now well

The only way anyone will know if I am truly well Keith is if I am allowed to re-engage in life and show them through my presence and my achievement regardless of whether it's learning how to fly or writing a book or simply taking the kids to school on time.

Makes sense

If I can't start the book with you until I somehow prove otherwise my wellness if I can't be home and be a part of my children's ,my family's life's and testing isn't good enough and therapy isn't good enough and going away isn't good enough in the outpatient program isn't good enough then what the fuck do I do only thing that will save me is to be connected and if everyone refuses to connect based upon some notion that when I am not well I create some sort of chaos

We r starting the book

I wonder if keith Richards would have survived to write that memoir and 109 more songs if the stones told him you can't play the guitar with us until you can prove your well and will remain so. What if they had told him that he couldn't write music any more because they didn't trust his musical judgment anymore.

I think he would have died a long time ago. I don't think he would ever have kicked and I know there would never have been a book. And the funny thing is the stones wouldn't have been the stones- they would have been the monkeys at best.

Good night

Your dad should wear this on at least a few campaign stops.
